Permission to Land Procedures

Pilots must secure permission to land by contacting CBP prior to departure from foreign airport and at least one hour in advance of the anticipated arrival time at Dona Ana International Jetport.

Permission to land is granted with a tolerance of (+/-) 15 minutes. If your ETA deviates outside these parameters, previously granted permission(s) are invalid and you must contact the CBP port to re-secure permission to land.

Inspection Process

- Aircraft should park inside the rectangle for CBP inspection.
- CBPO's are not on site and prior arrangements must be made in order to have an officer available to meet the aircraft on arrival.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal.

Special Procedures/Miscellaneous

- Tolerances to ETA (+/-) 15 minutes - CBP Officers will return to the port after 15 minutes of a scheduled flight no show.

NOTE: For further detailed information regarding national GA processing standards and procedures, please refer to the CBP Private Aircraft Arrival Information Document or contact GAsupport@cbp.dhs.gov
