All,

We Created the same Location Code for use in Dallas. This can be added to all OT cards for work related to the EO.

(b)(7)(E)

This is a good time to remind all the officers that they need to complete the Seizure Exception Worksheet whenever they are working on a seizure or adverse action. Ag spec are very good at completing these forms but we do not see as many from CBPOs. Tracking actual work via CMIS codes is mandatory and very important. When these forms are not completed and turned into OSU we are not capturing all the good work that is being performed by our CBPOs.

Port Directors, APDs,

See message below.

HQ has established a project code for use in tracking expenses that pertain to the Executive Order (E.O.).

Please ensure that the project code identified below is being recorded for all E.O. activities. This will ensure that we are reimbursed for these activities, if funding becomes available.

Questions/concerns about the project code can be directed to (A)ADFO (b)(6), (b)(7)(C) Thank you.

Directors, Field Operations, and Executive Directors,

The Office of Finance has created Project code (b)(7)(E) to track CBP costs associated with Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017).

This project code is intended to capture all costs as a direct result of the E.O. that are not for work already being captured by a previously issued national project code. For example, if your office is already using a project code to track a certain activity ongoing prior to the issuance of this E.O. then you should continue to do so. However, if your office does see an increase in expenses and workload as a direct result of the E.O. then utilize this project code. **This code can be used to track both operational expenses and overtime costs associated with activity driven by the E.O.**

Please let me know if you have any questions for what should be included with this project code or have a member of your staff contact Mr. (b)(6), (b)(7)(C) of my staff. Thank you.

Houston Field Office – Area Port of Dallas – San Antonio International Airport Planned Protest  
and Possible Media Presence Outside of CBP FIS  
Sunday, January 29, 2017

**Update#4:**

- 15:30 hours- Protest group has left the area. A tour of SAT Terminal A did not reveal any of the protestors to be on site. No more international flights until 1930 hours. Update will be provided only if protestors return.

**Update #3:**

- 14:00 hours – The group now numbers 15 protesters. Local media, Univision Spanish Network, arrived, filmed the event and departed about 13:30 hours. The group is very peaceful and not engaging the arriving public, but merely holding their signs. Airport Police presence continues to monitor.

**Update #2**

- 13:00 hours – The group has grown to 11 protesters inside the terminal and the same US flag carrying protester remains curbside. Local media is taking pictures of both. The event still remains peaceful with local SAAPD monitoring.

**Update #1:**

- 12:15 hours – Three protesters against the Executive Order arrived in Terminal “A” Baggage Claim with signs about 200 feet from FIS Exit (see pictures below) and another US flag carrying pro-Executive Order protester dressed in camouflage attire arrived curbside at Terminal “A. The event by both parties remains peaceful with no encounters with CBP.

**(b)(6), (b)(7)(C)**

**Summary:**

On Sunday, January 29, 2017, information was received from the Southwest Texas Fusion Center (SWTFC) notifying all San Antonio Airport stakeholders that a local group (approximately supporters) are planning a peaceful protest of the Presidential Executive Order at noon today (12:00 CT) at the airport (no terminal designated). The postings were made on Facebook by two separate individuals.

A similar unsuccessful protest was attempted last night in the baggage area of terminal B, but the 11-15 protestors were quickly dispersed by San Antonio Airport Police (SAAPD) for lack of a City permit to gather. SAT officials believe that the protest planned for Sunday will be outside the Terminal "A" FIS exit in the baggage claim area. The group still does not have an authorized permit to gather from the City and the same results are expected as the previous attempt.

**Details:**

- 0800 hours – SWTFC notified SAT airport stakeholders that information was received regarding two Facebook postings of a planned protest at SAT.

<https://www.facebook.com/events/432285873769405??ti=ia>
- 0915 hours – SAT Chief of Operations notified CBP-SAT Port Director that the Aviation Department is concerned that today's protest may be directed at CBP and requested a spokesperson be present. He was directed to the HFO Public Affairs Liaison.
- 09:45 hours – As per the Captain of the SAAPD, "At this time, the numbers have not changed from early this morning and we are looking at approximately 16 interested in attending or actually attending. Both protests are calling for them to be peaceful. There is no information on where they plan on protesting, other than at the Airport. On the second link, they are telling them to "bring signs & loud voices."

**Impact:**

No impact at this time.

**UPDATE #1** – 1445 hours- Approximately 200 people have gathered at the Austin Airport. There continues to be no impact at this point to CBP.

On Sunday, January 29, 2017, information was received from Airport Security regarding a Facebook post trying to assemble people to stage a peaceful protest against the Presidential Executive Order at 2 P.M. (14:00 CT) at the Austin-Bergstrom International Airport.

**Details:**

- 0844 hours – Austin Airport Operations security notified PD (b)(6), (b)(7)(C) that a Facebook posting revealed that a planned protest was to take place at the Airport due to the Presidential Executive Order.

- 0945 hours – PD (b)(6), (b)(7)(C) contacted Operations Director, (b)(6), (b)(7)(C) and Security Director, (b)(6), (b)(7)(C) requesting (b)(7)(E)

Airport Security was going to allow the protesters to gather at passenger pick-up in an area that is at least 30 yards from the FIS exit. Airport Police was bringing in additional Officers that would be stationed in and around the baggage area. At this point, they are estimating 400 protesters including several news crews. The protest is planned between the hours of

1400 and 1700 hours. Our only European flight (BA) arrives at 1509 hours today. Expected media include KXAN, KVUE, KXXV, Fox 7, Spectrum News, and KUT.

Directors, Field Operations, and Executive Directors,

The Office of Finance has created Project code (b)(7)(E) to track CBP costs associated with Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017).

This project code is intended to capture all costs as a direct result of the E.O. that are not for work already being captured by a previously issued national project code. For example, if your office is already using a project code to track a certain activity ongoing prior to the issuance of this E.O. then you should continue to do so. However, if your office does see an increase in expenses and workload as a direct result of the E.O. then utilize this project code. **This code can be used to track both operational expenses and overtime costs associated with activity driven by the E.O.**

Please let me know if you have any questions for what should be included with this project code or have a member of your staff contact Mr. (b)(6), (b)(7)(C) of my staff. Thank you.

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman  
Executive Director  
Admissibility and Passenger Programs  
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, NTC-P will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded (b)(7)(E) (b)(7)(E) according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.

- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.  
 (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

Importance: High

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations  
From: Todd A. Hoffman  
Executive Director  
Admissibility and Passenger Programs  
Office of Field Operations  
Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3,

and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department of State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, NTC-P will coordinate the denial of boarding through

(b)(7)(E)

(b)(7)(E)

locations, and

(b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded in Secure Integrated Government Mainframe Access (SIGMA) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C) (b)(6), (b)(7)(C) Director, Enforcement Programs Division, at (b)(6), (b)(7)(C)
