Dear Director Humphrey and Office (b)(6), (b)(7)(C)

I know you are likely inundated with everything that is going on -- as always, we appreciate everything you do, even in difficult times like these. I did want to note that two leaders from our community are arriving on TK 79 (Turkish) tomorrow (Monday) at 4:30pm at SFO.

They are husband and wife -- husband a US Citizen and wife a British Citizen. They are coming from India -- were there to partake in the celebrations of His Holiness' birthday that just passed. Given their nationalities and the place they are traveling from (India) aren't listed on the Executive Order -- they are still concerned, as you can imagine. I have reassured them that they should be fine.

Anything you might be able to do to ensure a smooth arrival for them would be greatly appreciated. I know this might be a tall order given everything you are dealing with at the port -- I really do understand. But, below is their information, just in case. THANK YOU SO MUCH for looking at this and considering.

We still don't have guidance beyond the summary I sent of the conference call. Please call me directly if you are seeking a waiver for an LPR.

We also don't have the report template, so if (b)(6), (b)(7)(C) and I don't hear from the ports, we will assume no encounters and assume no targeted passengers were erroneously admitted.

The attached executive order is effective immediately. Because of the urgency and sensitivity, I ask that each Area PD acknowledge receipt. Thank you.

Detailed guidance is expected within the hour, including reporting requirements. In the interim, this is my summary of tonight's conference call with HQ.

Affected countries: Iran, Iraq, Syria, Libya, Sudan, Somalia, Yemen

Effective immediately, all immigrant (including refugees) and non-immigrant visas of citizens from these countries are revoked. These passengers are to be offered withdrawal of application for admission. If they do not agree to withdrawal, they will be expeditiously removed. If they claim credible fear, they will be processed accordingly. A/G/NATO visa holders are exempt and allowed entry.

LPRs presenting passports from these countries are included in the executive order. However, the Secretary has delegated waiver authority to DFOs to admit LPRs after undergoing a (b)(7)(E) secondary where we don't have (b)(7)(E) with proper notation of the DFO waiver in the remarks section. No LPR is to be removed.

Unaccompanied Alien Children, previously admitted refugees, previously admitted asylees, and persons with approved advanced paroles are included in the executive order. These individuals currently require a Secretary approved waiver. HQ guidance will cover the waiver procedures. HQ is requesting DFO delegated authority for these groups as well, but it is not yet approved. Such individuals will also be referred for secondary exam (b)(7)(E) where teams exist), with notation of the approved waiver in the remarks. Until such time that waiver authority is delegated (if at all), we will need to hold the passengers pending Secretary approval of the waiver. These individuals will not be expeditiously removed.

At this time, these procedures are to be followed for the next 90 days. Further guidance will follow at that time.

The State Department has already cancelled all the immigrant and non-immigrant visas, and (b)(7)(E)
(b)(7)(E)

Reporting: Eventually an automated report is expected from (b)(7)(E) but in the meantime, we will owe HQ a report each morning by 0500 hours Eastern Time. We will need the information in the SFFO by midnight Pacific Time in order to compile a consolidated FO response. Please copy (b)(6), (b)(7)(C) and I. A spreadsheet of the report fields is expected with the guidance due out soon from HQ.

Any questions, please feel free to call me.

Thank you for the call. I believe this will be a good process for us to follow. Other things equal, we have few options for LPRs so lacking derogatory information or other concerns, the waiver will be appropriate in virtually all cases. Deferred inspection is always available as usual as well if we need more time/information for an admissibility decision.

Thanks to everyone for setting up our program on short notice. This has plenty of attention as you'd expect, but I'm proud of our handling of the matter

Below is the information regarding the two LPR subjects we discussed in our telephone conversation. I will advise the duty chiefs and Watch Commanders that per your guidance, absent derogatory information or unusual circumstances, we will assume your granting the admissibility waiver to those affected by the Presidential Executive Order within your delegated authority. We will also continue to send these information write ups to you as we encounter the passengers through the day. Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, NTC-P will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

Subject: FW: URGENT and Time Sensitive - pending removal at SFO in conflict with nationwide stay issued yesterday

Dear Mr. Humphrey:

I am writing to seek your immediate assistance with an Iranian family the ACLU of Northern California and AAJC - Asian Law Caucus have been consulting with at SFO since yesterday morning.

(b)(6), (b)(7)(C)

This case is time sensitive because we believe they are scheduled to be removed on the first available flight this morning—as early as at 8:55. They are the parents of an LPR who resides in the US. They have B-2 visas. They are coming to see their daughter and granddaughter for the first time in 4 years.

We believe they may have been pressured into signing papers for withdrawal of their application for admission, even though really they have no rational reason to do that since they desperately want to visit their daughter and granddaughter in the US, and they have valid visas. We believe CBP's continued actions moving forward with their removal violate the emergency stay order issued yesterday by a district court judge for the Eastern District of New York.

Thank you for your prompt attention. Please call me immediately with any questions or updates. I am available at (b)(6), (b)(7)(C)

I understand your concerns and wish we had done more to explain what was and was not happening with regards to the EO.

Effective with the temporary court order, we are not removing or withdrawing applications for admission of individuals under the EO. I have delegated authority to approve waivers for LPRs and have done so in all cases thus far. All others who are citizens of the listed countries require a waiver from our Commissioner. We now have a process in place to turn around those waivers in as little as an hour. Persons previously scheduled for departure under ER or withdrawal are being re-processed for a Commissioner waiver.

Of course, as before the EO, if an individual is determined inadmissible for independent reasons of legal sufficiency, those cases will proceed.
