CBP-OFO-2016-062898	William F. egan	CBP seized imports of thousands of barrels of imported from China honey. Initial tests sampled from the top of the barrels showed honey syrup. Subsequent fully drawn sample proved to be pure, no antibiotic, no pesticide honey and were released to the importer, The Demeret Group. Demeret went bankrupt leaving the barrels unsaleable in warehouses in NJ. CA.FL because the US market will not but without CBP release. Case numbers 2012-1101-90008-01 and 2012-1101-90009-01. CBP-2016-061519	(b)(6)	To whom it may concern, I applied to the position of U.S. Customs and Border Protection Officer on June 21, 2016. I completed the health assessment, physical fitness test, structured interview and video based interview. I then proceeded to complete my background application packet, when I completed all required documents I submitted it to MHC. On August 23rd 2016 i received an email stating my "Suitability Non-Vet Final Notification" in which it said i was found unsuitable for this position. On this same email at the bottom it states "If you would like further information about the specifics relating to your background investigation you may submit a request under the Freedom of Information Act (FOIA). For more information on the CBP FOIA Request process, please visit http://www.cbp.gov/site-policy-notices/foia Thank you for your interest in employment with CBP." Which is why i am writing this request because i want to know the "specifics" as to why my background application was denied. I am not requesting any forms, I am requesting a thorough and precise answer as to why my application was denied. Please notify me with the answer to my question as soon as possible.	08/25/2016

Section 552, and U.S. Department of Homeland Security (DHS) regulations, 6 C.F.R 5.3, International Trade Today (ITT) makes the following requests for records. ITT seeks reports provided to the Senate Finance Committee and Ways and Means Committee regarding importer identification issues as required in the Trade Facilitation and Trade Enforcement Act of 2015. Section 116 of that law requires CBP to provide a report on various issues related to importers and customs brokers within 180 days of enactment. The bill was enacted on Feb. 24, which would have made those reports due by August 22. CBP-HRM-2016-061303	(b)(6)	I am writing to request records relating to employee disciplinary and performance evaluation processes used in evaluating the work of CBP Officers. Particularly, I am seeking records relating to how CBP evaluates officers on their work product, accuracy, interactions with foreign nationals, and application of applicable laws and regulations. Examples of relevant documents I am seeking: • All forms, procedures, and documents relating to the performance evaluation process, and any documents explaining what factors are used in assessing CBP Officer performance. For example, does reversal of an officer's denial negatively affect a performance evaluation? Does a clear misapplication of the law? Are officers assessed on volume of cases adjudicated? • Any documents explaining how factors such as the number of denials, approvals, refusals, or referrals to secondary inspection are tracked and used in the evaluation process. • Documentation explaining sufficient grounds for performance-related termination. • Documents explaining how particular officers are flagged for additional training on particular issues, and how CBP tracks whether such training has been completed. Please note, this list is not exhaustive, and is intended to demonstrate the sorts of documents I am requesting. Generally, I want to understand how CBP officers are being evaluated, promoted, terminated, etc., and what steps are taken when an officer makes a clear error in applying the law to a particular case. Please let me know if further information is needed to process this request.	08/24/2016

CBP-OT-2016-060773	Jerry P. Wiskin	On behalf of our clients, Appalachian Engineered Flooring Inc. and Appalachian Flooring Ltd. (hereinafter "Appalachian") copies of the following documents are requested: (1) Request for Internal Advice ("IA") submitted to CBP Hq by Senior Import Specialist Kristine Dodge at the port of Buffalo, NY, in connection with a prior disclosure submitted on behalf of Appalachian by letter dated 6/13/2016 and supplemented by letter submission from Appalachian's counsel dated 7/5/2016 (hereinafter "prior disclosure") addressed to the Port Directors at the ports of Champlain, NY and Detroit, MI, and assigned to SIS Dodge at the port of Buffalo for processing; (2) CBP Hq decision with respect to IA submitted by SIS Dodge, any memorandum or notes of telephone discussion between SIS Dodge and CBP Hq personnel regarding the Appalachian prior disclosure and Appalachian's assertion that it is entitled to duty-free treatment of flooring under HTSUS subheading 9802 for flooring sent to Canada for staining and varnishing and then reimported into the United States. Additionally, we request the following information: (4) any tracking or file number assigned to the request made by SIS Dodge, and (5) the name of the Customs official who responded to SIS Dodge's inquiry. Previously, a FOIA request assigned tracking number CBP-2016-0059984 seeking essentially the same information as set forth above was closed because CBP asserted that: "Request requires either a letter of representation from the client or a copy of the power of attorney allowing you to act on the clients behalf." Requested authorization letters from Appalachian are attached hereto.	08/22/2016

CBP-2016-058010	Lydia Mulvany	Dear FOIA Officer: Pursuant to the Freedom of Information Act, 5 U.S.C. Section 552 et seq. ("FOIA"), I request access to and copies of: * All correspondence and documents from Jan. 1, 2010 to present that mention the companies YZ Marine Inc., American Fisheries Inc., Tai Foong International * All correspondence and documents from Jan. 1, 2010 to present regarding imported shrimp suspected of containing antibiotic residues, and/or suspected of being transshipped ("The Records"). This request is ongoing, seeking copies of (or access to) all Records as they are filed with the CBP. I am further requesting that the Records be provided to me on computer files or, if not maintained on computer files, in the same format as they are currently maintained at the CBP. I am a reporter for Bloomberg News, an accredited and recognized news-gathering organization. I request the Records to inform the public about matters of public concern. As a representative of the news media, I am only required to pay for the direct cost of duplication after the first 100 pages. Please waive all applicable fees. In the event a fee waiver is not granted, I agree to pay reasonable fees for the Records, including actual costs up to \$200. If you estimate that actual costs will exceed this amount, please contact me so that I may make the appropriate arrangements for payment. I request that these materials be subject to expedited processing on an ongoing basis: Bloomberg News is engaged in the dissemination of information to the public and the subject matter related to this request – the safety and integrity of foods available for sale to U.S. consumers – is a matter of great public interest, debate, and urgency. I certify that my statements concerning the need for expedited processing are true and correct to the best of my knowledge and belief. Please see attached file for full letter.	08/09/2016

CBP-2016-057323	(b)(6)	The purpose of this letter is to request that you send me copies of information that pertains to background investigations of which I was the subject. In June I received a letter from the U.S. Office of Personnel Management that indicated that I should contact you regarding this matter. The page from OPM's letter that says this is enclosed. I would appreciate all of the information to which I am legally entitled that U.S. Customs & Border Protection has on file in relation to both of the background investigations of which I was the subject. According to OPM, CBP completed two investigations of me: one that was initiated on 3/5/2009, and another that was initiated on 2/3/2014, and that is more or less consistent with what I remember.	08/05/2016
