Permission to Land Procedures

Northeast Florida Regional Airport Saint Augustine Airport (KSGJ) is designated as a "user fee airport" [19 CFR 122.1(m);19 CFR 122.15].

Pilots must secure permission to land by contacting CBP 24-72 hours prior to departure from the foreign port or place.

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside these parameters, previously granted permission(s) are invalid and you must contact the CBP port to re-secure permission to land.

Inspection Process

- Taxi off runway in front of the CBP inspection station.
- Await instructions from the CBP Officer.

Special Procedures/Miscellaneous

- Inspection services outside the hours of 1200-2000 and for Tuesdays/Wednesdays may be covered by the Port of Jacksonville or by KSGJ personnel on overtime.
- All service requests regardless of arrival date/time need to be requested in accordance with the port's permission to land procedures by contacting the KSGJ CBP Officer on duty by telephone and/or email.

NOTE: For further detailed information regarding national GA processing standards and procedures, please refer to the CBP Private Aircraft Arrival Information Document or contact GAsupport@cbp.dhs.gov
