Permission to Land Procedures

Pilots must secure permission to land by contacting CBP prior to departure from the foreign airport and at least 24 hours in advance of the anticipated arrival time at Dekalb-Peachtree Airport.

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside these parameters, previously granted permission(s) are invalid and you must contact the CBP port to re-secure permission to land.

Inspection Process

- There is no CBP office at this location.
- Aircraft should park at the FBO provided in the operator's notification.
- CBP officers will meet the aircraft on the ramp to begin inspection.
- All passengers and crew are directed to remain on the aircraft unless otherwise directed by CBP.
- All passengers and crew will be processed on the aircraft or plane-side.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- FBOs at KPDK have compliance agreements in place for the collection of regulated waste/garbage.

Special Procedures/Miscellaneous

- CBP services 3 additional airports in the Metro Atlanta area; accurate ETAs and timely updates are critical.
- There is no guarantee of service during the prescribed normal service hours. Requests will be considered in the order they are received and assessed on merit and CBP availability.
- Any requests for permission to land outside normal service hours will require Reimbursable Service Program (RSP) agreement coverage.
- Advise CBP in advance if transporting live animals, weapons, hunting trophies, or commercial imports.
- For FBO information contact the airport at (770) 936-5440.
