Subject: EO additional information

All,

As new information is received from HQ we will pass it on to everyone so that we are all reading from the same sheet of music and performing the mission as we are expected.

Please read the below from our Acting Commissioner.

(b)(5)

Accordingly, effective immediately, U.S. Customs and Border Protection will suspend any and all actions implementing the affected sections of the Executive Order 13769 entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017). Field Offices are instructed to immediately resume inspection of travelers in accordance with standard policy and procedure.

(b)(7)(E)

Please communicate this suspension as appropriate with key stakeholders such as airlines.

We are informed that the Administration is considering options to expeditiously appeal this ruling. We will update you with further guidance as soon as it is received.

Thank you,

Kevin K. McAleenan
Acting Commissioner

THE WHITE HOUSE

WASHINGTON

February 1, 2017

MEMORANDUM TO THE ACTING SECRETARY OF STATE, THE ACTING ATTORNEY GENERAL, AND THE SECRETARY OF HOMELAND SECURITY

FROM: Donald F. McGahn II – Counsel to the President

SUBJECT: Authoritative Guidance on Executive Order Entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017)

Section 3(c) of the Executive Order entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017) suspends for 90 days the entry into the United States of certain aliens from countries referred to in section 217(a)(12) of the Immigration and Nationality Act (INA), 8 U.S.C. 1187(a)(12). Section 3(e) of the order directs the Secretary of Homeland Security, in consultation with the Secretary of State, to submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of certain foreign nationals from countries that do not provide information needed to adjudicate visas, admissions, or other benefits under the INA.

I understand that there has been reasonable uncertainty about whether those provisions apply to lawful permanent residents of the United States. Accordingly, to remove any confusion, I now clarify that Sections 3(c) and 3(e) do not apply to such individuals. Please immediately convey this interpretive guidance to all individuals responsible for the administration and implementation of the Executive Order.

Hi.

Since we last spoke, there has been a significant development in the first of the two habeas petitions filed in our district, Vageghan v. Kelly, et al., CV 17-1702. Petitioners filed an AMENDED ex parte application for a TRO today, which I can't access, and Judge (b)(6), (b)(7)(C) GRANTED THE EX PARTE APPLICATION. THE TRO IS ATTACHED. The order is directed solely with respect to this one petitioner, but may well have broader effects soon. The judge also set forth a brief schedule, and scheduled a hearing.

OIL, (b)(5)

Good afternoon CAT Team,

Senator Feinstein is asking that we answer the following questions as soon as possible:

- Before the "clarification" that LPRs were not subject to the travel ban, did DHS assert that LPRs are "arriving aliens" or "applicants for admission"?
- How many people are in custody at LAX?
- How many people are not permitted to leave LAX at this moment?

Thank you,

To follow up on your inquiry and your email last night, refugees are being referred to secondary to process exemptions/waivers to enter the country. The waivers are granted at the Director of Field Operations level in CBP. As for the ability to have contact with an attorney, they are unable to during the immigration processing per the INA (8 CFR 292.5 (b).

Again, no one is being "detained" or held at LAX. I hope this is helpful.

Hello:

We have some questions about what is going on at LAX. Can you please let us know the following,

- How many people are being detained at LAX currently?
- How many were detained for a period of 4 or more hours over the weekend?
- How many people have been deported from LAX?
- How many were admitted after the judge's ruling?

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: Protecting the Nation from Foreign Terrorist Entry Into the United States

On January 27, 2017, President Donald Trump issued Executive Order: Protecting the Nation from Foreign Terrorist Entry into the United States. It is the policy of the United States to protect its citizens from foreign nationals who intend

to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). By 0500 hours (EST) daily, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E). Reports must be submitted using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(6), (b)(7)(C). For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

Please see the message below from ERO regarding a request to ascertain the total number of non-immigrants from extreme vetting countries arriving over the weekend. PAU Officer Escobar is reviewing CBP data and will provide an update. NTC was contacted and advised that a rule was created and would apply to first time immigrants, refugees, and non-immigrants. I will provide an update as soon as I get more information.
