Secure Retirement

We all look forward to a rewarding career, followed by a happy and secure retirement. But many Americans are not adequately saving to support themselves during the “golden years.” At CBP, not only will you receive a wide range of retirement benefits, you will also have access to training and resources to ensure you are secure and prepared during your retirement years.

CBP offers excellent retirement benefits, including eligibility for the FERS, which provides benefits from three sources: Social Security, Basic Benefit Plan, and the Thrifts Saving Plan (TSP).

Basic Benefit Plan	CBP employees may be eligible for the generous FERS basic annuity, which is a guaranteed lifetime pension, paid to retirees, is a percentage of your highest average basic pay you earned during any 3 consecutive years of service.
Thrift Savings Plan	TSP is a tax-deferred retirement savings and investment plan that offers federal employees the same type of savings and tax benefits that many private corporations offer their employees under 401(k) plans. By participating in the TSP, federal employees have the opportunity to save part of their income for retirement, receive matching agency contributions, and reduce their current taxes.
