

**Commercial Customs Operations Advisory Committee  
Government Issue Paper  
Next Generation Facilitation Subcommittee  
Modernized Entry Processes Working Group**

**June 2024**

**U.S. Customs and  
Border Protection**

Pub# 3733-0624

**Office of Trade / Trade Policy and Programs**  
**Next Generation Facilitation Subcommittee / Modernized Entry Processes Working Group**  
**June 2024**

**Action Required:** Informational

**Background:**

- As part of the Commercial Customs Operations Advisory Committee's (COAC) work on legislative modernization under the 21st Century Customs Framework (21CCF), the Next Generation Facilitation Subcommittee submitted a recommendation that U.S. Customs and Border Protection (CBP) and the COAC evaluate a series of entry processing and modernization enhancements.
- The Modernized Entry Processes Working Group is a follow-on effort stemming from this recommendation.

**Issue:**

- CBP and the Modernized Entry Processes Working Group examine aspects of the post-release entry process. The working group provides input on enhancements and clarifications to the post-release entry process that can be affected at the regulatory, policy, or procedural levels.

**Current Status:**

- The Modernized Entry Processes Working Group provides CBP with valuable input to CBP's Broker Cybersecurity Incident Procedures published March 13, 2024.
- The working group analyzes how the guidance may impact brokers and identifies areas that need clarification.
- CBP will incorporate that analysis into their Frequently Asked Questions and may include it in updates to future versions of cyber-security incident procedures for the trade community.

**Next Steps:**

- Once the Modernization Entry Processes Working Group completes its review of the Broker Cybersecurity Incident Procedures, members will pivot to providing critical industry input on CBP's post-release tests under the National Customs Automation Program (NCAP).
- Primary discussions will focus on CBP's transition from test program to regulation for Reconciliation and Post Summary Corrections (PSC).
