All,

(b)(5)

Section 3(c) of the Executive Order entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017) suspends for 90 days the entry into the United States of certain aliens from countries referred to in section 217(a)(12) of the Immigration and Nationality Act (INA), 8 U.S.C. 1187(a)(12). Section 3(e) of the order directs the Secretary of Homeland Security, in consultation with the Secretary of State, to submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of certain foreign nationals from countries that do not provide information needed to adjudicate visas, admissions, or other benefits under the INA.

I understand that there has been reasonable uncertainty about whether those provisions apply to lawful permanent residents of the United States. Accordingly, to remove any confusion, I now clarify that Sections 3(c) and 3(e) do not apply to such individuals. Please immediately convey this interpretive guidance to all individuals responsible for the administration and implementation of the Executive Order.

Area Port Director – Please notify me or SPM (b)(6), (b)(7)(C) if you encounter any citizen of the “7” countries and are landed immigrants to Canada. We will need to know prior processing the alien.

CBP CAT is requesting that you include an additional item when you submit your Executive Order- Protecting the Nation from Foreign Terrorist Entry into the United States - Report.

1. Any issues encountered during the processing of refugees, (ie., Not processed, denied, health issues, ect). Anything that you wish to comment on regarding the process at this time that you feel needs to be addressed.

If you have any questions please contact SPM (b)(6), (b)(7)(C) or ADFO (b)(6), (b)(7)(C)

Area Port Directors –

- Attached are 3 press releases DHS.gov posted regarding the EO, I encourage you and your managers to be familiar with them as if you get questions from the traveling public it gives them a consistent response. As a reminder you can't give out any type of stats regarding the EO, this would include local, state, federal agencies, elected officials or the media.
- Any media requests will be routed to PAO (b)(6), (b)(7)(C)
- If you have protesters at any of your locations please send BSF bullets and photos of the protest.
- You may encounter Congressional representatives today as they fly back to Washington D.C., and some may try and meet with your port leadership to discuss the Executive Order and how we are implementing it operationally. Unfortunately, at this time, we still do not have approved talking points from DHS, so until we do, we should not engage in any discussion with the congressional staff. CBP is making calls to key congressional leaders at the S1, S2, C1, C2, EAC and DEAC level. Any such requests should be immediately relayed to the DFO and ADFO

(b)(6), (b)(7)(C)

As a reminder please include SPM (b)(6), (b)(7)(C) and also start including Supervisor (b)(6), (b)(7)(C) on all correspondence.

Thank you all for all your support and assistance this weekend

Area Port Directors – just want to update you on the latest guidance on how to process aliens who are subject to the Executive Order. Until further guidance is provided if you encounter a non-immigrant alien subject to the EO, you may consider requesting a waiver from C-1 through the DFO. The port will conduct a (b)(7)(E) (b)(7)(E) consideration for a waiver pursuant to Section 3(g) or 5(a) as appropriate. In considering a waiver you will need to consider if it is in the best interest of the U.S., not granting the waiver would cause an undue hardship or have significant compelling reasons. Examples could include returning students, seeking medical treatment in the U.S., not someone who wants to go to K-Mart for the sales.

If you are considering a waiver please contact the DFO or myself for guidance, I attached an example of the format that will be used to request the waiver. Once the DFO has concurred with the request she will coordinate with HQ to seek approval from C-1 which could take hours to minutes considering the time of day it was requested.

Please continue to send your 3 times a day matrix on time and ensure they are sent to (b)(6), (b)(7)(C) and myself.

If you have any question please contact me.

Thanks

Hi Amanda. I am reaching out to you to get help with getting a travel document and letting Delta know that (b)(6), (b)(7)(C) is scheduled to fly out of Vienna, Austria on Sunday morning at 10:05 am. If he can be provided an original travel document before that time, it would be wonderful. I have been advised that CBP will notify Delta airlines that he can travel on his existing visa but it is only a copy.

Here is a copy of the previously issued visa. You can contact me by my cell phone number : (b)(6), (b)(7)(C) if you have any questions.

Field Liaison/Enforcement Programs-

I received the below message from the Area Port Director Seattle, the Washington State Governors aide reached out to him for assistance on a Somali who immigrant visa was revoked due to the EO and they need assistance from the DOS to get a transportation letter for he can board the flight. CBP Sea-Tac retained the immigrant visa packet.

Can Field Liaison reach out to DOS for assistance to allow travel back to Seattle and reactivate his immigrant visa. If the DOS has any questions they can reach out to Assistant Port Director (b)(6), (b)(7)(C) (copied on this message). The port is attempting to expedite travelers return back to Seattle

Thank you

I received the below email from (b)(6), (b)(7)(C) of Governor Jay Inslee staff. He outlined some specific actions that they expect CBP Seattle to execute. I responded to his email by informing him that Seattle CBP is willing to assist as much as possible to process the (b)(6), (b)(7)(C) without any unnecessary delays upon his arrival, however, our local ability to contact the State Department and airline overseas (Vienna, Austria) is out of our immediate abilities. We will be elevating this situation up through our chain of command to Washington, DC, and possibly a CBP office at the Headquarters level could facilitate what you have outlined with the State Department- the reissuance of the visa and/or provide a travel letter for (b)(6), (b)(7)(C) since he does not have a passport and visa.

We sent bullets to your attention, and is it possible for you to ask or point out that HQ may need to assist in coordinating some of these action with the Department of State.

Thank you,

(b)(6), (b)(7)(C) and all – I am including (b)(6), (b)(7)(C) from CPB intergovernmental affairs, and (b)(6), (b)(7)(C) from the Port of Seattle on this chain.

It appears that CBP is prepared to allow (b)(6), (b)(7)(C) to enter the United States upon his entry at Sea-Tac airport, under the terms of his previously-issued visa. Furthermore, the CPB team is helpfully prepared to work with the airline carrier to ensure they are aware of (b)(6), (b)(7)(C) ability to enter the U.S., so that he is allowed to board his flight.

However, (b)(6), (b)(7)(C) physical immigrant visa packet and visa were held in Seattle when he was sent back to (b)(6), (b)(7)(C) on Saturday. My understanding is that he is not in possession of a passport, but was relying on these documents for entry and for travel. Furthermore, our understand is that his visa remains listed as “cancelled” in the State Department system. And, because of these things, and given the fact that he has to travel from (b)(6), (b)(7)(C) before continuing on a flight to Seattle, there is a concern that he will not be allowed to board his flight(s), due to the airline or potentially in an issue with European customs in intra-Euro travel.

Can the CPB team assist (b)(6), (b)(7)(C) and her client in getting in touch with the State Department to 1) revise his “cancelled” visa status, and 2) obtain a written document that will clearly indicate that his ability to travel from (b)(6), (b)(7)(C) to Seattle? Again, we appreciate your willingness to communicate directly with the carrier, as well. That will also be important, but (b)(6), (b)(7)(C) and her client are worried it will be insufficient.

Thank you for your assistance and attention in this matter.

 Situational Awareness – Assistance Provided to Immigrant Affected by EO (b)(6), (b)(7)(C)
 February 4, 2017

Affected Port: Seattle-Tacoma International Airport

Date of Report: February 4, 2017

Executive Summary:

On January 28, 2017 a male citizen of Somalia, (b)(6), (b)(7)(C) arrived aboard (b)(6), (b)(7)(C). The passenger applied for admission as a first time immigrant. He was referred to hard secondary because he met the criteria for January 27th Presidential Executive Order. He was found inadmissible based on the Executive Order and was allowed to withdraw his application for admission. His immigrant visa package was retained by CBP and his Immigrant Visa was cancelled. He was returned to (b)(6), (b)(7)(C) later that day on (b)(6), (b)(7)(C).

On February 3, 2017, in response to a District Court ruling enjoining the Executive Order, the Deputy Assistant Secretary (Edward Ramotowski) for the Department of State reversed the provisional revocation of all visa provisionally revoked on January 27, 2017.

On February 4, 2017, (b)(6), (b)(7)(C) immigration attorney, (b)(6), (b)(7)(C) contacted APD (b)(6), (b)(7)(C) seeking assistance in getting (b)(6), (b)(7)(C) back to the U.S. She indicated that (b)(6), (b)(7)(C) was currently in (b)(6), (b)(7)(C) and wished to return to the U.S. as an immigrant, however he is not in possession of a passport or an immigrant visa that would allow him to board a flight to the U.S. In an attempt to facilitate his return, CBP Seattle attempted to contact IAP (b)(6), (b)(7)(C) to request assistance with boarding (b)(6), (b)(7)(C) on a Seattle bound flight. However, due to time difference, no officers were on duty. It was later determined that (b)(6), (b)(7)(C) was actually in (b)(6), (b)(7)(C) and that he would be boarding a flight there. CBP Seattle informed (b)(6), (b)(7)(C) that Seattle would process (b)(6), (b)(7)(C) if he could get to Seattle, however he would need to contact the Department of State (DOS) to obtain a boarding letter and visa. (b)(6), (b)(7)(C) indicated that she understood that it wasn't a CBP issue and that she would be reaching out to Governor Inslee's office to get assistance in resolving the matter with the DOS so (b)(6), (b)(7)(C) could board the plane.

Details of the Incident / Date and Time:

On January 27, 2014, Presidential Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States" enacted.

On January 28, 2017 at 1035 hours, Somalia citizen, (b)(6), (b)(7)(C) arrives aboard (b)(6), (b)(7)(C) and applies for admission as a new immigrant.

(b)(6), (b)(7)(C) is denied admission and allowed to withdraw his application for admission.

At 1345 hours, (b)(6), (b)(7)(C) is returned to (b)(6), (b)(7)(C) aboard (b)(6), (b)(7)(C)

On February 3, 2017 at approximately 1700 hours, a District Court rules issues a temporary restraining order suspending the Presidential Executive Order.

* On February 4, 2017, at 1150 hours, (b)(6), (b)(7)(C) contacted APD (b)(6), (b)(7)(C) by email, seeking assistance with getting (b)(6), (b)(7)(C) back to the U.S.

* At 1210 hours, APD (b)(6), (b)(7)(C) contacted (b)(6), (b)(7)(C) to help coordinate (b)(6), (b)(7)(C) return.

* At 1227 hours, multiple attempts to contact IAP (b)(6), (b)(7)(C) were made, but were unsuccessful.

* (b)(6), (b)(7)(C) was informed that CBP Seattle would process (b)(6), (b)(7)(C) if he arrive in Seattle but she would need to contact the DOS about obtaining a boarding letter and/or a visa that would allow him to board a plane to the U.S.

* (b)(6), (b)(7)(C) indicated that she understood that CBP could not help her with this and that she would seek assistance from Governor Inslee's office to help resolve the matter with DOS.

Chief (b)(6), (b)(7)(C)

I am contacting you in my capacity as the AILA Washington Chapter CBP Liaison Chair. Could you please describe the impact of the Executive Order signed January 27, 2017, banning entry of Syrian refugees and banning persons from certain countries? We are inquiring so that we can inform our members and the public about who may seek entry. Here are a few specific questions:

- The EO does not name any specific countries, but covers "aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12)." That law only lists Iraq and Syria, but we have heard that 7 countries are covered: Iran, Iraq, Sudan, Somalia, Syria, Yemen and Libya. Which countries are covered?
- Does the EO apply to green card holders?
- Does it apply to persons, with approved nonimmigrant employment status, such as H-1B, L-1, O-1, etc.
- Does it apply to F-1 and OPT authorized students already attending college or working?
- If someone arrives at SeaTac and the EO applies to the person, will they be detained, deemed inadmissible, and then sent back to country from which they came?
- Will CBP exercise parole authority or agree to admit some persons on a case-by-case basis?

We understand that you might not have answers to all of these questions at this time, but we would appreciate having any answers than you can provide. If we are able to share the information, we expect that it could alleviate some burden on you and your staff.

Area Port Directors –

- Attached are 3 press releases DHS.gov posted regarding the EO, I encourage you and your managers to be familiar with them as if you get questions from the traveling public it gives them a consistent response. As a reminder you can't give out any type of stats regarding the EO, this would include local, state, federal agencies, elected officials or the media.
- Any media requests will be routed to PAO (b)(6), (b)(7)(C)
- If you have protesters at any of your locations please send BSF bullets and photos of the protest.
- You may encounter Congressional representatives today as they fly back to Washington D.C., and some may try and meet with your port leadership to discuss the Executive Order and how we are implementing it operationally. Unfortunately, at this time, we still do not have approved talking points from DHS, so until we do, we should not engage in any discussion with the congressional staff. CBP is making calls to key congressional leaders at the S1, S2, C1, C2, EAC and DEAC level. Any such requests should be immediately relayed to the DFO and ADFO

(b)(6), (b)(7)(C)

As a reminder please include SPM (b)(6), (b)(7)(C) and also start including Supervisor (b)(6), (b)(7)(C) on all correspondence.

Thank you all for all your support and assistance this weekend

Subject: IMMEDIATE ACTION: Executive Order Implementation and compliance with EDNY Court Order

Area Port Directors – just want to update you on the latest guidance on how to process aliens who are subject to the Executive Order. Until further guidance is provided if you encounter a non-immigrant alien subject to the EO, you may consider requesting a waiver from C-1 through the DFO. The port will conduct a (b)(7)(E) (b)(7)(E) consideration for a waiver pursuant to Section 3(g) or 5(a) as appropriate. In considering a waiver you will need to consider if it is in the best interest of the U.S., not granting the waiver would cause an undue hardship or have significant compelling reasons. Examples could include returning students, seeking medical treatment in the U.S., not someone who wants to go to K-Mart for the sales.

If you are considering a waiver please contact the DFO or myself for guidance, I attached an example of the format that will be used to request the waiver. Once the DFO has concurred with the request she will coordinate with HQ to seek approval from C-1 which could take hours to minutes considering the time of day it was requested.

Please continue to send your 3 times a day matrix on time and ensure they are sent to (b)(6), (b)(7)(C) and myself.

If you have any question please contact me.

Thanks

Executive Order—Protecting the Nation from Terrorist Entry into the United States by Foreign Nationals

EXECUTIVE ORDER

PROTECTING THE NATION FROM TERRORIST ENTRY INTO THE UNITED STATES BY FOREIGN NATIONALS

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 et seq., and section 301 of title 3, United States Code, and to protect the American people from terrorist attacks by foreign nationals admitted to the United States, it is hereby ordered as follows:

Section 1. Purpose. The visa-issuance process plays a crucial role in detecting individuals with terrorist ties and stopping them from entering the United States. Perhaps in no instance was that more apparent than the terrorist attacks of September 11, 2001, when State Department policy prevented consular officers from properly scrutinizing the visa applications of several of the 19 foreign nationals who went on to murder nearly 3,000 Americans. And while the visa-issuance process was reviewed and amended after the [September 11](#) attacks to better detect would-be terrorists from receiving visas, these measures did not stop attacks by foreign nationals who were admitted to the United States.

Numerous foreign-born individuals have been convicted or implicated in terrorism-related crimes since September 11, 2001, including foreign nationals who entered the United States after receiving visitor, student, or employment visas, or who entered through the U.S. refugee resettlement program. Deteriorating conditions in certain countries due to war, strife, disaster, and civil unrest increase the likelihood that terrorists will use any means possible to enter the United States. The United States must be vigilant during the visa-issuance process to ensure that those approved for admission do not intend to harm Americans and that they have no ties to terrorism.

In order to protect Americans, the United States must ensure that those admitted to this country do not bear hostile attitudes toward it and its founding principles. We cannot, and should not, admit into our country those who do not support the U.S. Constitution, or those who would place violent ideologies over American law. In addition, the United States should not admit those who engage in acts of bigotry or hatred (including “honor” killings, other forms of violence against women, or the persecution of those who practice religions different from their own) or those who would oppress Americans of any race, gender, or sexual orientation.

Sec. 2. Policy. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

Sec. 3. Suspension of Issuance of Visas and Other Immigration Benefits to Nationals of Countries of Particular Concern. (a) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall immediately conduct a review to determine the information needed from any country for adjudication of any visa, admission, or other benefit under the INA (adjudications) to determine that the individual seeking the benefit is who the individual claims to be and is not a security or public-safety threat.

(b) The Secretary of Homeland Security, in consultation with the Secretary of State and the Director of National Intelligence, shall submit to the President a report on the results of the review described in subsection (a) of this section, including the Secretary of Homeland Security's determination of the information needed for adjudications and a list of countries that do not provide adequate information, within 30 days of the date of this order. The Secretary of Homeland Security shall provide a copy of the report to the Secretary of State and Director of National Intelligence.

(c) To temporarily reduce investigative burdens on relevant agencies during the review period described in subsection (a) of this section, to ensure the proper review and maximum utilization of available resources for the screening of foreign nationals, and to ensure that adequate standards are established to prevent the terrorist or criminal infiltration of foreign nationals, pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the immigrant and nonimmigrant entry into the United States of aliens from countries referred to in section 217(a)(12) of the INA, 8 U.S.C. 1187(a)(12), would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants and nonimmigrants, of such persons for 90 days from the date of this order (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, and C-2 visas for travel to the United Nations).

(d) Immediately upon receipt of the report described in subsection (b) of this section regarding the information needed for adjudications, the Secretary of State shall request all foreign governments that do not supply such information to start providing such information regarding their nationals within 60 days of notification.

(e) After the 60-day period described in subsection (d) of this section expires, the Secretary of Homeland Security, in consultation with the Secretary of State, shall submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of foreign nationals (excluding those foreign nationals traveling on diplomatic visas, North Atlantic Treaty Organization visas, and C-2 visas for travel to the United Nations) from countries that do not provide the information requested pursuant to subsection (d) of this section until compliance occurs.

(f) At any point after submitting the list described in subsection (e) of this section, the Secretary of State or the Secretary of Homeland Security may submit to the President the names of any additional countries recommended for similar treatment.

(g) Notwithstanding a suspension pursuant to subsection (c) of this section or pursuant to a Presidential proclamation described in subsection (e) of this section, the Secretaries of State and Homeland Security may, on a case-by-case basis, and when in the national interest, issue visas or

other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked.

(h) The Secretaries of State and Homeland Security shall submit to the President a joint report on the progress in implementing this order within 30 days of the date of this order, a second report within 60 days of the date of this order, a third report within 90 days of the date of this order, and a fourth report within 120 days of the date of this order.

Sec. 4. Implementing Uniform Screening Standards for All Immigration Programs. (a) The Secretary of State, the Secretary of Homeland Security, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation shall implement a program as part of the adjudication process for immigration benefits to identify individuals seeking to enter the United States on a fraudulent basis with the intent to cause harm, or who are at risk of causing harm subsequent to their admission. This program will include the development of uniform screening standards and procedures, such as in-person interviews; the creation of a database of identity documents proffered by applicants to ensure that duplicate documents are not used by multiple applicants; amended application forms that include questions aimed at identifying fraudulent answers and malicious intent; a mechanism to ensure that the applicant is who the applicant claims to be; a process to evaluate the applicant's likelihood of becoming a positively contributing member of society and the applicant's ability to make contributions to the national interest; and a mechanism to assess whether or not the applicant has the intent to commit criminal or terrorist acts after entering the United States.

(b) The Secretary of Homeland Security, in conjunction with the Secretary of State, the Director of National Intelligence, and the Director of the Federal Bureau of Investigation, shall submit to the President an initial report on the progress of this directive within 60 days of the date of this order, a second report within 100 days of the date of this order, and a third report within 200 days of the date of this order.

Sec. 5. Realignment of the U.S. Refugee Admissions Program for Fiscal Year 2017. (a) The Secretary of State shall suspend the U.S. Refugee Admissions Program (USRAP) for 120 days. During the 120-day period, the Secretary of State, in conjunction with the Secretary of Homeland Security and in consultation with the Director of National Intelligence, shall review the USRAP application and adjudication process to determine what additional procedures should be taken to ensure that those approved for refugee admission do not pose a threat to the security and welfare of the United States, and shall implement such additional procedures. Refugee applicants who are already in the USRAP process may be admitted upon the initiation and completion of these revised procedures. Upon the date that is 120 days after this order, the Secretary of State shall resume USRAP admissions only for nationals of countries for which the Secretary of State, the Secretary of Homeland Security, and the Director of National Intelligence have jointly determined such additional procedures are adequate to ensure the security and welfare of the United States.

(b) Upon the resumption of USRAP admissions, the Secretary of State, in consultation with the Secretary of Homeland Security, is further directed to make changes, to the extent permitted by law, to prioritize refugee claims made by individuals on the basis of religious-based persecution, provided that the religion of the individual is a minority religion in the individual's country of nationality. Where necessary and appropriate, the Secretaries of State and Homeland Security shall recommend legislation to the President that would assist with such prioritization.

(c) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of nationals of Syria as refugees is detrimental to the interests of the United States and thus suspend any such entry until such time as I have determined that sufficient changes have been made to the USRAP to ensure that admission of Syrian refugees is consistent with the national interest.

(d) Pursuant to section 212(f) of the INA, 8 U.S.C. 1182(f), I hereby proclaim that the entry of more than 50,000 refugees in fiscal year 2017 would be detrimental to the interests of the United States, and thus suspend any such entry until such time as I determine that additional admissions would be in the national interest.

(e) Notwithstanding the temporary suspension imposed pursuant to subsection (a) of this section, the Secretaries of State and Homeland Security may admit individuals to the United States as refugees on a case-by-case basis, in their discretion, but only so long as they determine that the admission of such individuals as refugees is in the national interest, would not pose a risk to the security or welfare of the United States, and one of the following conditions are met:

(i) The person is a religious minority in his or her country of nationality facing religious persecution; or

(ii) Admitting the person would enable the United States to conform its conduct to a preexisting international agreement.

(f) The Secretary of State shall submit to the President an initial report on the progress of the directive in subsection (b) of this section regarding prioritization of claims made by individuals on the basis of religious-based persecution within 100 days of the date of this order and shall submit a second report within 200 days of the date of this order.

(g) It is the policy of the executive branch that, to the extent permitted by law and as practicable, state and local jurisdictions be granted authority over the placement or settlement in their jurisdictions of aliens eligible to be admitted to the United States as refugees. To that end, the Secretary of Homeland Security shall examine existing law to determine the extent to which, consistent with applicable law, state and local jurisdictions may have greater involvement in the process of determining the placement or resettlement of refugees in their jurisdictions, and shall devise a proposal to lawfully promote such involvement.

Sec. 6. Rescission of Exercise of Authority Relating to the Terrorism Grounds of Inadmissibility. The Secretaries of State and Homeland Security shall, in consultation with the Attorney General, consider rescinding the exercises of authority in section 212 of the INA, 8 U.S.C. 1182, relating to the terrorism grounds of inadmissibility, as well as any related implementing memoranda.

Sec. 7. Expedited Completion of the Biometric Entry-Exit Tracking System. (a) The Secretary of Homeland Security shall expedite the completion and implementation of a biometric entry-exit tracking system for all travelers to the United States, as recommended by the National Commission on Terrorist Attacks Upon the United States.

(b) The Secretary of Homeland Security shall submit to the President periodic reports on the progress of the directive contained in subsection (a) of this section. The initial report shall be submitted within 100 days of the date of this order, a second report shall be submitted within 200 days of the date of this order, and a third report shall be submitted within 365 days of the date of this order. Further, the Secretary shall submit a report every 180 days thereafter until the system is fully deployed and operational.

Sec. 8. *Visa Interview Security.* (a) The Secretary of State shall immediately suspend the Visa Interview Waiver Program and ensure compliance with section 222 of the INA, 8 U.S.C. 1222, which requires that all individuals seeking a nonimmigrant visa undergo an in-person interview, subject to specific statutory exceptions.

(b) To the extent permitted by law and subject to the availability of appropriations, the Secretary of State shall immediately expand the Consular Fellows Program, including by substantially increasing the number of Fellows, lengthening or making permanent the period of service, and making language training at the Foreign Service Institute available to Fellows for assignment to posts outside of their area of core linguistic ability, to ensure that non-immigrant visa-interview wait times are not unduly affected.

Sec. 9. *Visa Validity Reciprocity.* The Secretary of State shall review all nonimmigrant visa reciprocity agreements to ensure that they are, with respect to each visa classification, truly reciprocal insofar as practicable with respect to validity period and fees, as required by sections 221(c) and 281 of the INA, 8 U.S.C. 1201(c) and 1351, and other treatment. If a country does not treat U.S. nationals seeking nonimmigrant visas in a reciprocal manner, the Secretary of State shall adjust the visa validity period, fee schedule, or other treatment to match the treatment of U.S. nationals by the foreign country, to the extent practicable.

Sec. 10. *Transparency and Data Collection.* To be more transparent with the American people, and to more effectively implement policies and practices that serve the national interest, the Secretary of Homeland Security, in consultation with the Attorney General, shall, consistent with applicable law and national security, collect and make publicly available within 180 days, and every 180 days thereafter:

(a) information regarding the number of foreign nationals in the United States who have been charged with terrorism-related offenses while in the United States; convicted of terrorism-related offenses while in the United States; or removed from the United States based on terrorism-related activity, affiliation, or material support to a terrorism-related organization, or any other national security reasons since the last reporting period;

(b) information regarding the number of foreign nationals in the United States who have been radicalized after entry into the United States and engaged in terrorism-related acts, or who have provided material support to terrorism-related organizations in countries that pose a threat to the United States, since the last reporting period; and

(c) information regarding the number and types of acts of gender-based violence against women, including honor killings, in the United States by foreign nationals, since the last reporting period; and

(d) any other information relevant to public safety and security as determined by the Secretary of Homeland Security and the Attorney General, including information on the immigration status of foreign nationals charged with major offenses.

Sec. 11. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

- (i) the authority granted by law to an executive department or agency, or the head thereof; or
- (ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: Protecting the Nation from Foreign Terrorist Entry Into the United States

On January 27, 2017, President Donald Trump issued Executive Order: Protecting the Nation from Foreign Terrorist Entry into the United States. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). By 0500 hours (EST) daily, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E)

(b)(7)(E)

Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at: (b)(6), (b)(7)(C) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at: (b)(6), (b)(7)(C)

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(6), (b)(7)(C). (b)(6), (b)(7)(C) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

 RE: APP-Questions/Responses on implementation of EO

Alcon-

Please see additional questions and provided responses from APP related to the implementation of the Executive Order:

If an individual from one of the 7 countries is attempting to flagpole would we cancel their visa even if they are not attempting to make entry into the United States? ? *Flagpoles should be treated as per guidance if person is subject to EO. Allow the person with withdraw and notate in daily report. Most flagpoles do not have U.S. visa but if so then cancel as they have been provisionally revoked by DoS.*

Does the EO pertain to crewmembers arriving on vessels? Should a crewman from one of the designated countries who is encountered on an arriving vessel be refused entry and detained on board, and if detained, are formal safeguard measures required and/or should the crewman be refused and processed for removal? **Yes, EO applies to ALL nationals from affected countries irrespective of the type of visa. Crewman should be refuse and processed for removal under safe guarding.**

Let me know if you have any questions.

1. If an individual from one of the 7 countries is attempting to flagpole would we cancel their visa even if they are not attempting to make entry into the United States?
2. We may encounter VW countries traveling on a physical visa who were recently refused due to being ineligible for VWP because they self-certified:
 - a. dual citizenship/travel to/presence in Iran, Iraq, Syria or Sudan on or after 3/1/2011
 - b. travel to or presence in Libya, Somalia or Yemen on or after 3/1/2011
 - c. If CBP discovers travel to or presence in any of the designated countries in the course of the inspection, e.g., also in possession of a passport from one of the designated countries.

MEMORANDUM FOR: Directors, Field Operations
Director, Pre-Clearance

FROM: Carl S. Campbell /s/
Deputy Executive Director, Operations (Acting)
Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: Protecting the Nation from Foreign Terrorist Entry Into the United States

On January 27, 2017, President Donald Trump issued Executive Order: Protecting the Nation from Foreign Terrorist Entry into the United States. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). By 0500 hours (EST) daily, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(6), (b)(7)(C). For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

1. If an individual from one of the 7 countries is attempting to flagpole would we cancel their visa even if they are not attempting to make entry into the United States?
2. We may encounter VW countries traveling on a physical visa who were recently refused due to being ineligible for VWP because they self-certified:
 - a. dual citizenship/travel to/presence in Iran, Iraq, Syria or Sudan on or after 3/1/2011
 - b. travel to or presence in Libya, Somalia or Yemen on or after 3/1/2011
 - c. If CBP discovers travel to or presence in any of the designated countries in the course of the inspection, e.g., also in possession of a passport from one of the designated countries.

I attached the memo for reference.

Subject: RE: Questions on implementation of EO

1 An individual is encountered at a land border after making a wrong turn or refused from Canada and is not making entry. If they are citizens of the seven countries would they need to be vetted the same as arriving? If no derogatory information exists and their status is confirmed as valid, would they just be released? Or since their visa is considered revoked, would they need to be processed for removal? **If the person is not seeking admission, then the EO would not apply.**

2. The understanding is if a non immigrant presents a passport from Canada and birth in Iraq they would be allowed entry if otherwise eligible for admission. Would they still require the vetting process? If a LPR is encountered that is verified to be a Canadian citizen, but born in Iraq are they subject to the EO? **POEs should inspect the person in accordance with how they present to the CBP Officer at POE.**

3. We have a number of charter flights from Detroit to Mexico and the Caribbean. People typically travel for a week vacation. When we encounter a non immigrant, very often F1 students, who traveled for a short vacation and is now returning to Detroit in the same status they left but are subject to the EO, should they be returned to

the location where they traveled to, or processed and turned over to ERO to be removed to their home country? The individuals subject to this EO are barred from entry regardless of where or duration outside the United States. The airline is only liable to take the alien back from whence they came but given how MX routinely doesn't accept our returns, I would recommend reaching out to ERO to ensure they will accept person and have means and mechanism to remove them from U.S.

Mrs. (b)(6), (b)(7)(C)

We will likely see students (F, M or J visa holders) along with individuals with work visas (E, L, etc.) returning from Canada especially tomorrow from weekend trips. Do we have any guidance on how they will be processed. Everything I am seeing looks like they would be allowed to withdraw.

But, recognizing that this has been an issue in the past with Canada, we wanted to bring it up ahead of time. If we allow them to withdraw, we anticipate pushback from CBSA because they were admitted in good faith that they would not be returned because they

have a valid status in the United States.
