I have been traveling for 15 years almost monthly and never had any issue. I still have not have any issue but EVERYTIME I FLY NOW I GET a "RANDOM SEARCH" TRIP COMPLETED: I have applied for and received a response from TRIP homeland and they claim to have corrected any issues however, yesterday I flew and was "randomly searched" again. TSA PRE CHECK COMPLETED: I have TSA PRE CHECK and have had it for some time. Meaning I have passed background. RESPONSE FROM TRIP: According to HOMELAND there is nothing on my record. In several previous years your agency has provided me with specific data sets in PDF and more recently in Excel, of all apprehensions, by fiscal year, sector, date of apprehension, country of apprehension, year of birth, gender, and number of apprehended. We have previously had at least one data set provided showing the names, DOB, Longitude and Latitude, of those apprehended. This is part of an ongoing project to assist DHS in developing an algorithm to preplan for surge migrations along our borders from around the world. I am now requesting a complete set of the same information from FY 09 through FY 17. This will be used in our mathematical calculations and prediction models. Statistical results and graphs will be published in the 3rd edition of Border Security (Carolina Academic Press) that is upcoming in two years. Under past Presidential Administrations we were precluded from receiving the names, DOB, and specific locations of those apprehended. I would greatly appreciate having the names of the apprehended, and geo coordinates where apprehended, so that we can expand the functionality of our mathematical model. CBP-2018-050179	(b)(6)	I have been subjected to secondary screenings upon arriving US for more than 10 times since 2013. From the CBP officers, it appears that I was flagged due to a restraining order that was vacated in 2011 during my divorce. I was never arrested or charged for anything, and have a clean record with CBP. I applied for US citizenship in 2014 and Global Entry in 2017, and obtained them both without any problems. However, the humiliating and hostile secondary screenings by CBP continued, even in front of my daughter who was traveling with me. If that I strongly feel this is racial profiling and intimidation, and would like to see the record to understand why the ensuing secondary screenings on someone like me help to enhance homeland security.	4/24/2018	Improper FOIA Request for Other Reasons

CBP-2018-048458	Elliot Landreth	My law firm is currently representing (b)(6) in a matter whereby the Chinese government has claimed that (b)(6) attempted to avoid paying import duties by under-declaring the value of shipments from the U.S. to China. My client's company is AsMODus in this matter. My client faces substantial financial and civil penalties in this matter. My client claims that he declared the values properly himself, but alleges that the shipping companies either on the US end or the Chinese end changes these declarations along the way. I have been able to identify the listed ITN numbers as identifying at least some of the shipments that are critical to proving such a defense. Now, I am trying to fully discover if there was any fraud by any other company during the course of international shipping. The shipping companies themselves have provided some material, but I am trying to find out specifically and definitively what was reported to CBP. Please again review the attached Requested Document description for the above mentioned ITN numbers that I am attempting to get more information about. Thank you.	4/17/2018	Duplicate Request

CBP-2018-051510	(b)(6)	The last few times I have arrived back in the United States after foreign travel, with the last entry being Wednesday, April 25th 2018 I've been required to speak with as Customs and Border Protection Officer. Prior to entry back into the United States. On Wednesday, April 25th 2018 that officer asked if I have ever been arrested before, a long time ago. I told him yes, when I was in military I was arrested for, I think it was simple assault or public intoxication. I'm looking to find out what's in the system which is causing the delay for my re-entry back into the U.S. so that I can perhaps take action to resolve this issue in the future. Please provide all information as it relates to this situation. V/r, (b)(6)	4/27/2018	Improper FOIA Request for Other Reasons

CBP-2018-047970	(b)(6)	I was born and raised here in Michigan. I am a student at Lake Superior State University in Sault Ste. Marie in the Upper Peninsula of Michigan, finishing up my Sophomore year. My school sits right on the US/Canada border. My problem is I keep getting flagged and pulled over for secondary inspection when crossing the Canadian border back into the US. This happens even if I am not driving (parents, friends, school bus driver driving). I know it is because I answered a question incorrectly on a firearm purchase form for an antique rifle last year when I was with my Dad at a local firearm store near my hometown residence in southern Michigan, and was denied permission to buy the rifle by the ATF. I do not care about the rifle, but getting pulled over for secondary inspection EVERY time I cross the border is getting VERY old. My Friends no longer want to take me with them for dinner in Canada, or fishing on the Saint Mary's river on the Canadian side, the school is hassled and the entire class trip is delayed because I get flagged every time. When will whatever the CPB is seeing on their screens that triggers the secondary inspection stop showing up in their databases? They would not tell me specifics but said I am flagged in one of the databases they check each time anyone is coming back into the U.S. Is it a CBP database? an ATF database? a Homeland Security database? I would like to know so I can get this flag investigated and removed from my record and stop getting pulled over every time I come back to the US from Canada. Is there a statute of limitations for this sort of flag? Who do I need to contact to resolve this issue? Can I get a copy of my CBP file? Can I get a copy of my ATF file? Do I have a Homeland Security file? If I do, can I get a copy of that too?	4/16/2018	No Records

CBP-2018-047916	(b)(6)	Subject Dear Officer of Customs and Border Protection, I am permanant resident of U.S.A. Every time I enter the country , I file form 105, Report of International Transportation of Currency. I need to retrieve the record of the declaration of the currency that I made at LAX Airport,Los Angles. Recently I tried to get a loan to buy a house, but the lender ask me to provide the proof of the declaration made at the airport. I couldn't provide the proof because I was not able to get a copy of form 105. Lenders are suspicious about money laundry and refuse to lend me money based on my bank statement. I desperately hoping that you help me to find a way to retrieve the record of my declarations. I appreciate you time and help. Attached is a copy of a form 105 that once I was able to take a picture of it. Since there was no signature or official stamp on it, they didn't accept it, Best Regards.	4/16/2018	Partial Grant/Partial Denial

CBP-2018-045803	(b)(6)	Hello, I need to obtain my travel records which show my entries into US and exits from US starting from December 1 2013 up to current date (April 8th, 2018) or date when you receive this request. I need to see all the code for ports of entries, so it is clear through which ports I have entered or exited. The information I tried to pull by entering my passport on the website gave me only entries (no exits ports or dates for exits) and for many entries it gave n/a instead of port entry code. The reason I request is because my fiance who is a US citizen has applied for K1 visa for me and K2 via for my son and I am going through mobility application in court for my son asking court to let my son move with me because his father opposes the child's move to US. The lawyer of my son's father has asked my lawyer to provide such records to the court as proof of my relationship with my fiance and to show a track of locations i have visited but because information I can access is not sufficient, I am making this request here.	4/9/2018	Full Grant

CBP-2018-051347	(b)(6)	A person has stolen my identity. The person is using my name, birth date and social security number. The person has broken the law in Arizona and there is a warrant for his arrest. Every time I cross the border, I am handcuffed, fingerprinted and photographed by CBP to eventually have myself cleared to pass. I have a "redress Number" from the Dept of Homeland Security which issued it to me after I reported this problem to them and they completed their investigation (see attachment). The Redress Number is ignored by CBP because my name, birth date and SSN match that of the person who has stolen my identity. CBP officers say they must proceed to try a fingerprint match. I filed identity theft police reports with my local police department and the Phoenix, Arizona police dept. (see attachments) and the credit bureaus. CBP and the Phoenix police department will not give me any information on the person who is being sought by Phoenix police citing confidentiality. However, I am a victim here and one would think I could get this information to help resolve this matter. I want the information in the database used by CPB that causes my detainment. CBP said the it was the Phoenix police that entered the information onto the national database. I am in the process of making it clear that I am not the person that is on the database. I need the information on file so that I can proceed to clear my identity. I am a U.S. Citizen, retired. I live in my own home with my family in Corona, CA. I have never lived in any part of Arizona. The identity theft began approximately in 1976. I have dealt with unpaid debts and unpaid taxes by this person for years. I have always been able to clear my name. This issue became much more serious when I began being detained at the border whenever I cross into the U.S. (I attached the documents (3 times) to this application but the the application continues to say no documents have been attached. Hopefully they have been attached)	4/27/2018	Request Withdrawn

However, I am a victim here and one would think I could get this information to help resolve this matter. I want the information in the database used by CPB that causes my detainment. CBP said the it was the Phoenix police that entered the information onto the national database. I am in the process of making it clear that I am not the person that is on the database. I need the information on file so that I can proceed to clear my identity.	4/27/2018	Partial Grant/Partial Denial

CBP-2018-051875	(b)(6)	To Whom it May Concern: Hello, My name is (b)(6) and on Friday March 16, 2018 my Sentri card was revoked. It was taken away from me by an agent at the San Ysidro port of entry. During the incident I complied with the agents request and I was shocked on why he was taking my card from my possession. I have read the rules and regulations and I did not break any of them. I would like to have an opportunity to re-enlist in the program. The reason I need the card is to be able to visit family members more frequently. Being able to return in the US within minutes instead of hours is ideal. Today, April 30, 2018, I sat down with a California Border Patrol supervisor approximately at 8 A.M. and she was also in question on why my Sentri card was taken from me. I do not have a criminal background nor do i associate myself with people that have a criminal history. Thank you for your time and I hope to hear from you guys soon.	4/30/2018	Improper FOIA Request for Other Reasons

Would you please send me any information you have regarding her crossing in to the US, so that we can be completely transparent with USCIS in her I-485 application. CBP-2018-050988	(b)(6)	I received an email saying my NEXUS card (ID: (b)(6)) was revoked because I "no longer met the eligibility requirements." The email came 3 days after my birthday, when coincidentally the driver's license number on file with NEXUS expired. I have a new driver's license but when I login to my NEXUS account it says "No Valid Driver's License." I called the enrollment office that issued my NEXUS, they said they have "no idea why my card was revoked" that they "see some stuff in my file but can only release it through an FOIA request" which I'm doing now. I reached out to the OMBUDSMAN and they got back to me exactly 6 months to the day after my request saying "no additional information is available, we are not certain you meet the eligibility requirements." I've never been refused entry to the US, I have a perfectly clean criminal record, I live a quiet life with my wife and 3 kids, am active in my church, pay all my taxes, and regularly engage in charitable activities in my community. I would consider myself one of the safest "good guys" I know and have plenty of business and other leaders who can vouch for my character. If I crossed a line I was unaware of somewhere which caused me to lose my NEXUS card I would like to know what it was and how to fix it. Everyone I have spoken to in person or by phone at CBP seems at a loss as to why this happened, and it's distressing since I travel a lot to the US not having a NEXUS card has caused a fair bit of disruption in my travel. I went by the NEXUS office at the Montreal-Dorval airport in person yesterday to see if they could help. They said I should do what the original CBP officer suggest, submit an FOIA request, which I'm doing now. Thanks for your help in getting me the information I'm looking for. I just want to understand what I did to cause my NEXUS card to be revoked, from there I'm hoping to fix it.	4/26/2018	Partial Grant/Partial Denial

CBP-2018-044584	(b)(6)	On or about 09/11/2011, while residing in the City of Aurora, Illinois, the home where I was living at and shared with other residents, was raided by agents dressed in suits, who were looking for the nephew of the property owner, who apparently, had committed several crimes. In the raid, all the people residing in the home, including me, were asked to show documents. Everyone had theirs except me. I was living in the U.S. as an undocumented alien and only showed my Mexican Consular ID (matricula consular). I was taken in custody first to the jail in the City of Aurora and later transferred to Kane County Jail. I was never told what the charges against me were. At every single moment, several agents were trying to blame of carrying either a gun or a small bag of white powder. They were very insistent in doing so. My detention lasted between 4-5 months until I was deported to Mexico in the second week of February 2012. I was never presented before any judge. I was told that I had been processed through a camera, like a virtual trial. I never knew what was said. Never had an interpreter with me nor even had an opportunity to explain my self before a Judge. For the deportation, I was taken via air from Chicago Airport to an airport in Texas and from there, a bus picked us up and took us to Reynosa, Tamaulipas, Mexico. A document was provided to me at the time of the deportation with an A#. It was freezing cold at the time of the deportation and all I wanted was to go back to my hometown in San Juan de Los Lagos, State of Jalisco. Currently, I am married to a USC and have a child. She wants to file an immigrant visa petition on my behalf and I would like to know before she files the petition, what records are there over me that would impact my eligibility for an immigrant visa. Please provide copies of any and all records associated with this incident. Thank you.	4/4/2018	Not an Agency Record

CBP-2018-050640	(b)(6)	I want all records why I am treated as a criminal when I enter the USA. I am CEO of Foreign Angels Charities, a non profit 501c3 that performs humanitarian aid projects around the world. Every time I return to the USA I am treated like a criminal. My bags are always opened and inspected when I leave the country. When I return to USA I am always escorted to get my bags and to the bathroom and then to the back room where they look at every piece of paper I have. Instead of looking at each place where I have receipts and money filed they pull everything out and put in one pile. Now impossible for me to figure out what receipts go to what project since most are hand written by vendor with no dates and most hard to read. I live under poverty level but I only spend enough money for me to survive. All money I have I use to help people to survive with food, medicine, clothes and other basics needed for survival. I have dedicated my life to helping those that have no place to turn. I see people die because we do not have enough support to help them. After 3 weeks of great mission work I return to the country I was born in and worked my whole life, I am pulled out of line, harassed and treated as a criminal as rude officers trash my belonging leave everything scattered all over and then I have to put everything back and come home and spend 20 or more hours trying to do book work. I am CEO of Foreign Angels Charities, we have over 100,000 members in our facebook group. I am a member of Graham Country Sheriff SAR. I am on the board of directors for Safford Lions Club and Dementia Friendly Communities. I am also a member of the Gila Valley Rotary Club and International Volunteers. I am requesting any and all governmental records in order to better prepare and plan for my future options for employment. If there are any records that would tie into my judgment of character or affect my employment status. My goal is also to start the process of possibly applying for governmental, federal jobs. I realize that the criteria is more stringent and would like to do my due diligence and background research to make sure that I would be eligible for this type of employment. CBP-2018-044140	(b)(6)	Fui a mi cita en la embajada de Caracas y aunque la cita era para la nueva visa de mi hijo, mi visa B1/B2 fue REVOCADA (Como casi la totalidad de los casos aquel dia). El tema es que considero que mi caso es muy distinto ya que yo soy agente de jugadores de basketball profesional, trabajo firmando jugadores estadounidenses (en su mayoria) en ligas del area de latinoamerica en paises como: Argentina, Puerto Rico, Mexico, Republica Dominicana, Colombia, Ecuador y mi pais Venezuela. Tenia planeado asistir con mi esposa e hijo a la ORLANDO NBA SUMMER LEAGUE 2018 que es un evento al que vamos todos los agentes y nos conocemos y entablamos relaciones de negocios, pero debido a la revocacion de mi visa es ahora imposible visitar su pais, lo cual es importante para mi, ya no solo por lo turistico y las vacaciones sino por las oportunidades que pueden surgir para mi crecimiento en los negocios profesionales. Tengo mis avales de la Federacion Venezolana de Baloncesto y de la FIBA pero nada de esto fue revisado el dia de mi entrevista. La razon por la que les escribo es porque desde la embajada me han dicho que son ustedes con quienes debo comunicarme. Ademas del archivo adjunto, tengo otros documentos que soportan mi caso, el cual les enviaria en caso de ser requerido. Muchas gracias por todo y disculpa por las molestias ocasionadas.	4/2/2018	Improper FOIA Request for Other Reasons

CBP-2018-048626	(b)(6)	For individuals filing a U.S. Citizenship Application Form N-400 to obtain U.S. citizenship (naturalization), USCIS requires your entry/exit information to/from the United States for the past five years. Please I am seeking the records of my entry/exit from 05/01/2012 to 03/01/2018. I am an international flight attendant for Delta Airlines and I have been working for the past 7 years. I had many trips outside of the United States along the years working as a cabin crew. My passport has so many stamps that is being very difficult to figure out dates. The company I work for (Delta Airlines) can provide my schedule which would show me my entry/exits from the past 5 months starting at current month. Also, as a flight attendant, I do not get my passport stamped by the immigration and customs from the foreign country when I travel working. So it is very hard for me with the lack of information on my end and also the amount of international trip I work per month, provide the USCIS an accurate entry/exit information to/from the United States for the past five years to include in my application for citizenship. Therefore, I would like to ask thru this FOIA my travel records including dates of exit/entry of USA and country visited upon entry back to United States, from 05/01/2012 to 03/01/2018. Thank you.	4/18/2018	Full Grant

CBP-2018-047423	(b)(6)	Once again, because I don't know the reason my first request was deleted by FOIA. I am formally requesting the information about all my exits form the country since the US Embassy in Argentina is asking me for this information in order to confirm that I leave here in US (I leave here since 2003) and I stay here at least 5 years. I already submitted to then (the US Embassy in Argentina) but because I have Global Entry they don't have that information on my passports. Is this enough? Or do yo think that more information will be need it? Below the last comment form the US Embassy in order to get the citizenship for my daughter born in Argentina Thanks for your email. Page 6 of the DS-2029 that you submitted (on 12/18/2017) has incorrect dates listed. Please revise any incorrect dates and list them in the format starting with "from" and then "to." It is important that we are able to accurately calculate your prior physical presence in the U.S. Nothing else is required at this time other than the affidavit. The last time I crossed the CBP officer gave me the impression that I was close to my allowed limit of days in the USA. CBP-2018-047443	(b)(6)	(b)(6), my mother-in-law visited me and my family for the second time in 2016 for a stay and she departed from the U.S. soil on October 29, 2016 after receiving an authorization to extend her stay from USICS. I am requesting a FOIA about her ability to come and leave the U.S. as we're planning to make her visit us again. The main reason we're requesting this information is because numerous cases apparent to hers have raise concerns where the parent comes back to U.S. and was forced to return back to West Africa. Please provide us with the proof that my mother-in-law is safe to return to U.S. thank you!	4/13/2018	Improper FOIA Request for Other Reasons

CBP-2018-047896	(b)(6)	Good Day! My wife was ordered Expedited removal on March 26, 2018 from Chicago O Hare Airport. She was sent back to India right then and deported for 5 years. There was a miss-communication that happened when the CBP officer asked my wife if she did work when she was on H4 visa. Fact is she never worked unlawfully in this country. She started working only after she got her work authorization in 2016. This can be verified if someone looks at our joint tax filing. She was deported back to India for 5 years. The notice that was given to my wife by the CBP officer is taken away by the immigration officer in India. I want to file an appeal and want to include that notice in that appeal. Here are the details of the notice. Can you please send me the actual notice. Event Date: March 26, 2018 I have created a request before and that was cancelled saying that I don't have authorization to get my wife record. Attaching form I-590 signed by my wife authorizing me. CBP-2018-049494	(b)(6)	To all concern - I am requesting the referral list for vacancy announcement OT-IMP-10109929-JJG. This vacancy announcement was posted March 5, 2018 through March 16, 2018. I received a notice of results stating that I wasn't eligible to be referred on April 2, 2018. I consulted with the Supervisor of HR and was re-evaluated and deemed eligible on April 3, 2018 and my name was sent to the hiring officials for review. I never received a letter of my NOR with my ranking or a letter saying I was referred. I only received notice that I was eligible. I emailed the hiring center on April 9th and was replied on the same day saying my name was submitted to the hiring officials. I found out today that the interviews were already conducted and I wanted to know if I didn't get an interview because of the date my name was submitted and was it submitted timely with all the other candidates? It would be completely unfair that I didn't receive consideration because the hiring center choose not to submit my name timely and I lost the opportunity to advance where I would make a difference and where my expertise would count. Thank you for your assistance in this matter. Respectfully, (b)(6)	4/20/2018	Request Withdrawn

CBP-2018-048124	(b)(6)	I would like to know if I really can't go back to visit my daughter in the U.S. until 2019. My English is not that good - not sure if I understood officer correctly. I visited twice last year for 2.5 months as my daughter (US Citizen) had a high risk pregnancy. (1st time I visited (3/2017-5/2017) I just went to visit, I did not know my daughter was pregnant yet and that she was going to need me to visit a 2nd time the same year). I arrived on September 7, 2017 at San Francisco International Airport the second time and I was taken to secondary questioning. I tried to explain why I visited again 4 months later. I think the CBP agent told me I can't come back until 2019 because I visited too much in 2017. I would like to know what is written in my file as my grandson is now 5 months old and I would like to visit this summer for a month but not if the officer at the border sends me back home. If I can't go back until 2019 then I will wait until then. Please send me the info from my file. Thank you very much for your time	4/16/2018	No Records

I simply need it broken down by month for each year available (I have found data from 2009-2018, but if there are earlier years of UAC data, this would be most welcome as well). CBP-2018-046201	(b)(6)	On May 19, 2017, I boarded flight number Air Berlin 7481 from JFK to Duesseldorf, Germany. I left my I-94 with the airline before boarding the plane. On July 21, 2016 my husband's and my asylum case was approved and the I-94 I handed over to the airline personnel was the I-94 I got issued when our asylum case was approved. As it says on the back of the form that you are required to hand the form over before leaving the U.S., this is what I did. We are currently applying for adjustment of status and our attorneys advised that I should not have handed over the I-94. I am therefore trying to retrieve my I-94 to be able to apply for a renewed work authorization as well as adjustment of status. I hope that the FOIA will help me to retrieve my asylum I-94 to proceed with the above mentioned applications. Thanks you!	4/10/2018	Full Grant

CBP-2018-050186	(b)(6)	Every single time I travel out of the country and come back into the US and use the automated passport Kiosk i ALWAYS get an X on my paper and have to go through extra security measures including extra bag checks, asking personal information as to where i live and to give my address and where do i work and my work address. Then they question me and ask why i am traveling alone and i tell them i am not traveling alone then they say well then where are your friends and i tell them well my friends didnt get an X on their form so they went about their way. Then they ask well why didnt your friends wait for you and I respond I dont know Im a grown 37 year old woman and they are tired of waiting every time i do get pulled. I filled out my Redress information and have provided it when i book my flights and I still get pulled and harassed, and every time I ask why or for at least an explanation they just tell me they have no idea and that its random. I WAS PART OF GROUP OF UNDOCUMENTED ALIENS TRYING TO ENTER THE UNITED STATES, GUIDED BY A COYOTE. I NEVER KNEW EXACTLY WHERE I WAS SINCE IT WAS MY FIRST TIME THERE. I ONLY REMEMBER THAT WE WALKED NON-STOP FOR ALMOST TWO HOURS AND WE WERE SPOTTED BY BORDER PATROL AGENTS, WHO DETAINED US ALL, PLACED US IN THE BACK OF A CBP TRUCK, TRANSPORTED, DETAINED FOR ABOUT 2 HOURS AND LATER RELEASED BACK TO NOGALES, SONORA, MEXICO. I BELIEVE I WAS FINGERPRINTED AND PHOTOGRAPHED. NO PAPERWORK WAS PROVIDED TO ME AT THE TIME OF THE INCIDENT AND I HAVE NO REFERENCE OR CASE NUMBER I CAN BE ASSOCIATED WITH. THE RECORDS I AM REQUESTING WILL BE PRESENTED BEFORE THE U.S. CONSULATE GENERAL IN TIJUANA, MEXICO DURING MY NON-IMMIGRANT VISA INTERVIEW. THANK YOU.	4/17/2018	No Records

ON OR ABOUT OCTOBER 2007, I WAS DRIVING THROUGH DOWNTOWN TIJUANA MEXICO WHEN I TOOK THE WRONG LANE AND ENDED DRIVING TOWARDS THE SAN YSIDRO PORT OF ENTRY. Essentially I want to see what dates I entered the USA, and what dates I left the USA, between 2015-2018. I do not need a paper copy- just email is sufficient (but if a paper copy is required, that is fine with me). Thank you!	4/30/2018	Improper FOIA Request for Other Reasons

CBP-2018-045757	(b)(6)	Apr. 7/18. Re: FOIA Inquiry On Dec. 27/17 I was refused entry into the U.S. via the Ambassador Bridge. I was told by CBP that "an anonymous person had contacted them, informing them that I had told this anonymous person that I was working in the U.S., being paid for said work & BRAGGING ABOUT SAME". I returned to Windsor, ON & obtained financial documents from my bank, before then visiting the Windsor Police Dept. & Canadian Customs to inquire what else I could do to support my case (proving these accusations were NOT true) as well as to ascertain if I could return to U.S. Customs immediately. When I was told that I could return immediately, I did so, only to be refused entry into the U.S. yet again. However, this time I was given a list of documents which I needed to submit to CBP before they would proceed any further with my request to enter the U.S.. I then returned to Windsor, ON a second time, incurring the cost of a motel room in order to begin the laborious & time-consuming task of compiling & printing hard copies of the above documents. The following day, I returned to U.S. Customs, submitting the requested documents. It was only after reviewing these documents that they finally allowed me entry into the U.S., thus permitting me to proceed with my annual vacation & the long drive to Phoenix, AZ.. In the "USCBP Inspection of Electronic Devices" information sheet, which I was given, it states, "IF you are subject to inspection, you should expect to be treated in a courteous, dignified, and professional manner." In my case, nothing could be further from the truth! I was not only treated terribly, being ordered around like an animal but it took several HOURS before anyone would finally tell me why I was being detained. At one point I was ordered into a back room with two officers & told to "fess up", threatening to deny me entry into the U.S. for up to five years. This entire ordeal has been a nightmare!	4/9/2018	Partial Grant/Partial Denial

CBP-2018-044653	(b)(6)	Dear CBP member, I'm actually not requesting records so much as sharing a concern about the records I found. I've just recently printed out my I-94 with a record of departures and arrivals, and I saw that my latest departure (from NY) is recorded to be on 10/24/2017. That day was when I was supposed to have left for my visit in Ecuador, but the flight got indefinitely postponed and then finally cancelled. By the time they rescheduled, I had decided to return home in Jersey and did so. Does the record mean that I've departed the country (even though I haven't)!?? I did not pass through the gate to board the plane or anything either, and even made sure that I would use the plane ticket for the next flight--at the desk by the gate. Would you please let me know if this may be of a problem? And if so, how to fix it? All best wishes, (b)(6)	4/4/2018	Improper FOIA Request for Other Reasons

CBP-2018-046427	(b)(6)	I entered the United States on November 25, 1998, with a valid tourist visa. After entering the United States I overstayed my visa, which I regret. Since that time, I have lost my passport and all my identification documents in a fire in my apartment at 1 Clover Street, Newark, N.J., in 2004. I replaced my Brazilian passport but did not take any steps to get a replacement I-94 or any other documents. Now, my son who is a U.S. citizen has filed paperwork to help me get a green card, but U.S. Citizenship and Immigration Services has asked me for evidence of my lawful entry into the U.S. in 1998. Therefore I respectfully request that CBP provide me a copy of the I-94 issued to me at the time of my entry November 25, 1998. Thank you for your time.	4/10/2018	No Records

CBP-2018-049459	Ms. Tal Kopan	Dear FOIA officer: Pursuant to the Federal Freedom of Information Act, 5 U.S.C. § 552 (the "Act"), Cable News Network, Inc. ("CNN") requests access to CBP data on apprehensions and inadmissibles at the Southwest border by sector and nationality. Specifically, I am requesting a monthly breakdown of apprehensions and inadmissibles at the Southwest border, divided by sector, then further divided by nationality. I would like this data for the time period starting January 1, 2017 through the date the FOIA data pull is able to be completed. This end date is meant to not exclude data that accrues in the time it takes to act on this FOIA request. These specific requests are not intended to exclude relevant records that may come up as relevant to the topics above but not explicitly stated. CNN agrees to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$500. Please notify me prior to your incurring any expenses in excess of that amount. If CNN's request is denied in whole or part, we ask that you justify all deletions by reference to the specific exemptions of the Act. CNN will also expect you to release all segregable portions of otherwise exempt material. CNN reserves the right to appeal your decision to withhold any information. If you have questions regarding this request, please contact me as soon as possible by email (tal.kopan@cnn.com) or phone (202-772-2718). CBP-2018-048582	(b)(6)	On 10/5/2017, I flew from Frankfurt, Germany to Seattle, Washington, on flight Lufthansa LH 1285. In the Frankfurt airport Duty Free shops, I purchased one (1) 780g tin of Bavarian sausages. I voluntarily declared the sausages upon arrival at SEA-TAC airport. After showing the tin to the CBP agent, he asked me to go through the Agriculture additional screen queue "just to make sure"; which I did. I showed the tin to the staff in the Agriculture screening area. Staff told me I was free to go, and I could keep the tin. Since this trip, I have returned to the USA four (4) times, 1x at a land crossing (Canada) and 3x by air. I have been required to go through additional Agriculture screening each time. I have not been informed why I am now required to go through additional Agricultural screening whenever I return to the USA. I don't think I have ever been flagged for Agricultural screening before November 2017. If I am now being flagged because of the sausage tin, I don't understand why I was cleared at that time and told to keep the tin. CBP agents told me that the only way to find out why there is a flag on my passport is by filing a FOIA request. I travel regularly for work, so I would be grateful to understand the situation further and clear it up. Thank you.	4/17/2018	Partial Grant/Partial Denial

CBP-2018-050791	Paul Sonne	To Whom It May Concern: This is a request under the Freedom of Information Act. Secretary of Defense Jim Mattis said in an April 12, 2018 testimony to the House Armed Services Committee that he may approve construction of a barrier along the Barry Goldwater bombing range on the border with Mexico in Arizona to protect people from endangering themselves by wandering into the range. I request any and all information that Customs and Border Protection possesses documenting that migrants or any other non-military personnel suffered injuries as a result of U.S. military activities while crossing through the Barry Goldwater bombing range at any point in the past ten years. In order to help to determine my status to assess fees, you should know that I am a representative of the news media affiliated with the The Washington Post, and this request is made as part of news gathering and not for a commercial use. I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest. The U.S. military is potentially funding construction of a barrier along the Barry Goldwater range as a result of these stated security concerns, and it is in the interest of the American public to know what those concerns entail to determine whether this money is being properly used. I request that you return any and all documents to me via email at paul.sonne@washpost.com. Thank you for your consideration of this request. CBP-2018-050147	(b)(6)	I am a US citizen and I am petitioning for my mother to come to the US who is currently living in Trinidad. On may 2008 my mom was denied entry at jfk airport due to she overstayed her visa previously. Most like the exact date was 5/09/2008 or 05/10/2008. In order for me to complete USCIS form i130 accurately and true I need to know what exactly happened that day. Her passport was taken from her by officials at jfk and she returned to Trinidad with no form of ID. What I'm asking is for the records as to determine if she was deported or just denied entry. Was my mom in immigration proceedings and if yes what type of proceedings? Was she placed in expedited removal? This information is necessary in determining my mother's current immigration status and key to my petition. Please provide me with her file. THIS IS A RECORD REQUEST UNDER FOIA. Thank you for any assistance in obtaining this information.	4/23/2018	Partial Grant/Partial Denial

He states the data he is requesting was available to the public until 2004 or 2006 (see correspondence under responsive records). I am looking for monthly data for the number of Border Patrol agents who are working on the southwest border and also for the total number of Border Patrol agents nationally, also on a monthly basis. So far I have found data on Border Patrol staff for each fiscal year starting in 1992 and going up to the 2017 fiscal year but these are only annual data and I wish to have monthly data. I already am able to get the annual data from the website https://www.cbp.gov/sites/default/files/assets/documents/2017-Dec/BP%20Staffing%20FY1992-FY2017.pdf These annual data come in under the table title: Unit4d States Border Patrol Border Patrol Agent Staffing by Fiscal Year Southwest Border Sector I also get the annual national data in the same way I get southwest border sector data. So now I am looking for monthly data. That's my only request. I am prepared to pay for the copies you make for me. Thanks so much for your help. I am interest in building an econometric model of illegal alien apprehensions. The data I have request would be included in the model, but I would have other explanatory variables in addition. I am a retired professor and before that I was an economist at the Federal Reserve Bank of Dallas. Even though I am now retired, I still build econometric models to test the effects of policy decisions, just as I did at the Fed and later as a professor. I do not know why you would require my date of birth, but it is noted above, so I note that it is (b)(6).	4/23/2018	Full Grant
