Permission to Land Procedures

Pilots must secure permission to land by contacting CBP prior to departure from the foreign port or place and at least two hours in advance of the anticipated arrival time at Yuma International Airport

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside these parameters, previously granted permission(s) are invalid and you must contact the CBP port to re-secure permission to land.

Inspection Process

- Aircraft should park on the ramp at the FIS located on the front side of the terminal.
- An officer will meet the aircraft on the ramp to begin the inspection process.
- All passengers and crew will be processed inside the FIS.
- Please be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if applicable).

Special Procedures/Miscellaneous

- Officers are on-site 7 days per week, 0800-1600.
