I wanted to give you a quick summary of my work session with (b)(6), (b)(7)(C)

Together, and on his account, we walked through (b)(7)(E)

(b)(7)(E)

(b)(6), (b)(7)(C) also let me know that he requested from his supervisor, (b)(6), (b)(7)(C) that his entire team, (b)(7)(E) PAU officers, receive access to Babel. He also reached out to a couple more supervisors, (b)(6), (b)(7)(C)

I let him know that there's a limited number of seats available and that we'll need to coordinate with you on that. I also offered, especially if there will be more users at (b)(7)(E), that I spend a few hours with them as a group to work through some (b)(7)(E). This was in his response to his feedback regarding the PAU training last week and that it was not long enough.

Thoughts?

Hi (b)(6), (b)(7)(C)

All great questions and are signs that you're looking to get your Babel Black belt soon 😊

How about tomorrow morning, say around 10 am, we setup a call like last time, and we go through these one by one.

Let me know if that works and I'll send the invite.

Thanks,
