Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, ***without a sworn statement***. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C) (b)(6), (b)(7)(C) Director, Enforcement Programs Division, at (b)(6), (b)(7)(C)

Just a couple of quick questions related to the below messaging.

- Will this require a DFO exemption for each individual?
- Will the reporting templet be updated to reflect the refugees from the seven countries vs. non-seven countries?

Thank you,

DFOs

In conjunction with Secretary of State and the Secretary of Homeland Security, approx. 842 refugees (complete list attached) have been authorized to travel to the United States from January 30th – February 2nd. These are first time entrants and thus should only arrive to the seven (7) designated POEs:

- JFK
- Newark
- Miami
- Chicago
- Dulles
- LAX
- Houston

The Executive Order (EO) does allow for a waiver pursuant to Section 5(e) with concurrence of the Secretary of State and Secretary of Homeland Security. The Department of State has provided a copy of their concurrence concurring with a waiver **for only the 842 refugees listed in the attached**. The Secretary of Homeland Security has delegated his authority to the Commissioner of U.S. Customs and Border Protection. The Commissioner has further delegated his authority (see below) that allows the listed individuals to effectuate said waiver per Section 5(e) of the EO. The below also outlines the guidelines, systems checks etc, on how waivers should be granted:

Prior to any such admission as a first-time refugee, each such individual must be subjected to a thorough examination by an immigration officer, to include CBP conduct of: (b)(7)(E)

The Department of State has provided a copy of their concurrence concurring with a waiver **for only the 842 refugees listed in the attached**. The Secretary of Homeland Security has delegated his authority to the Commissioner of U.S. Customs and Border Protection. The Commissioner has further delegated his authority (see below) that allows the listed individuals to effectuate said waiver per Section 5(e) of the EO. Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

Subject: Revised Executive Order Reporting Guidelines

Directors,

Thank you for your outstanding support, flexibility and response over the past week in regard to the changing Executive Order (EO) reporting requirements.

The EO Crisis Action Team (CAT) is working to automate, streamline, and reduce the number of reporting periods currently required of the Field.

For today's 0500 and 1500 (EST) reports, please use the existing template and submit via email. It will not be necessary to submit a 2100 report today.

Beginning Saturday, February 4, 2017, Field Offices will only need to submit stats twice daily via SharePoint, as shown on the attached revised templates.

Guidance for use of revised templates:

The EO CAT has created a page on the Incident Management Division SharePoint site.

Beginning Saturday, February 4, 2017, reports must be submitted via the site:

(b)(7)(E)

in the "Revised EO Reporting 24 HR Period" file.

Starting Saturday, February 4, 2017, reports must be submitted via SharePoint by 0001 (EST) and 1200 (EST).

Each Field Office (FO) must submit the name(s) of FO points of contact (POC) for reporting. The POCs will be granted access to the SharePoint site. It is imperative that the spreadsheets are provided timely and accurately. POCs should ensure the date and time on the submission is modified once the information has been submitted. POC names must be forwarded to the EO CAT NLT 1300 (EST) February 3, 2017.

A consolidated "Waiver Request" file is also available via the SharePoint site. This spreadsheet has tabs for details about travelers encountered. Included is a tab for DFO/SES PD considered exceptions, Refugees, Canadian Landed Immigrants, EO affected aliens encountered without identity documents. The spreadsheet must be filled out completely, to include country of citizenship, how the subject presented themselves, the final disposition and high level bullets in the appropriate column.

For any EO waiver exceptions granted by a Director of Field Operations, Port Director, John F. Kennedy Airport or Port Director, Los Angeles International Airport, please include bullets listing the country of citizenship of the subject, how the subject presented themselves and the final disposition. If a waiver is denied, please provide an explanation.

In regards to withdrawals (WD) tab, please only report on aliens granted I-275 WD who actually depart the United States or are referred to Enforcement and Removal Operations. Do not report pending aliens, or those granted an EO exception. For each withdrawal, please include bullets regarding the reason for the withdrawal and the type of admission intended (i.e.; B1/B2, etc.).

In accordance with the February 1, 2017 White House Guidance, Sections 3(c) and 3(e) of the EO do not apply to Lawful Permanent Residents (LPR) returning to the United States. LPR information should not be captured on the spreadsheet.

Please keep in mind that the (b)(7)(E) mailbox is for internal operational use only and is not to be provided to individuals or components outside of CBP.

Specifics for each column in the revised "Revised EO Reporting 24 HR Period" template is outlined below:

- Number of non-immigrant visa encounters
 - List number of travelers from EO countries who present themselves as non-immigrants.
- Number of immigrant visa encounters
 - List number of travelers from EO countries who physically present an immigrant visa

- Canadian Landed Encounters
 - List of the number of Canadian Landed Immigrants from EO countries who present themselves for admission.
- Returning Refugees Encounters

- Undocumented Encounters
 - List the number of travelers with no documents from EO countries.
- Number of I-512 applicants impacted by E.O
 - List the number of applicants from EO countries presenting Form I-512 regardless if waiver is granted.
- Number of withdrawals granted
 - List the number of applicants from EO countries permitted to withdraw.
- Number of expedited removals
 - List the number of applicants nonimmigrants from EO countries placed in expedited removal proceedings.

CNN reports the Trump administration is easing restrictions on legal permanent residents who were initially affected by the President's executive order largely banning entry to the U.S. by citizens of seven Muslim-majority countries. After nearly a week of claiming it wouldn't change the executive order, the administration is retreating on how the order affects so-called green card holders. The seven countries affected are Iran, Iraq, Syria, Somalia, Libya, Sudan and Yemen. Airlines were briefed on some of the changes beginning on Wednesday. Details of the eased restrictions were described by a person briefed on the changes and confirmed by a senior administration official.

[Washington Examiner.com - Ryan backs Homeland Security plan to build border wall in two years](#)

Washington Examiner reports House Speaker Paul Ryan on Thursday backed DHS Secretary John Kelly's plan to finish building the wall along the U.S.-Mexico border within two years, and said Congress will authorize the funds for the project. Ryan said on Fox News that the Department of Homeland Security will get the financing to go ahead with the completion of the wall as passed in the Secure Fence Act of 2006, which authorized the building of 700 miles of barriers along the border, much of which was never built. "It's up to him, because it's really the executive branch that has to execute this policy," Ryan said. "We've already authorized this, meaning the law was passed almost 10 years ago, and then we will give the financing to Secretary Kelly to go build the wall and the border security plan."

All,

I need to clarify my previous email concerning reporting times.

For today's 1500 report only, continue using the old reporting template and send report to the Chicago Watch Commander mailbox by 1400EST. The Chicago Watch Commanders will consolidate report and submit to Headquarters.

Beginning tomorrow the report will be due to Headquarters by **0001 EST** therefore **beginning this evening** the area ports should submit their report by **2330 EST** or as soon as potential EO activity has ceased at your respective ports to the Chicago Watch Commander mailbox.

Please utilize the new spreadsheet attached, titled Revised EO Reporting 24 hr. period when submitting report this evening and all following reports.

Going forward starting tomorrow these reports should be sent to the Chicago Watch Commander twice daily, the first one by 1130 EST and the second report as soon as possible but no later than 2330 EST.

The Chicago Watch Commanders will then consolidate these reports and submit via SharePoint. Thanks and sorry if this caused any confusion.

Area Port Directors,

Effective today there have been revised reporting guidelines established. For today only the existing reporting template should be used for 1500 EO report. **The 2100 EST report is no longer required.**

Beginning Saturday, February 4, 2017, Field Offices will only need to submit stats **twice daily via SharePoint**, as shown on the attached revised templates.

Please continue sending your EO report to the Chicago Watch Commander mailbox, however starting with this evenings report due by 2330EST or as soon as potential EO activity has ceased at your respective ports utilize the new spreadsheet attached, titled Revised EO Reporting 24 hr. period.

Starting tomorrow these reports should be sent to the Chicago Watch Commander twice daily, the first one by 1130 EST and the second report as soon as possible but no later than 2330 EST.

Subject: Revised Executive Order Reporting Guidelines

Directors,

Thank you for your outstanding support, flexibility and response over the past week in regard to the changing Executive Order (EO) reporting requirements.

The EO Crisis Action Team (CAT) is working to automate, streamline, and reduce the number of reporting periods currently required of the Field.

For today's 0500 and 1500 (EST) reports, please use the existing template and submit via email. It will not be necessary to submit a 2100 report today.

Beginning Saturday, February 4, 2017, Field Offices will only need to submit stats twice daily via SharePoint, as shown on the attached revised templates.

Guidance for use of revised templates:

The EO CAT has created a page on the Incident Management Division SharePoint site.

Beginning Saturday, February 4, 2017, reports must be submitted via the site:

(b)(7)(E)

in the “Revised EO Reporting 24 HR Period” file.

Starting Saturday, February 4, 2017, reports must be submitted via SharePoint by 0001 (EST) and 1200 (EST).

Each Field Office (FO) must submit the name(s) of FO points of contact (POC) for reporting. The POCs will be granted access to the SharePoint site. It is imperative that the spreadsheets are provided timely and accurately. POCs should ensure the date and time on the submission is modified once the information has been submitted. POC names must be forwarded to the EO CAT NLT 1300 (EST) February 3, 2017.

A consolidated “Waiver Request” file is also available via the SharePoint site. This spreadsheet has tabs for details about travelers encountered. Included is a tab for DFO/SES PD considered exceptions, Refugees, Canadian Landed Immigrants, EO affected aliens encountered without identity documents. The spreadsheet must be filled out completely, to include country of citizenship, how the subject presented themselves, the final disposition and high level bullets in the appropriate column.

For any EO waiver exceptions granted by a Director of Field Operations, Port Director, John F. Kennedy Airport or Port Director, Los Angeles International Airport, please include bullets listing the country of citizenship of the subject, how the subject presented themselves and the final disposition. If a waiver is denied, please provide an explanation.

In regards to withdrawals (WD) tab, please only report on aliens granted I-275 WD who actually depart the United States or are referred to Enforcement and Removal Operations. Do not report pending aliens, or those granted an EO exception. For each withdrawal, please include bullets regarding the reason for the withdrawal and the type of admission intended (i.e.; B1/B2, etc.).

In accordance with the February 1, 2017 White House Guidance, Sections 3(c) and 3(e) of the EO do not apply to Lawful Permanent Residents (LPR) returning to the United States. LPR information should not be captured on the spreadsheet.

Please keep in mind that the (b)(7)(E) mailbox is for internal operational use only and is not to be provided to individuals or components outside of CBP.
