

Setting Default Preferences

ACE Reports

April 2024

U.S. Customs and Border Protection

INTRODUCTION

ACE Reports allows you to customize some of the user interface (UI) settings. Use the option to modify settings such as your starting page, current time zone, and options to view and save reports. They can be found in **Settings**, in your username drop-down menu.

DEFINITION OF BI SETTING PREFERENCES

Account Preferences

- **Page Preferences:** Modify non-default user settings (e.g. Landing Page, document column view options).
- Page Customization: Select tabs and tiles to display on the landing page.
- Locales and Time Zone: Set Preferred Viewing Locale and Current Time Zone.

Application Preferences

• Web Intelligence: Select the interfaces to use for **Reading** and **Edit** modes, and saving preferences when saving a report.

Appearance

• Themes: Select different color schemes for easier viewing.

SETTING ACCOUNT PREFERENCES

- 1. In ACE Reports:
 - a. Select your username.
 - b. Select the **Settings** option.
