**SUBJECT:** Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison: (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(6), (b)(7)(C). For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

Greetings

Just been advised by Officer (b)(6), (b)(7)(C) from our Global Entry office that there are approximately four (3) lawyers outside of Global Entry asking to speak with a CBP Supervisor. They stated they have a court order to speak to a CBP Representative.

No response has been given to them yet.

In addition: MWAA appears to be moving the seating from the International Arrivals greeting area in anticipation of increased media coverage later today. Surveillance cameras show no visible increase in demonstrator numbers.

Surveillance photos to follow from Mobile device.

In my opinion that is a good idea, for Dulles to close GE operations as PHL has done to lessen exposure to the public and contract back into the FIS.

**Importance:** High

All,

Attached are two (2) tracking sheets that will help us to report to HQ:

- 1) The **FIRST** attachment is an INTERNAL SPREADSHEET that we are using to track our referrals. ARU and (b)(7)(E) Managers will be responsible for completing and submitting to the WCs.
  - a. We are responsible for tracking ALL referrals at LAX, LON, LAS, and all user fee airports (John Wayne, Ontario, etc.)
  - b. We need to account for the **TOTAL** amount of referrals encountered since the EO was issued = **CUMULATIVE**, and the **TOTAL** number of referrals between the reporting hours (**0200, 1200, 1800**) = **PERIODIC**
- 2) The **SECOND** attachment is the EXECUTIVE ORDER TRACKING SHEET. The WATCH COMMANDER will be responsible for completing and distributing to HQ.
  - a. The TOP portion is for CUMULATIVE totals
  - b. The BOTTOM portion is for PERIODIC totals
  - c. Coordinate with ARU and (b)(7)(E) Management to ensure you capture all referrals for all AORs at all airports under the FOLA

ARU and (b)(7)(E) Managers:

- 1) Work together to come up with a game plan to address the referrals. There is specific guidance as to who inspects whom. The **THIRD** attachment from Todd Hoffman addresses who gets what.
- 2) I suggest that ARU and (b)(7)(E) use the AUGMENTED ROOM (Annex) to work together. That way, the total referrals can be tracked no matter which special team vets/clears them out. It would also be beneficial for each unit to keep their own tracking sheet to record waiver requests/approvals, along with dispositions for subjects who are not seeking/granted waivers.
- 3) This situation is DYNAMIC. Be aware that changes happen rapidly, so we have to be as quick and as accurate as possible.
- 4) SO FAR, the LAX PD has been granted authority to issue **EO WAIVERS** to **RETURNING LPRs ONLY**. These will be requested via (b)(7)(E) Management.
- 5) **ALL OTHER WAIVERS MUST BE REQUESTED VIA COC WITH FINAL APPROVAL FROM THE C1 (Commissioner). This includes:**

- a. All NIVs
  - b. All IVs
  - c. Refugees
  - d. Asylees
  - e. UACs
  - f. Advance Paroles
- 6) ALL WAIVERS to the C1 must be sent to ADFO (b)(6), (b)(7)(C), and CC: the following:
- a. DFO Carlos Martel
  - b. PD (b)(6), (b)(7)(C)
  - c. APD (b)(6), (b)(7)(C)
  - d. SC (b)(6), (b)(7)(C)
  - e. ARU Managers on duty
- 7) If you have any questions...DON'T ASSUME...ASK...
- 8) If you think you can come up with a better internal tracking system, or you have a way to arrange the referrals between ARU and (b)(7)(E) that makes sense...PLEASE LET US KNOW!!! Please call me on any of my phone numbers, no matter what the time.

Thanks in advance to everyone for their effort, support, and vigilance! Also, remember that all inquiries have to be directed to (b)(6), (b)(7)(C) at (b)(6), (b)(7)(C) or (b)(6), (b)(7)(C). All Congressional Inquiries have to be sent to OCA - Phone: (b)(7)(E), Fax: (b)(7)(E), Email: (b)(7)(E)

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman (b)(6), (b)(7)(C)  
Executive Director  
Admissibility and Passenger Programs  
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department of State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded (b)(7)(E) (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will

be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please

**Subject:** URGENT: EV EO Refugee Processing Guidelines (PLEASE FOLLOW)  
**Attachments:** Copy of 30Jan-2 Feb Booking Spreadsheet Details (2).xlsx  
**Importance:** High

All,  
 Every single refugee and asylee needs to be granted a waiver before being paroled into the United States. This is true whether the refugee/asylee is returning to the U.S., or coming to the U.S. for the first time.

Our Port Director (PD) has been delegated the authority to grant waivers to the refugees listed in the attachment above, however, every refugee must still be fully (b)(7)(E) with a waiver request sent to the APDs ((b)(6), (b)(7)(C) for dissemination.

Any refugee *not* listed on the attached spreadsheet cannot be granted a waiver by the LAX PD, and an *immediate* notification must be sent to management's attention via email, since these waivers can only be granted by the C1.

Furthermore, all refugees/asylees encountered at LAX *must* be tracked and recorded, then incorporated into the Crisis Action Team's cumulative list of encounters (located in the CAT AOR).

Any questions or concerns should be brought to the immediate attention of the Section Chiefs, as well as the CAT Chief on-duty (b)(6), (b)(7)(C)

**Subject:** FW: Re-Delegation of EO Section 5 Refugee Waiver Authority  
**Importance:** High

Please see below HQs guidance that identifies refugees arriving into LAX that have been authorized travel and delegates C1 authority to you as the Port Director to grant the waivers. Prior to admission specific instructions must be completed which I have high-lighted below:

In conjunction with Secretary of State and the Secretary of Homeland Security, approx. **842 refugees (complete list attached)** have been authorized to travel to the United States from January 30<sup>th</sup> – February 2<sup>nd</sup>. These are first time entrants and thus should only arrive to the seven (7) designated POEs:

JFK  
Newark  
Miami  
Chicago  
Dulles  
**LAX**  
Houston

The Executive Order (EO) does allow for a waiver pursuant to Section 5(e) with concurrence of the Secretary of State and Secretary of Homeland Security. The Department of State has provided a copy of their concurrence concurring with a waiver **for only the 842 refugees listed in the attached**. The Secretary of Homeland Security has delegated his authority to the Commissioner of U.S. Customs and Border Protection. The Commissioner has further delegated his authority (see below) that allows the listed individuals to effectuate said waiver per Section 5(e) of the EO. The below also outlines the guidelines, systems checks etc, on how waivers should be granted:

**Today's Notable Black History Facts: National Black History Month - February 1-28, 2017**

National Black History Month – February 1-28, 2017  
Theme: “*Crisis in Black Education*”

**Black History Month**, also known as African-American History Month in America, is an annual observance in the United States, Canada, and the United Kingdom for remembrance of important people and events in the history of the African diaspora. It is celebrated annually in the U.S. and Canada in February, and in the U.K. during the month of October.

National Black History Month originated in 1915, when historian and author Dr. Carter G. Woodson founded the Association for the Study of Negro Life and History (ASALH). Dr. Woodson initiated the First Negro History Week on February 26, 1926. The month of February was chosen because it coincided with the birthday of Abraham Lincoln on February 12<sup>th</sup>, and of Frederick Douglass on February 14<sup>th</sup>, both of which dates Black communities had celebrated together since the late 19<sup>th</sup> century. The official shift from Black History Week to Black History Month, was in 1976 on the 50<sup>th</sup> anniversary of the beginning of Negro History Week, the ASALH made the shift to Black History Month. Every U.S. president since Gerald R. Ford through Barack Obama has issued a statement honoring the spirit of Black History Month.

In honor of Black History Month, the LAX-DIPC will share important facts and information about Black history each week throughout the month of February. As we recognize the history, culture, and contributions of African-Americans, I encourage you to participate in events being held in your local areas and throughout your communities. The LAX-DIPC will also host an event to celebrate Black History Month on Thursday, February 23, 2017, beginning at 11:30AM. \*Flyers will be posted at a later date.

**Today’s Notable Black History Fact(s):**

- **Carter G. Woodson** (Author/Historian) – Known as the “Father of Black History,” Carter G. Woodson was born in Buckingham County, Virginia on December 19, 1875, and was the son of former slaves, James and Eliza Woodson. Coming from a large, poor family, he could not regularly attend school. Through self-instruction, Woodson mastered the fundamentals of common school subjects by age 17. Wanting more education, Carter went to Fayette County to earn a living as a miner in the coal fields. He was able to only devote a few months each year to his schooling. Woodson contended that “*the teaching of black history was essential to ensure the physical and intellectual survival of the race within broader society.*”

- **Brown vs. Board of Education** – In 1954, Brown vs. Board of Education struck down the segregated school system in a landmark case. Desegregation was a civil rights gain, as it granted access to *all* students. However, some states and districts undermined the spirit of equal and equitable opportunity. For example, Mississippi spent \$81.66 to educate a white student compared to \$21.77 for a black student. Even the curriculum was different for white and black students.

Normal location codes (i.e. **(b)(7)(E)** **(b)(7)(E)** **(b)(7)(E)**) should continue to be used in conjunction with the new project code (see below examples for on-shift hours and overtime work tickets).

All hours associated with the E.O (on shift and overtime) need to be updated to include the Project Code **(b)(7)(E)** in **(b)(7)(E)** beginning Friday, 1/27/17 to present. All,

There has been some confusion regarding whom to refer and whom is inadmissible under the newly signed EV Executive Orders under President Trump.

Some guidance was obtained and is as follows:

- 1) Persons with dual citizenship applying as visa waiver applicants shall be treated as citizens of the country for which they present their passport. For example, if a dual citizen of Australia and Iran presents an Australian passport, that person is Australian, and only the Australian citizenship will be recognized.
- 2) Persons with VWP passports that were subject to the Miller Bill requirements, who have a valid B1/B2 USNIV because they are dual citizens or traveled to one of the seven listed countries, are admissible.
- 3) Crewmembers with C1/D visas who are nationals of the seven listed countries may not be denied landing rights, and must be processed for withdrawal or granted a waiver for admission.

Further guidance will be forthcoming. Please remember that this situation is unique and dynamic, and should you have any questions, or are unsure about the current guidelines, don't hesitate to ask.

Respectfully,

**Message from Secretary Kelly on the Executive Order on Protecting the Homeland**

**Implementing President Trump's Executive Order on Protecting the Homeland**

To all Department of Homeland Security personnel:

As you have likely seen in the news, it's been a busy weekend for DHS personnel. On Friday, President Trump signed an Executive Order to provide further guidance to DHS on enforcing our immigration laws and to suspend entry into the United States certain classes of foreign nationals in order to ensure our immigration system is working in a way that best protects the safety and security of the American public.

As we worked to implement this Executive Order, a number of court orders were issued based on lawsuits filed in the wake of the order. Upon issuance of the court orders, U.S. Customs and Border Protection (CBP) immediately began taking steps to comply with the orders and did so with professionalism.

Concurrently, the Department of Homeland Security continues to work with our partners in the Departments of Justice and State to implement President Trump's Executive Order to protect the Nation from foreign terrorist entry into the United States.

We are committed to ensuring that all individuals affected by the Executive Orders, including those affected by the court orders, are being provided all rights afforded under the law. We are also working closely with airline partners to prevent travelers who would not be granted entry under the Executive Orders from boarding international flights to the United States.

As I said over the weekend, in applying the provisions of the President's Executive Order, the entry of lawful permanent residents is in the national interest. Accordingly, absent significant derogatory information indicating a serious threat to public safety and welfare, lawful permanent resident status will be a dispositive factor in our case-by-case determinations.

We are and will continue enforcing President Trump's Executive Order humanely and with professionalism. We are and will remain in compliance with judicial orders. DHS will continue to protect the homeland.

Thank you to all the men and women on the front lines who worked to implement the President's guidance. You are a credit to your agencies and this Department.

Sincerely,

John F. Kelly  
Secretary of Homeland Security

*With honor and integrity, we will safeguard the American people, our homeland, and our values.*

**President Trump signs Executive Orders**

President Donald J. Trump signed two Executive Orders (E.O.) today that will have a direct and immediate impact on the Department's operations and mission execution.

The first E.O., Enhancing Public Safety in the Interior of the United States, sets forth the enforcement priorities DHS will use moving forward, reinstates Secure Communities and details other significant changes to federal immigration policy. Notably, President Trump has directed that all appropriate action be taken for ICE to hire 10,000 additional immigration officers.

The second E.O., Border Security and Immigration Enforcement Improvements, focuses on the Southern Border infrastructure, and addresses detention and asylum procedures, in addition to directing all appropriate action be taken for CBP to hire 5,000 border patrol agents, as well as a number of other very important issues.

You can view the [Executive Orders here](#), and I urge that all employees read them thoroughly.

More specific information on the implementation of the Executive Orders will be forthcoming shortly.

**FY 2017 Joint Awards Committee (JAC) Superior Achievement Award Information**

To NTEU Represented Bargaining Unit Employees and their Supervisors,

The time has arrived for the **FY 2017 JAC** superior achievement award nomination process. These nominations are due on a quarterly basis to your supervisor as specified in the attached memorandum. **(NOTE: DUE TO LATE ISSUANCE OF THIS MEMORANDUM THE, QUARTER 1 SUBMISSIONS WILL STILL BE ACCEPTED THROUGHOUT THE SECOND QUARTER)**

**PROCEDURES**

The Superior Achievement Award process is **automated** and can be accessed through Share Point under LAX Operations Branch (see attachment JAC Award input and approval instructions) and link below. All nominations to be input on the Awards and Recognition Form (CBP Form 80) electronically. Once the form is complete the nominator will be able to automatically forward the nomination to their first line supervisor for validation\*. Supervisors will receive an email which will notify them that an award nomination is awaiting their approval. The supervisors will be able to review the form for eligibility, electronically validate the form, and forward to the JAC committee. **If supervisors do not validate the award form and ensure that the award submitted is for superior achievement, the JAC award committee will not be able to view the nomination.** Employees must submit the award nomination to their supervisor no later than the date specified in the attached memorandum for each respective quarter.

\*Employees represented by NTEU, at their option, will be able to print a copy of their award submission for presentation to their local designated NTEU representative. **If you need a copy for this purpose, you must**

**print before you submit the award to your supervisor for validation. In addition, when employees enter their nominations please use names over hash id's.**

Award nominations that contain assertions of high achievement or the demonstration of excelled performance will receive little weight unless the nomination contains detailed factual specifics that support the assertions made in the nomination. An example of this situation would be Employee X has performed many enforcement actions and received many letters of appreciation this would receive little weight. Officer X has made 32 enforcement actions including 2 kgs. of opium and has received a letter of appreciation from Agency ABC on 10/12/15 and Agency DEF on 11/11/16 for excellent work. These are the specifics that are needed to support the assertions. Additionally, it would be beneficial if the nominations reference CBP priorities and how the superior performance has supported these CBP priorities in order for the JAC to evaluate the nomination.

The JAC will be evaluating Superior Achievement Award nominations based on the superior performance of the employee or group over the entire fiscal year. The justification for the award should indicate how the performance is ongoing and not confined only to a specific instance or of a limited duration. A single specific instance of superior performance while worthy of an award is normally considered a Special Act Award which is not under the jurisdiction of the JAC and therefore a submission of this type would not be found to be meritorious for a Superior Achievement Award unless this single act was used to support the detailed excelled performance over the entire rating period. As an example if an employee is responsible for a significant enforcement action then this would be a Special Act Award candidate but if the employee is responsible for a significant enforcement action every week or has made many referrals or many examinations every week then this could then be a Superior Achievement Award candidate.

**Supervisors** in reviewing the award nominations should ensure that **only** Superior Achievement nominations are submitted for the JAC. The form is multi use and On the Spot and Special Act award nominations do not go to the JAC but are sent through the normal chain of command. The **Supervisor is to ensure the last 4 digits of the nominated employee's SSN#** to the Superior Achievement award before routing **DIRECTLY** to the JAC committee by their due date. These nominations do **not** go through the normal chain of command. If a supervisor nominates an employee then their supervisor validates the form and then sends it to the JAC committee. The supervisor in validating the nomination does three things, ensures that the employee has a pass on their annual performance appraisal; the activities articulated are not for union activities; that the information supporting the nomination is correct, if not the supervisor needs to articulate the discrepancy in an **email to Section Chief** (b)(6), (b)(7)(C) but still submit the nomination to the JAC committee.

***\*The JAC committee will no longer accept group/team nominations. All individuals on a team will have to have their nominations submitted individually explaining the accomplishments of the nominee and demonstration of superior achievement.***

The JAC will process all Superior Achievement Award nominations for all ports under the jurisdiction of the Area Port Director of Los Angeles International Airport, including the Port of Las Vegas.

**National Mentor Month**

Ladies and Gentlemen:

Since January is “National Mentor Month” and January 19th is “National Thank A Mentor Day” I wanted to take a moment and share with you a simple but powerful resource to help make 2017 your best year! Perhaps getting a mentor was one of your New Year Resolutions? If it wasn’t – it should be! I can personally attest to the fact that having Mentors in my life have greatly benefitted me throughout my career.

For those of you who have already enrolled as a Mentee – thank you for taking the time to invest in your career. For those of you who have volunteered to serve as a Mentor – thank you for contributing to the future of CBP by sharing your knowledge with others. The Los Angeles Field Office has robust participation in the program; however there are several mentees and mentors that remain unmatched. This month is a great time to take the next step and commit to selecting a Mentor and a good time to volunteer to become a Mentor. The new Portal makes it easier to search the Mentors registered in the system. Many employees, just like you, have

begun reaching their individual goals and others have been able to share experiences while developing their leadership skills. If this sounds like something you've been looking for, I highly recommend getting started today by clicking on the link below to access CBP's Mentoring Program

Portal. (b)(7)(E)

I have dedicated a team of CBP staff to ensure that this program is successful in our Field Office. Please do not hesitate to contact (b)(6), (b)(7)(C) our Field Office Coordinator or your Port/Center level team members with any questions you may have. Complete information about the Mentor Program and who your Port/Center contacts are can be found at the Field Office SharePoint
