

Southwest Border Prosecutions
Laredo Sector
May 5, 2018

Objective:

- Achieve increased level of Border Security in the Laredo Sector (LRT) area of responsibility (AOR) through consistent application of all legal authorities via consequence delivery prosecution under 8 U.S.C. § 1325(a).

Key Messages: This effort is not new. Each day, those that violate our immigration laws are referred for prosecution. In order to ensure the sovereignty of our Nation and secure our borders, the Department of Justice (DOJ) and the Department of Homeland Security are maximizing their capabilities to deliver the appropriate consequences to violators. In order to break the cycle of those who seek to enter unlawfully, all amenable adults who violate 8 U.S.C. § 1325(a) will be referred for prosecution. This includes those adults who are accompanying children. We will not exempt adults who engage in this criminal activity, including those who choose to put their children in harm's way by crossing the border between the ports of entry.
