Three LPRs this morning went through (b)(7)(E) interview and were granted a DFO waiver for admission. Don't know if those count as detentions. I didn't see the requirement to have this info in by 1100. What other times do you need them? Sorry.

MEMORANDUM FOR: Directors, Field Operations

FROM: (b)(6), (b)(7)(C)
 Deputy Executive Director, Operations (Acting)
 Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E). For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C)

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: Protecting the Nation from Foreign Terrorist Entry Into the United States

On January 27, 2017, President Donald Trump issued Executive Order: Protecting the Nation from Foreign Terrorist Entry into the United States. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). By 0500 hours (EST) daily, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E). For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

Good morning: Below and attached please find a message consolidating previous guidance, plus a summary of waiver authorities. From my read, the most significant pending change to existing policy is the request to S1 to delegate authority to DFOs for waivers currently requiring C1 approval. I'll keep you posted if that delegated authority is received today as anticipated.

Thanks for your attention, patience and perseverance.

Directors,

Here is a quick summary regarding the Executive Order:

- You have waiver authority for:
 - LPRs- still require an individualized waiver for each entry.
 - First time refugees.
 - Remaining in-scope categories – C1 approval required. Delegation request to DFOs is currently with the S1. We hope to have today.
- [REDACTED] (b)(7)(E) are doing a great job to identify in-scope travelers and deny boarding. [REDACTED] (b)(5) [REDACTED] (b)(5) We continue to push at all levels.
- Issued WD guidance based on court order.
- Crewman that are now lacking a valid visa and are determined to pose no additional concerns to the security of the United States may be detained on board the vessel, with an approved security plan, for the duration of the vessel's U.S. voyage. Crewman that pose a concern to the security of the United States should be ordered removed under safeguard pursuant to standard operating procedures. Removal requires OCC review and concurrence to ensure Court order compliance.
- C1, C2, EAC Owen, etc., continue to work through a prioritized list of Congressional calls.
- We're working with Department of State to align our EO policies and protocols with additional changes expected soon.
- We'll have FAQs posted via CBP website and a public inquiry call center established later today.

For convenience, I have also attached the previously issued guidance to Field Offices since the Executive Order:

1/30 email: court compliance on WD

1/30 email: Delegation of Authority Documentation for 842 Refugee Arrivals

1/30 email: Arrival of Central American Minors (CAM) Parolees – Jan 31 arrival

1/28 email: Waiver Routing [REDACTED] (b)(7)(E) added to routing on 1/29.

1/28: Executive Order Guidance to the Field – Signed Memo

I appreciate your efforts during this implementation. Please let me know if you have any questions. Also, the Crisis Action Team is staffed 24/7 and can be reached at [REDACTED] (b)(7)(E) or [REDACTED] (b)(7)(E) [REDACTED] (b)(7)(E)

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit

their data from the previous 24-hours to OFO Field Liaison (b)(7)(E) Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

The attached executive order is effective immediately. Because of the urgency and sensitivity, I ask that each Area PD acknowledge receipt. Thank you.

Detailed guidance is expected within the hour, including reporting requirements. In the interim, this is my summary of tonight's conference call with HQ.

Affected countries: Iran, Iraq, Syria, Libya, Sudan, Somalia, Yemen

Effective immediately, all immigrant (including refugees) and non-immigrant visas of citizens from these countries are revoked. These passengers are to be (b)(5), (b)(7)(E) if they do not agree to (b)(5), (b)(7)(E) they will be (b)(5), (b)(7)(E) if they claim credible fear, they will be processed accordingly. A/G/NATO visa holders are exempt and allowed entry.

LPRs presenting passports from these countries are included in the executive order. However, the Secretary has delegated waiver authority to DFOs to admit LPRs after undergoing a (b)(5), (b)(7)(E) (b)(5), (b)(7)(E) with proper notation of the DFO waiver in the remarks section. No LPR is to be removed.

Unaccompanied Alien Children, previously admitted refugees, previously admitted asylees, and persons with approved advanced paroles are included in the executive order. These individuals currently require a Secretary approved waiver. HQ guidance will cover the waiver procedures. HQ is requesting DFO delegated authority for these groups as well, (b)(5), (b)(7)(E) Such individuals will also be (b)(5), (b)(7)(E) with notation of the approved waiver in the remarks. Until such time that (b)(5), (b)(7)(E) we will need to hold the passengers pending Secretary approval of the waiver. These individuals will not be expeditiously removed.

At this time, these procedures are to be followed for the next 90 days. Further guidance will follow at that time.

The State Department has already cancelled all the immigrant and non-immigrant visas, and (b)(5), (b)(7)(E) (b)(5), (b)(7)(E) RCLGs are also being involved to offload individuals attempting to board.

Reporting: Eventually an automated report is expected from (b)(7)(E) but in the meantime, we will owe HQ a report each morning by 0500 hours Eastern Time. We will need the information in the SFFO by midnight Pacific Time in order to compile a consolidated FO response. Please copy (b)(6), (b)(7)(C) and I. A spreadsheet of the report fields is expected with the guidance due out soon from HQ.

Can you just send an email to the three of us asking how many projected LPRs we have for today and I can reply? I would think they would send to you realizing the DFO probably doesn't want 31 phone calls today.

OK just making sure since there are 31 LPR arrivals today. The initial guidance implied that it was a blanket waiver since we would not refuse an LPR.

We still don't have guidance beyond the summary I sent of the conference call. Please call me directly if you are seeking a waiver for an LPR.

We also don't have the report template, so if (b)(6), (b)(7)(C) and I don't hear from the ports, we will assume no encounters and assume no targeted passengers were erroneously admitted.

The attached executive order is effective immediately. Because of the urgency and sensitivity, I ask that each Area PD acknowledge receipt. Thank you.

Detailed guidance is expected within the hour, including reporting requirements. In the interim, this is my summary of tonight's conference call with HQ.

Affected countries: Iran, Iraq, Syria, Libya, Sudan, Somalia, Yemen

Effective immediately, all immigrant (including refugees) and non-immigrant visas of citizens from these countries are revoked. These passengers are to be (b)(5), (b)(7)(E) If they do not agree to (b)(5), (b)(7)(E) they will be (b)(5), (b)(7)(E) If they claim credible fear, they will be processed accordingly. A/G/NATO visa holders are exempt and allowed entry.

LPRs presenting passports from these countries are included in the executive order. However, the Secretary has delegated waiver authority to DFOs to admit LPRs after undergoing a (b)(5), (b)(7)(E) (b)(5), (b)(7)(E) with proper notation of the DFO waiver in the remarks section. No LPR is to be removed.

Unaccompanied Alien Children, previously admitted refugees, previously admitted asylees, and persons with approved advanced paroles are included in the executive order. These individuals currently require a Secretary approved waiver. HQ guidance will cover the waiver procedures. HQ is requesting DFO delegated authority for these groups as well. (b)(5), (b)(7)(E) Such individuals will also be (b)(5), (b)(7)(E) with notation of the approved waiver in the remarks. Until such time that (b)(5), (b)(7)(E) we will need to hold the passengers pending Secretary approval of the waiver. These individuals will not be expeditiously removed.

At this time, these procedures are to be followed for the next 90 days. Further guidance will follow at that time.

The State Department has already cancelled all the immigrant and non-immigrant visas, and (b)(5), (b)(7)(E) (b)(5), (b)(7)(E) RCLGs are also being involved to offload individuals attempting to board.

Reporting: Eventually an automated report is expected from (b)(7)(E) but in the meantime, we will owe HQ a report each morning by 0500 hours Eastern Time. We will need the information in the SFFO by midnight Pacific Time in order to compile a consolidated FO response. Please copy (b)(6), (b)(7)(C) and I. A spreadsheet of the report fields is expected with the guidance due out soon from HQ.

Any questions, please feel free to call me.

I can confirm that the number breakdown 'by Airport' is correct. The new numbers and a additional flight is listed below. Some are turning out to be No Boards. The breakdown of type of visa/LPR/IV/ect will take a bit of time to find out if its correct or not. Based on the numbers it appears close. With just 2 of us back here at the moment we are running all the flights and making sure (b)(7)(E) are on all needed passengers so (b)(7)(E) can get accurate counts (PPC secondary will be key to keep the most accurate count of the status of each of the 1 days that come in under the new op)

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E). For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

Hey (b)(6), (b)(7)(C) If I was to need a CBP OFO person in Seattle to answer a question like "How do I know the status of people being denied reentry to Washington because of President Trump's executive order. Are they employees of Microsoft with work visas, students, etc? ". Since this came from a state level heavy hitter our guys need to find someone to answer the question.

As you may already know, there are people calling CBP offices to voice their concerns about the Executive Order PROTECTING THE NATION FROM FOREIGN TERRORIST ENTRY INTO THE UNITED STATES. Your voice mailbox may be full of these messages. Also, you may get a live call from someone inquiring about detainees in general and whether CBP is following the law/judge's order. The calls are coming from around the country.

You may provide my office number if you have a live caller. Or, you may direct them to the following website: cbp.gov for up to date information.

This too shall pass. Thank you.

Houston, TX IAH: Individuals Entry to Sterile Area (Baggage Recheck) – 02/02/2017

Summary:

On February 2, 2017 U.S. Customs & Border Protection Officers (CBPOs) assigned to the George Bush Intercontinental Airport (IAH) were advised by a United Airlines representative that four (4) individuals later identified as immigration attorneys had gain access to FIS recheck area. The individuals made it to the United ticket counter in baggage recheck and demanded to know if refugees were being detained, their identity, and the grounds for their detention. HPD was notified and the individuals were escorted out of recheck back into the arrivals area.

Details:

On Thursday, February 2, 2017, at approximately 1150 hrs. United Airlines representative notified Baggage Control Supervisor that four (4) individuals later identified as immigration attorneys had just entered the FIS recheck area (secure area) via the exit doors. The individuals went to the ticket counter in baggage recheck and asked to speak to CBP.

The individuals (attorneys) identified themselves as refugee volunteers. The airline representative believed them to be part of International Organization for Migration (IOM) assisting with refugee processing. When the United Airlines employees realized the attorneys were not authorized to be in the sterile area they directed the attorneys to leave and notified HAS operations and CBP. HPD and HAS security were notified and arrives after the individuals had departed the recheck area.

(b)(7)(E)

Subject Information:

No subject information was obtained as there was no interaction between CBP and the individuals. Houston Police Department addressed the violations of City Ordinance and spoke directly with the parties involved.

At no time was there any breach of the FIS/Baggage control doors.
