Memorandum For: Directors, Field Operations

From: Todd A. Hoffman (b)(6), (b)(7)(C)  
Executive Director  
Admissibility and Passenger Programs  
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E) (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded in (b)(7)(E) (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will

be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Directors, Field Operations, and Executive Directors,

The Office of Finance has created Project code (b)(7)(E) to track CBP costs associated with Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017).

This project code is intended to capture all costs as a direct result of the E.O. that are not for work already being captured by a previously issued national project code. For example, if your office is already using a project code to track a certain activity ongoing prior to the issuance of this E.O. then you should continue to do so. However, if your office does see an increase in expenses and workload as a direct result of the E.O. then utilize this project code. This code can be used to track both operational expenses and overtime costs associated with activity driven by the E.O.

Please let me know if you have any questions for what should be included with this project code or have a member of your staff contact Mr. (b)(6), (b)(7)(C) of my staff. Thank you.

## Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison ( (b)(7)(E) ). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E). (b)(7)(E) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman  
 Executive Director  
 Admissibility and Passenger Programs  
 Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, NTC-P will coordinate the denial of boarding through Immigration Advisory Program/Joint Security Program (IAP/JSP) locations, and Regional Carrier Liaison Groups (RCLG).

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded in [REDACTED] (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for [REDACTED] (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of [REDACTED] (b)(7)(E) should be notated in [REDACTED] (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for [REDACTED] (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C) Director, Enforcement Programs Division, at (b)(6), (b)(7)(C)

Two last questions.

Do you want Saipan to submit a separate negative report daily or no report if negative?  
Do you want previous day's data for the last 24 hour period? The report due time is 1800 Saipan local time.

 Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E). (b)(7)(E) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C)

Just spoke with Department of State and there are at least 146 Afghan nations with valid Special Immigrant Visas (SIV) and more within the coming weeks. To ensure clarity and avoid confusion, Afghanistan was not subject to the EO. In addition, Refugees coming from another country, e.g. Mongolia, not listed in the guidance should be processed as normal.

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman

Executive Director  
Admissibility and Passenger Programs  
Office of Field Operations

Subject: Guidance on Executive Order “Protecting the Nation from Foreign Terrorist Entry into the United States”

Effective immediately, and pursuant to Executive Order entitled, “*Protecting the Nation from Foreign Terrorist Entry into the United States*” (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

DFOs,

Please be aware that various locations around the country have begun receiving a high volume of calls from various individuals and others claiming to be attorneys regarding the recent Executive Order (EO). The callers appear to be reading from a script and they begin by identifying themselves, state they are calling regarding the EO and proceed to ask if we are following the law, the EO and ask how many people we are currently detaining. DFOs,

Please be aware that various locations around the country have begun receiving a high volume of calls from various individuals and others claiming to be attorneys regarding the recent Executive Order (EO). The callers appear to be reading from a script and they begin by identifying themselves, state they are calling regarding the EO and proceed to ask if we are following the law, the EO and ask how many people we are currently detaining. This is most likely a form of telephonic protest to the EO.

Please advise all your personnel not to engage the callers nor respond to any questions. Ensure all requests for information are referred to the Office of Public Affairs.

Thank you,

DFOs,

Please be aware that various locations around the country have begun receiving a high volume of calls from various individuals and others claiming to be attorneys regarding the recent Executive Order (EO). The callers appear to be reading from a script and they begin by identifying themselves, state they are calling regarding the EO and proceed to ask if we are following the law, the EO and ask how many people we are currently detaining. This is most likely a form of telephonic protest to the EO.

Please advise all your personnel not to engage the callers nor respond to any questions. Ensure all requests for information are referred to the Office of Public Affairs.

Thank you,

**Subject:** Information on latest Executive Order for all BFO Employees

Team,

Last night, President Trump issued an executive order with notable implications for U.S. Customs and Border Protection. Key highlights are below and you will be receiving additional information in musters and from your supervisors. We are committed to providing you with updated information and guidance as soon as it becomes available. This is a very fluid and quickly changing situation, and I expect changes will come often.

You are the face of this organization; I recognize that each of you will be affected by this in many ways given your outward-facing role. I would ask that all continue to maintain the highest level of professionalism and stay focused on the mission. Communicate your concerns and questions to your supervisors, and they will be answered.

As you always do, be mindful of your comments. We do not want all of the good work that you do day in and day out to be diminished because of remarks being sensationalized in the public, the media, or any other venue. We live in a world where cameras are everywhere and word choice is critical. If in the course of your duties, you are asked why you are carrying out the executive order, state that you work for the Executive Branch and you are carrying out an order issued by the President. If you are asked what you think of the executive order or for your opinion on it, please refrain from offering any opinions and just respond that you are not able to discuss the matter.

All media inquiries should be directed to (b)(6), (b)(7)(C) and (b)(6), (b)(7)(C) (b)(6), (b)(7)(C). Any requests for information for other stakeholders should be directed to your chain of command to address as appropriate.

As evidenced by the protests at other locations, the changes from this executive order have the potential to produce a number of very emotional situations. It is absolutely critical that you remain vigilant both on and off duty; (b)(7)(E) (b)(7)(E)

**KEY HIGHLIGHTS:**

- Effective immediately, all entry into the United States for aliens who are national from Iran, Iraq, Somalia, Libya, Syria, Yemen and Sudan is suspended. Existing visas have been revoked by the Department of State.
- Non-immigrants and first-time arriving immigrants will be allowed to withdraw their application for admission in lieu of expedited removal (ER), unless an ER is appropriate.
- A, G, and C-2 visa holders are exempt.

- Legal Permanent Residents (LPR) from these countries can only be granted an exemption (212(f)) from the DFO, assuming they are otherwise admissible. All waiver requests should be submitted through your chain of command.
- **(b)(7)(E)**
- Fear claims will be processed as normal.
- **(b)(7)(E)**
- There will be challenges with families of mixed statuses.
  - For example, LPR parents with U.S. citizen children. In these instances, children will stay with their parents who may be eligible for an exemption.
  - H1B with U.S. citizen children will stay with their parent, who will be allowed to withdraw.
- Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole should be referred for 

**(b)(7)(E)**

 and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Again, I recognize that this executive order will impact many of you in many ways. I thank you for your professionalism as we enforce it and for your patience as we work to address all of its implications.

The attached executive order is effective immediately. Because of the urgency and sensitivity, I ask that each Area PD acknowledge receipt. Thank you.

Detailed guidance is expected within the hour, including reporting requirements. In the interim, this is my summary of tonight's conference call with HQ.

Affected countries: Iran, Iraq, Syria, Libya, Sudan, Somalia, Yemen

Effective immediately, all immigrant (including refugees) and non-immigrant visas of citizens from these countries are revoked. These passengers are to be (b)(5), (b)(7)(E) If they do not agree to (b)(5), (b)(7)(E) they will be (b)(5), (b)(7)(E) If they claim credible fear, they will be processed accordingly. A/G/NATO visa holders are exempt and allowed entry.

LPRs presenting passports from these countries are included in the executive order. However, the Secretary has delegated waiver authority to DFOs to admit LPRs after (b)(5), (b)(7)(E) (b)(5), (b)(7)(E) with proper notation of the DFO waiver in the remarks section. No LPR is to be removed.

Unaccompanied Alien Children, previously admitted refugees, previously admitted asylees, and persons with approved advanced paroles are included in the executive order. These individuals currently require a Secretary approved waiver. HQ guidance will cover the waiver procedures. HQ is requesting DFO delegated authority for these groups as well (b)(5), (b)(7)(E) Such individuals will also be (b)(5), (b)(7)(E) with notation of the approved waiver in the remarks. Until such time that (b)(5), (b)(7)(E) we will need to hold the passengers pending Secretary approval of the waiver. These individuals will not be expeditiously removed.

At this time, these procedures are to be followed for the next 90 days. Further guidance will follow at that time.

The State Department has already cancelled all the immigrant and non-immigrant visas, and (b)(5), (b)(7)(E) (b)(5), (b)(7)(E) RCLGs are also being involved to offload individuals attempting to board.

Reporting: Eventually an automated report is expected from NTC, but in the meantime, we will owe HQ a report each morning by 0500 hours Eastern Time. We will need the information in the SFFO by midnight Pacific Time in order to compile a consolidated FO response. Please copy (b)(6), (b)(7)(C) and I. A spreadsheet of the report fields is expected with the guidance due out soon from HQ.

Any questions, please feel free to call me.

Update #2

There are approximately 800 protestors outside the FIS exit arrival area at this time.

The protestors have been banging on the FIS exit arrival area doors at times.

The San Francisco Police Department has deployed their riot gear in preparation of the unruly protestors within the San Francisco International Terminal Area.

Our Global Entry office is currently closed due to the unruly protestors within the area of the Global Entry Office. We are currently contacting the people that have appointments so that they can reschedule.

According to SFPD, California Lieutenant Governor Gavin Newsom is present among the protestors; he has not reached out to CBP at this time.

Updates to follow.

UPDATE:

The group outside the "A" exit to the arrivals lobby has been dispersed.

Per SFPD approximately 300 protesters are massed on the curb outside the FIS arrivals lobby. SFPD states they are hearing "chatter" from some in the crowd suggesting that "they rush the doors" to the FIS and "free those being illegally detained by CBP". SFPD states they are reaching out to San Mateo County Sheriff's Department for assistance in crowd control.

Actions:

CBP SFO is shutting down the "San Francisco Arrivals" set of exit doors, and rerouting passengers to utilize only the "Connecting Flights" set of exit doors as the sole means of exiting the FIS

Armed CBP Officers are stationed at both sets of exit doors to control entry

CBP SFO is maintaining constant communication with SFPD to in order to monitor protest activity and assess risk.
