Office (b)(6), (b)(7)(C)

My name is (b)(6), (b)(7)(C) and I am an Immigration Attorney with Foster, LLP. After President Trump's Executive Order (EO) - banning the entry of foreign nationals from the "list of 7" - was issued last week, admittedly there has been great confusion – both in how immigration offices like ours are advising our clients and in how various government agencies appear to be inconsistently applying the poorly drafted order.

I volunteered last night in Terminal E with the Houston Immigration Legal Services Collaborative (backed by advocacy organizations like HVL, ACLU, Tahirih Justice Center etc.). The collaborative has been set up to ensure that individuals who are entering the US are not wrongfully detained based on the confusing EO. During my shift, it came to our attention that a Jordanian national transiting through Houston from Mexico to India was placed in secondary inspection and not allowed to board her connecting flight to Dubai. It turned out that the individual was probably placed in secondary because she did not have the proper visa to transit through Houston on her connection. This was her fault. At first, other attorneys treated this as an "EO" issue. Part of my job last night as 1 of 3 immigration lawyers was to educate them as to why the traveler may have been placed in secondary. In short, while I think it's very important that immigrants receive representation and fair treatment, it is equally important to note the extremely difficult job it must be for our CBP officers to uphold the many confusing regulations and orders that are passed to them.

Though the issue last night was not based on the EO, the officers we spoke to last night (Officer (b)(6), (b)(7)(C) and one other – didn't get his name) were extremely professional, courteous and empathetic to us, the foreign national traveler and the family that waited anxiously to speak to her. I was assured that everything would be explained to the foreign national in full detail and upon her release she texted her family members and confirmed that she was treated very well/fairly.

I want to say thank you for protecting us AND doing so with professionalism. I can't say this is something that is being done consistently across the nation as we've had client treated very poorly at other airports, but I can express gratitude to Houston CBP officers. My experiences in the past and yesterday have been consistent. Please let me know if there is anything I can do to communicate what your office is seeing and any advice to pass along to others.

Thank you,

Mr. (b)(6), (b)(7)(C)

As a follow-up to our conversation about the IAH telephone system, how difficult and/or time consuming would it be to add another sub-option to one of the existing prompts?

Currently, the first option is for "Immigration Matters" with two sub-options under "Immigration Matters" – 1 "Deferred Inspections", and 2 "Arriving Passengers".

Specifically, what would it take to change the "Immigration Matters" sub-option #2 to Questions About the Executive Order with two sub-prompts: If you are a concerned citizen, press 1 (taking the caller to a recorded message about contacting the CBP Office of Public Affairs and/or visiting CBP.gov for FAQs); If you represent a Congressional office or media outlet, press 2 (transferring the caller to the Supervisor extension in Hard Secondary).

Then, sub-option #3 under "Immigration Matters" would be "Arriving Passengers", which would transfer the caller to the Supervisor extension in Hard Secondary as it currently does.

Officer (b)(6), (b)(7)(C)

My name is (b)(6), (b)(7)(C) and I am an Immigration Attorney with Foster, LLP. After President Trump’s Executive Order (EO) - banning the entry of foreign nationals from the “list of 7” - was issued last week, admittedly there has been great confusion – both in how immigration offices like ours are advising our clients and in how various government agencies appear to be inconsistently applying the poorly drafted order.

I volunteered last night in Terminal E with the Houston Immigration Legal Services Collaborative (backed by advocacy organizations like HVL, ACLU, Tahirih Justice Center etc.). The collaborative has been set up to ensure that individuals who are entering the US are not wrongfully detained based on the confusing EO. During my shift, it came to our attention that a Jordanian national transiting through Houston from Mexico to India was placed in secondary inspection and not allowed to board her connecting flight to Dubai. It turned out that the individual was probably placed in secondary because she did not have the proper visa to transit through Houston on her connection. This was her fault. At first, other attorneys treated this as an “EO” issue. Part of my job last night as 1 of 3 immigration lawyers was to educate them as to why the traveler may have been placed in secondary. In short, while I think it’s very important that immigrants receive representation and fair treatment, it is equally important to note the extremely difficult job it must be for our CBP officers to uphold the many confusing regulations and orders that are passed to them.

Though the issue last night was not based on the EO, the officers we spoke to last night (Officer (b)(6), (b)(7)(C) and one other – didn’t get his name) were extremely professional, courteous and empathetic to us, the foreign national traveler and the family that waited anxiously to speak to her. I was assured that everything would be explained to the foreign national in full detail and upon her release she texted her family members and confirmed that she was treated very well/fairly.

I want to say thank you for protecting us AND doing so with professionalism. I can’t say this is something that is being done consistently across the nation as we’ve had client treated very poorly at other airports, but I can express gratitude

to Houston CBP officers. My experiences in the past and yesterday have been consistent. Please let me know if there is anything I can do to communicate what your office is seeing and any advice to pass along to others.

Thank you,

(b)(6), (b)(7)(C) Attorney

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States

Importance: High

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, NTC-P will coordinate the denial of boarding through Immigration Advisory Program/Joint Security Program (IAP/JSP) locations, and Regional Carrier Liaison Groups (RCLG).

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in Secure Integrated Government Mainframe Access (SIGMA) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in CSIS with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C) (b)(6), (b)(7)(C) Director, Enforcement Programs Division, at (b)(6), (b)(7)(C)

Executive Order (EO) *Protecting the Nation from Foreign Terrorist Entry into the United States*

- On 27 January 2017, the President of the United States signed Executive Order (EO) *Protecting the Nation from Foreign Terrorist Entry into the United States*.
 - Effective immediately in accordance with the new EO, all immigrant and nonimmigrant persons of Iraq, Iran, Libya, Somalia, Sudan, Syria and Yemen *are suspended entry* into the U.S. for the next 90 days.
- The suspension does not affect foreign nationals traveling on diplomatic visas, NATO visas, C-2 visas for travel to the United Nations and G-1, G-2, G-3 and G-4.
- U.S. Lawful Permanent Residents (green card holders)
 - In accordance with White House Guidance issued on February 1, 2017, Sections 3(c) and 3(e) of Executive Order Entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” do not apply to Lawful Permanent Residents.
- Dual citizens: EO applies to Dual Citizens, but travelers are being treated according to the travel document they present. For example, if they present a Canadian passport, that is how they are processed for entry.
- Someone who is in the Federal Inspection Area right now: Each person who may be admissible from one of the seven countries, has to have an individual waiver. Processing the waivers may delay the release of the individual.
- What about refugees who are considered to be “in transit?”
 - There are currently 872 refugees who are considered to be in transit who are scheduled to arrive in the United States this week. The Secretaries of State and DHS have coordinated and will process the 872 individuals consistent with the terms of the Executive Order, which we’ve operationalized by assessing each traveler on a case-by-case basis.
- Documents that can be used by citizens identified by the EO to enter the United States are:
 - Any diplomatic visa (A, G, C-2, or NATO)
 - An I-551 (Green Card)
 - An advance parole document
 - Any SQ immigrant visa

If they are not in possession of one of the above travel documents, they will not be allowed to enter the U.S.

Houston Field Office – Area Port of Dallas – San Antonio International Airport Planned Protest
and Possible Media Presence Outside of CBP FIS
Sunday, January 29, 2017

Update#4:

- 15:30 hours- Protest group has left the area. A tour of SAT Terminal A did not reveal any of the protestors to be on site. No more international flights until 1930 hours. Update will be provided only if protestors return.

Update #3:

- 14:00 hours – The group now numbers 15 protesters. Local media, Univision Spanish Network, arrived, filmed the event and departed about 13:30 hours. The group is very peaceful and not engaging the arriving public, but merely holding their signs. Airport Police presence continues to monitor.

Update #2

- 13:00 hours – The group has grown to 11 protesters inside the terminal and the same US flag carrying protester remains curbside. Local media is taking pictures of both. The event still remains peaceful with local SAAPD monitoring.

Update #1:

- 12:15 hours – Three protesters against the Executive Order arrived in Terminal “A” Baggage Claim with signs about 200 feet from FIS Exit (see pictures below) and another US flag carrying pro-Executive Order protester dressed in camouflage attire arrived curbside at Terminal “A. The event by both parties remains peaceful with no encounters with CBP.

Summary:

On Sunday, January 29, 2017, information was received from the Southwest Texas Fusion Center (SWTFC) notifying all San Antonio Airport stakeholders that a local group (approximately supporters) are planning a peaceful protest of the Presidential Executive Order at noon today (12:00 CT) at the airport (no terminal designated). The postings were made on Facebook by two separate individuals.

A similar unsuccessful protest was attempted last night in the baggage area of terminal B, but the 11-15 protestors were quickly dispersed by San Antonio Airport Police (SAAPD) for lack of a City permit to gather. SAT officials believe that the protest planned for Sunday will be outside the Terminal "A" FIS exit in the baggage claim area. The group still does not have an authorized permit to gather from the City and the same results are expected as the previous attempt.

Details:

- 0800 hours – SWTFC notified SAT airport stakeholders that information was received regarding two Facebook postings of a planned protest at SAT.

<https://www.facebook.com/events/432285873769405??ti=ia>
- 0915 hours – SAT Chief of Operations notified CBP-SAT Port Director that the Aviation Department is concerned that today's protest may be directed at CBP and requested a spokesperson be present. He was directed to the HFO Public Affairs Liaison.
- 09:45 hours – As per the Captain of the SAAPD, "At this time, the numbers have not changed from early this morning and we are looking at approximately 16 interested in attending or actually attending. Both protests are calling for them to be peaceful. There is no information on where they plan on protesting, other than at the Airport. On the second link, they are telling them to "bring signs & loud voices."

Impact:

No impact at this time.

Conclusion:

On going
