Permission to Land Procedures

Pilots must secure permission to land by contacting CBP prior to departure from the foreign port or place and at least one hour in advance of the anticipated arrival time at Nogales International Airport.

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside these parameters, previously granted permission(s) are invalid and you must contact the CBP port to re-secure permission to land.

Inspection Process

- Aircraft should park on the ramp at the FIS located on the east side of the terminal.
- An officer will meet the aircraft on the ramp to begin the inspection process.
- All passengers and crew will be processed inside the FIS.
- Please be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal.

Special Procedures/Miscellaneous

- An officer is on duty from 0800-1600 daily. Flight processing is available 24/7, but the Port of Entry will need to be notified at least one hour in advance by calling 520-287-1433 during business hours, or 520-375-5785 after business hours.
- If the flight has hunting rifles on board, please make certain the firearms are unloaded and safe.
- If the flight has animal trophies or game meat on board, please contact the Port of Entry to schedule an Agriculture Specialist to be present for the inspection.
- The FBO for this airport is Copper Mountain Air and they can be reached at (520) 287-9120.
