The notification process is in place to fulfill the daily HQ reporting requirements.

PAU will provide a daily list of individuals meeting the below criteria by 0800 each morning to supervisory staff.

During musters and regular encounters with staff, please stress the importance of remaining professional. Failure to maintain the level of professionalism expected is a violation of the Standards of Conduct and may result in appropriate disciplinary action.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.
- (5) Watch Commander notification, to include a brief synopsis of the encounter, will be required.
- (6) The charge will be 212(a)(7)(B)(i)(II), Non-immigrant without a valid visa.

Subject: Revised Executive Order Reporting Guidelines

Directors,

Thank you for your outstanding support, flexibility and response over the past week in regard to the changing Executive Order (EO) reporting requirements.

The EO Crisis Action Team (CAT) is working to automate, streamline, and reduce the number of reporting periods currently required of the Field.

For today’s 0500 and 1500 (EST) reports, please use the existing template and submit via email. It will not be necessary to submit a 2100 report today.

**Beginning Saturday, February 4, 2017, Field Offices will only need to submit stats twice daily via SharePoint, as shown on the attached revised templates.**

Guidance for use of revised templates:

The EO CAT has created a page on the Incident Management Division SharePoint site.

Beginning Saturday, February 4, 2017, reports must be submitted via the site:

(b)(7)(E)

in the “Revised EO Reporting 24 HR Period” file.

Starting Saturday, February 4, 2017, reports must be submitted via SharePoint by 0001 (EST) and 1200 (EST).

**Each Field Office (FO) must submit the name(s) of FO points of contact (POC) for reporting. The POCs will be granted access to the SharePoint site. It is imperative that the spreadsheets are provided timely and accurately. POCs should ensure the date and time on the submission is modified once the information has been submitted. POC names must be forwarded to the EO CAT NLT 1300 (EST) February 3, 2017.**

A consolidated “Waiver Request” file is also available via the SharePoint site. This spreadsheet has tabs for details about travelers encountered. Included is a tab for DFO/SES PD considered exceptions, Refugees, Canadian Landed Immigrants, EO affected aliens encountered without identity documents. The spreadsheet must be filled out completely, to include country of citizenship, how the subject presented themselves, the final disposition and high level bullets in the appropriate column.

For any EO waiver exceptions granted by a Director of Field Operations, Port Director, John F. Kennedy Airport or Port Director, Los Angeles International Airport, please include bullets listing the country of citizenship of the subject, how the subject presented themselves and the final disposition. If a waiver is denied, please provide an explanation.

In regards to withdrawals (WD) tab, please only report on aliens granted I-275 WD who actually depart the United States or are referred to Enforcement and Removal Operations. Do not report pending aliens, or those granted an EO exception. For each withdrawal, please include bullets regarding the reason for the withdrawal and the type of admission intended (i.e.; B1/B2, etc.).

In accordance with the February 1, 2017 White House Guidance, Sections 3(c) and 3(e) of the EO do not apply to Lawful Permanent Residents (LPR) returning to the United States. LPR information should not be captured on the spreadsheet.

Please keep in mind that the: (b)(7)(E) mailbox is for internal operational use only and is not to be provided to individuals or components outside of CBP.

Specifics for each column in the revised “Revised EO Reporting 24 HR Period” template is outlined below:

- Number of non-immigrant visa encounters

DFOs,

Your airports may encounter Congressional representatives today as they fly back to D.C., and some may try and meet with your airport leadership to discuss the Executive Order and how we are implementing it operationally. Unfortunately, at this time, we still do not have approved talking points from DHS, so until we do, we should not engage in any discussion with the congressional staff. We are making calls to key congressional leaders at the S1, S2, C1, C2, EAC and DEAC level, but without approved talking points for your folks to use, I do not want to place any of them in a tough position of engaging congressional members without understanding what we should and should not comment on.

Please refer any such request to OCA Assistant Commissioner Kim Lowry and the EO CAT in HQ.

Thank you.

DFO White

Just as an FYI – We will be forwarding 76 refugee exemption requests today. I wanted to send a note as this will effectively triple the number of daily exemption requests.

These exemption requests will be sent in large groupings as that is the way IOM collects and sends through the passengers for processing. IOM always collects the refugees at the gate and accompanies them through our process due to fact that they are usually first time flyers and frequently need to be farmed out in subgroups with other IOM staff after CBP processing to be taken to other terminals for their onward domestic flights. The two largest groups arrive on Emirates and Qatar – they will arrive at 1:30 - 2:30 pm so you will probably start to receive the requests around 3 or 4 pm today.

We have worked through a plan to process the refugees, send up the exemption requests and will dedicate an additional CBPO to facilitate the groups. Our first step will be to reconcile the authorized list with IOM staff onsite this morning as their list provided yesterday prior to the latest CBP memo differs a bit from the authorized list.

It usually takes 2-3 hours to process these groups after arrival under normal circumstances.

ORD anticipated below. Please let me know should you have any concerns or questions.

**OFO EXECUTIVE ITEMS:****INTERNATIONAL:****[Yahoo News.com - Dutch government ends talks with U.S. on 'pre-clearance' of airline passengers](#)**

Yahoo News reports the Dutch government said on Tuesday it had ended talks with the U.S. over allowing "pre-clearance" of passengers traveling from Amsterdam's Schiphol Airport following President Donald Trump's curbs on immigration. A Homeland Security official, speaking on condition of anonymity, confirmed the waivers, noting that the refugees were considered "in transit" and had already been cleared for resettlement before the ban took effect.

**[CTV News.ca - University of Windsor president cautions students regarding U.S. travel ban](#)**

CTV News reports the University of Windsor president is cautioning students related to a travel ban to the United States. An executive order took effect Jan. 27, banning entry into the U.S. by nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen. "We caution undergraduate, graduate students, faculty, and staff who are citizens of these seven countries against crossing the Windsor-Detroit border until otherwise notified, and remind all students holding visitor visas that a visa does not guarantee passage into the USA," says Wildeman. CBPO's have complete discretion on whether individuals are permitted entry into the U.S.

**[Marianas Variety.com - Torres commends CBP for 'hard work'](#)**

Marianas Variety reports Governor Ralph Torres has commended CBP in its effort to process passenger arrivals efficiently as much as possible even if understaffed. In a statement on Tuesday, he acknowledged the "hard work and efforts of the CBP officers" who are at the "front-lines" of the CNMI's tourism economy. "The CBP officers who work long hours and do the difficult work of protecting our borders should be commended and celebrated for their efforts. I thank them for being a productive partner to us in our tourism sector and hope to do what we can locally to enhance this important relationship," the Governor said.

**NATIONAL:****[Reuters.com - Exclusive: Trump administration to allow 872 refugees into U.S. this week - document](#)**

Reuters reports the U.S. government has granted waivers to let 872 refugees into the country this week, despite President Donald Trump's executive order on Friday temporarily banning entry of refugees from any country, according to an internal DHS document seen by Reuters. Over the weekend, non-refugee visitors from seven majority-Muslim countries also targeted in Trump's executive order were detained, deported and in some cases blocked from boarding flights to the U.S. The countries covered by the traveler ban were Iran, Iraq, Syria, Sudan, Somalia, Libya and Yemen.

**[Reuters.com - U.S. airline, travel agency shares nosedive amid immigration ban turmoil](#)**

Reuters reports the number of entrants to the U.S. directly affected by the order is relatively small, Trump administration officials said on Tuesday. Since the order, 721 travelers with visas from the seven countries were denied boarding on U.S.-bound flights, acting CBP Commissioner Kevin McAleenan said at a briefing. The department has also processed 1,060 waivers for legal permanent residents, such as green card holders, officials said.

AJOT reports the American Maritime Partnership (AMP) - the voice of the domestic maritime industry - today issued the following statement regarding CBP revocation notice that will restore American jobs by correcting

previous letters of interpretations of the Jones Act. “The men and women of the American maritime industry commend the CBP’s efforts to rightfully restore over 3,200 American jobs to the American economy and close loopholes that gave preference to foreign workers and foreign shipbuilding,” said (b)(6) Chairman of the American Maritime Partnership. “We applaud President Trump’s commitment to ‘buy American and hire American,’ and the correct and lawful interpretation of the Jones Act will ensure the preservation of American jobs and maintenance of the U.S. shipyard industrial base, both of which are critical to our economic security and national security.”

PC World reports Amazon and Expedia have submitted declarations in a federal court in Washington, claiming that a recent immigration order by U.S. President Donald Trump is disrupting their business and affecting employees. The actions by these companies come amid widespread public protests against the order, with many tech companies prominently in the opposition. The declarations were filed by Amazon and Expedia in a lawsuit in which Washington State Attorney General Bob Ferguson has asked the court to invalidate parts of the executive order for a number of reasons including that it discriminates in the issuance of immigrant visas on the basis of race, nationality, place of birth, or place of residence.

"This is not, I repeat, not a ban on Muslims," Kelly said at a news briefing with other U.S. immigration officials that comes amid protests and confusion around the world over the order and its effects as inhumane and contrary to long-standing American values.

(b)(6) flight landed around 3 o’clock Monday afternoon, but he didn’t leave customs until nearly 7:00 a.m. Tuesday. Wheelchair bound with a broken pelvis and tired after a 15-hour customs screening, (b)(6) was still full of hope and grateful to be in the U.S. for the first time. According to an emergency petition filed on his behalf, the injuries he suffered in the crash, along with his service to the U.S. and the threats made against his life all earned him a special immigrant visa.

1/31: (b)(6) with Bloomberg BNA had two questions regarding CBP’s final rule on TSCA importation. Q1: Has the effective date of the final rule been delayed until March 21? R1: Yes, the effective date of the rule was delayed until March 21, 2017. Q2: Is the electronic filing an option—but not a requirement, i.e. importers could still provide certification by paper? R1: The final rule, for which the effective date has been delayed, would allow for the filing of the TSCA certification to be either in writing or electronic.

1/26: (b)(6) saw a trade group released some advice it got from CBP about HTS changes and a dumping case that involves some changed HTS codes. Is the below right? If so, does CBP have anything more to add that he should include in his story? *ACE will accept entry lines filed with HTS numbers that are not yet in the AD/CVD case reference file HTS tab. Filing the entries as such WILL NOT create a reject. An informational message is*

all that will be sent back to the broker. It will allow entry as a type 03 **with the case number added**. If no case number is added then it will not allow a type 03 entry. (This means you will need to correct it later.) **This information was submitted out to the trade community via CSMS Message #16-000466 dated 06/07/2016**. If an issue is occurring, where a broker cannot file an entry/entry summary, it is due to either a reject for another issue on the entry/entry summary or their filing software. The broker should investigate their error messages and contact their software vendor to ask for the software validations to be relaxed to allow for the case number to be filed in conjunction with the HTS number. His deadline is tomorrow at 2 pm for a publication on 1/27, or when we have a response.

(The Border Patrol is interested in being notified of any legitimate activity occurring at or near the border). Informal interaction between IBC workers and Border Patrol Agents occur between agents in the field and IBC workers on the border incidental to each working in the same area.* 2. Is there some kind of regular administrative communication between USCBP and IBC staff? How often? How formal/informal, etc.? *There does not currently exist regular formal scheduled administrative communication between the IBC and U.S. Border Patrol in Blaine, Washington. However, the agencies are familiar enough about each other's mission, there is communication whenever one agency's work may impact the other. An example would be when the IBC is going to perform maintenance or brush clearing on the border the IBC would contact Blaine Sector and/or station leadership and let them know they will be working in the area at a particular place and time. This information would be passed down to the agents in the field so they are aware of this activity on or near the border.*

All,

See below. Read the executive order. Starting at 0500 tomorrow, all nonimmigrants and immigrants from the countries listed therein are inadmissible. LPRs may be eligible for relief from the DFO. However, we are awaiting guidance from HQ. I need the overnight shift to start sweeping flights arriving this morning. Any aliens from these countries should be detained and reported to myself and the APDs.

This is serious, I need acknowledgement from the WC and overnight sup that we are sweeping flights for these individuals. I need a list of arriving aliens from these countries seduced to land in Atlanta at least 2 hours before they get here.

State and (b)(7)(E) are working to cancel visas. However, it will likely be 3 or 4 days before all individuals from these countries are out of the air. I need you to dig down and get ahead of this. Don't fail us.

**Subject:** FW: FINAL SIGNED EO FOR ACTION

This is the executive order signed this evening by the President. It basically states that all immigrants and non-immigrant from Iraq, Iran, Sudan, Libya, Somalia, Syria, and Yemen are to be refused entry to the US.

There are exceptions to this case LPRs being one of them where S1 can authorize a waiver for the traveler. This authority for LPRs has been delegated to the DFO but requires (b)(7)(E) and a thorough narrative. Advanced paroles are also eligible for a waiver as well. As of now, if we encounter ANYONE FROM THE SEVEN COUNTRIES previously identified, we should detain them and work with APP & (b)(7)(E) to ensure we take the appropriate action.

I am awaiting formal guidance from APP later this evening that I will provide as well. There will be a reporting requirement to OPS that will be due early in the morning on the encounters.

APP and the (b)(7)(E) are available if there are additional questions and those questions should be submitted to the Field Office's Border Security Staff.

Please review the EO and be prepared to notify your WCs, Chiefs, SCBPOs, and CBPOs of the guidance as it is effective immediately.

FROM: (b)(6), (b)(7)(C)  
Deputy Executive Director, Operations (Acting)  
Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison: (b)(7)(E) Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (202) 344-(b)(7)(E) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C)

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman  
Executive Director  
Admissibility and Passenger Programs  
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) examination and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) exam should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) examination and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

**Subject:** Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"  
**Importance:** High

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman  
Executive Director

Admissibility and Passenger Programs  
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) examination and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) exam should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) examination and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)
