CBP-2019-014689	(b)(6)	I have been stopped at the border while re-entering the United States multiple times. Even after I have been screened for, and passed, the Global Entry requirements. The agents stare at their computer screens aimlessly and then other agents tear my luggage apart and sloppily put it back together. Alternatively, I have been able to use the "Mobile Passport" app to pass through customs without problems. This seems like an incredibly ineffective screening process. The border patrol agents seem lazy and ineffective. My time has been wasted for the benefit of nobody but the agencies' funding. I would like a full explanation of why I am being singled out during the screening process.	12/3/2018	Records Not Reasonably Described

If there is something on my record that is causing my travel disruptions, I need to know immediately how to resolve the issue. If there is nothing conspicuous on my record, then I will need to pursue the issue. Even after receiving Global Entry status, I was detained twice while returning back into the United States through Chicago (O' Hare). This is unreasonable.	12/3/2018	Partial Grant/Partial Denial

CBP-2019-015199	(b)(6)	On September 26th, 2017, in written testimony delivered to the House Committee on Homeland Security, Subcommittee on Transportation and Protective Security hearing, CBP Office of Field Operations Executive Assistant Commissioner Todd Owen informed Congress that in the between October 1st 2016, and September 7, 2017, the CBP's Tactical Terrorism Response Teams (TTRT) had denied entry into the United States of 1,400 individuals. The testimony notes that TTRT officers are stationed in nearly twice the number of airports as were operating a year earlier. I seek records on TTRT, including but not limited to: -A list of all POEs where TTRT is located, including the date when TTRT teams began operating in that POE and whether there are currently TTRT officers at the POE. -The total number of people denied entry by TTRT officials or following a TTRT intervention in each POE where TTRT operates, broken down by year for each year since TTRT was formed. -A breakdown of whether those detained and, separately, those refused entry by TTRT were listed on the Terrorist Screening Database or not listed on the Terrorist Screening Database -A breakdown of the number of people denied entry by TTRT teams who had previously been granted permission to enter the US, broken down by year for each year since TTRT was formed. -A breakdown of the immigration status (i.e., kind of visa or travel document), of all people denied entry by TTRT teams, broken down by year for each year since TTRT was formed. -A breakdown of national origin and/or citizenship of all people denied entry by TTRT teams, broken down by year for each year since TTRT was formed. -A breakdown of the reasons that that people were denied entry by TTRT, including the number of people denied entry for each reason, broken down by year for each year since TTRT was formed.	12/4/2018	Partial Grant/Partial Denial

CBP-2019-015220	(b)(6)	<p>Greetings...</p> <p>I had an interview to obtain my Permanent Residence at the United States Consulate located in Ciudad Juarez, Mexico. My son made a request to go live in the United States with him. At the time of the interview, the migration agent found that I had an arrest at the port of entry. That day my husband and I entered the United States by car. We were arrested because my husband was found a false identification, and therefore my husband was deported to Mexico.</p> <p>The officer said that I would be released immediately because I was not criminal because he was my husband and that same day I was released and went on my way to Los Angeles. After that incident, I kept going to work in the United States without problems or detention. Of course, with my Work Permit ((b)(6)).</p> <p>The migration agent proceeded with my case and questioned me about the detention I had that day and I explained everything that is written above, so he asked me for a Judicial Report and Resolution of the incident. That is why through this letter I ask for a FOIA record.</p> <p>Thank you.</p>	12/4/2018	No Records

CBP-2019-015287	(b)(6)	I filed for Global Entry and was denied. I'm born in the US, native english speaker, two degrees from MIT, business person job creator, by the book tax payer, and not an infraction to my name - I barely have a traffic ticket or two and never even a car accident in my 25+ years of driving :) My parents were born in East Africa - but came to this country legally, obtained higher degrees here in the US, naturally citizens for 30+ years, and have been lawful citizen (never an infraction of any type), good honest people as well. Its hard not to feel like the denial is a function of my last name or the fact that I'm Muslim. I certainly hope not and that the denial was an honest mistake or oversight. I travel for leisure and occasionally for business and would indeed enjoy the benefits of having Global Entry and pre-TSA clearance. I had the interview which was quite unremarkable and I never had any indication or thought any questions raised would have had concern. I'm more than happy to speak by phone or have another interview - I have nothing to hide and certain that I'm not a risk. Appreciate you providing information about why the request was denied -and look forward to remedying asap.	12/4/2018	Not an Agency Record

Another "entry date" (of 09/29/2006) appears on his OBIM FOIA response, though the same document says there was only one DHS apprehension. The OBIM clerk stated to me, "most likely, your client was originally printed in 2001 and that may have been when the record was first established in IDENT. Then there may have been an update that added the derogatory info in 2006. There doesn't appear to be any activity with the subject at that time but rather a system update to enhance info for the existing record." CBP-2019-016157	(b)(6)	I have been receiving a CBP seal for my SIDA badge since 2008. In 2017 my CBP seal application was denied and I was informed I was dishonest about my criminal history. I requested thru a FOIA report the records that were used to determine this and I received a 36 year NCIC background with no convictions and arrests that weren't mine). I work for the city of Phoenix aviation department and I was informed by my manager at the time((b)(6)) that CBP is responsible for running my background every year. So I am requesting the backgrounds for years 2008 thru 2016 when my CBP seal was issued to see what has changed in my background or if its been compromised. I have been informed by the city of Phoenix that I have to get the backgrounds from CBP. (b)(6) at Sky Harbor CBP should be able to help produce these records. CBP-2019-016170	(b)(6)	I am looking into any type of sex trafficking I was involved in with my family from 1994 to 1999. I was involved with the Freemason crime syndicate and was trafficked for several years. I am unsure if I was involved in a rape murder case as a child. I cannot remember too much from my past. I have been under surveillance for quite a while due to my family collection. I was trafficked as a Snow White due to complexion and hair. I would often travel to 16130 Pocono La Puente, CA 91744 after school and my family would arrange a date with a John for me out of the yellow pages. I'm unsure which Christmas or Hanukkah season they would pimp me out. I think I called 911 on a very obese child rapist and murder and was supposed to go to the funeral. I was examined and this was put on my records. I was paid to sit on men's laps and have anal sex with them for money and presents. CBP-2019-016243	Ashley S Ham Pong	Dear Sir/Madam, I am submitting this CBP FOIA request in regards to (b)(6) (DOB: (b)(6)). In support of this request, please find attached: â€¢-28	12/10/2018	Records Not Reasonably Described
CBP-2019-016244	(b)(6)	Global Entry: (b)(6) expires 27 Aug 2023 Passport: (b)(6) expires 17 Aug 2020 I acquired a Global Entry known traveler identification on or about October 2017 and have used it without issue after being issued for international travel. On Wed Sep 5, 2018 at 17:04:25 (image attached) I was taken to a holding room, contained for ~30 minutes, then passport returned to my possession and allowed to leave. Again in October 2018 the same issue occurred with a X printed across my Global Entry Customs Form...the CBP Officer did not say anything on the October reentry into the USA nor was I detained like September 2018. The officer indicated if a X appears again to contact a local Global Entry Office. I have not traveled internationally to see if this "happens again", however I would like to know why this is occurring. Another CBP Officer agent indicated that Nexus, Global Entry, Passports, and other "known traveler" identification numbers are not the same (meaning someone else could have a Nexus Card that is identical to my passport number...and if the third party reports THEIR card lost, that number will hit my passport and/or my Global Entry Card for secondary review? All of these scenarios are speculation, however, if there is some issue I would like to know what it is and how to remove the X from my reentry. It is a waste of my time and CBP Officers, plus arriving from longer international flights and layovers I do like to grab food or freshen up at the airport lounges that I have paid for (wasting time not being able to use the lounge facilities). Thank you.	12/10/2018	Partial Grant/Partial Denial

CBP-2019-016576	(b)(6)	I'm a member of the Global Entry program. However, on 12/10/18, as I was entering the US, the customs agent told me my membership showed as 'revoked' in the system and recommended I got in contact with you. I'm contacting you to request the information why this happened and to see if I can correct this situation through the ombudsman, as indicated by the help line. The help line also indicated there is no fee attached to this type of request? My membership Number/PASSID is (b)(6). I don't know what type of records I should request because I don't know what caused this change in the status of my membership. In the TTP website I got the revoked notification on 12/8/18. All I can think of is when I got across on the night of 12/7/18 as a pedestrian (not SENTRI lane), an apple I took from my apartment in El Paso (which I forgot about) had to be disposed at the check point. Hence the type of record I chose.	12/11/2018	No Records

CBP-2019-016649	(b)(6)	<p>I have recently applied for the positions of CBPO and BPA twice. The first time I went through the whole hiring process, I did not pass the background investigation. Someone came out to interview me to go over my E-QIP and everything seemed to have went well. A few weeks later I received an email.</p> <p>There were 3 problems that were found in my investigation and I was given the opportunity to appeal those problems to prove I was suitable for the job. Even after I appealed my cases, I was still found unsuitable. I tried contacting through email and phone different entities as to why I was still found unsuitable but was never given an answer. I reapplied a second time just 2 months ago to both positions and I was told today 11/15/2018, that I was found unsuitable again with no explanation in accordance to a background investigation. However, I also was not contacted to meet with someone again to go over my E-QIP.</p> <p>I am requesting two things please. One is a copy of the full background investigation that was conducted on me almost 6 months ago I believe. The other, if possible, is detailed explanation as to why I am still being found unsuitable for the job and what I have to change with my future applications. I appreciated being given the opportunity to appeal the problems found in my investigation, and I believe I had no control of 2 of the 3 problems found.</p> <p>I would like to keep reapplying but I am not sure what else to do if all I will receive is an email saying I am still unsuitable. I would like to know what needs to be done on my end to eventually be found suitable for the job. Thank you.</p>	12/11/2018	Duplicate Request

At PEK, I went through security with no issues. Once it was time to board, the attendant scanned my boarding pass and indicated I was selected for a "random" screening. CBP-2019-017095	(b)(6)	<p>To Whom It May Concern,</p> <p>On October 17, 2018 I submitted an "Entries and Exits" Request with FOIA. I spoke this morning with Warren at the FOIA Help Desk (970.494.5506). Using my original Tracking Number of CBP-2019-004316, he was able to reference my file and determined that my request was denied because I did not have my date of birth. I am now re-submitting.</p> <p>I am applying for Canadian Citizenship. My application process is almost complete. However, I received a letter back from Canadian Immigration asking me to request an FOIA Search. Please refer to page #8 of the 11-page PDF that I have attached to this request. I believe the reason they are asking for this, is regarding the dates that I was required to list whenever I traveled outside of Canada. Those dates and destinations can be found on pages #10 and #11 of the attachment. The Cover Letter (page #1) will explain what I have already provided the Immigration Department, except for this FOIA Search. Please disregard item #2 where I said I could not access the web site. As you can see, I was able to do so. Thank you very much for your help.</p> <p>Respectfully, (b)(6)</p>	12/12/2018	Full Grant

CBP-2019-017161	(b)(6)	On December 7, 2018 at around 23:30 hrs. I attempted to cross the border in my vehicle with my Sentri pass #(b)(6), through the San Ysidro port of entry, and was sent to secondary inspection for what appeared to be a routine inspection as I've gone through before. After about a half hour of processing by the CBP officer my card was confiscated and I was told that per their procedures they could not disclose any information about the reason, all they said is that there was a note on the system indicating to retain my Sentri pass. They then told me that I needed to speak to a supervisor the following day about getting it back. When I attempted calling to make an appointment with the supervisor on the following Monday December 10, 2018, I was told that a supervisor would not be able to help me and I would have to write to the Ombudsman in order to get an answer about revoking my Sentri privileges. I've learned since then that in order to write to the Ombudsman I would need to gather and provide information that can demonstrate the revocation was based on inaccurate information. I've never received a previous warning nor I had done nothing wrong, nor had I violated any of the rules in regards to my Sentri privileges. By way of this petition I am asking for help to obtain a copy of my personal records with the cited agency. I am aware that being granted Sentri is a privilege and not a right, however, not knowing a reason for the revocation doesn't give me the opportunity to know if the decision was taken with accurate information.	12/12/2018	Partial Grant/Partial Denial

By way of this petition I am asking for help to obtain a copy of my personal records with the cited agency. The CBP agent who interviewed me at SF International Airport was seen entering information into the system regarding my interaction with him. I've reason to believe that he may have entered false and unjustified information based on his irate reaction to my request to him to speak up so I could understand his instructions. My wife even told him that we were having problems understanding him partly because our ears were plugged.	12/13/2018	Partial Grant/Partial Denial

CBP-2019-017465	(b)(6)	Good afternoon, my name is (b)(6) and I am requesting a criminal report on myself regarding a situation I am facing. Recently I applied and was hired at a detention center in Dilley, TX. Along the requirements needed for the job, was passing a criminal background check which included finger printing and a search of local, state, and national records and finger printing files. I was cleared for everything, however I received a call back from the job position stating that the finger prints did not complete the pre-employment requirements due to an incident that happened two years ago regarding border patrol. My mom and I were on our way to San Antonio, I was in the backseat and her friend was in the passenger seat. We were stopped at the checkpoint, and it turned out that the man with us did not have papers. They brought us in for questioning, we signed some paperwork, and they took our finger prints. After being there for about a few hours they released my mom and I with a fair warning and no charges, but the man stayed behind and got sent back to his country. Now, because of this, it is affecting my situation with my new job since it was only a warning but it's still showing up as a criminal charge on my background check. I have been seeking answers everywhere, and everything led me up to this site. If it is possible. as it is concerning. Please get back to me when you get the chance, as it is truly concerning, thank you for your time!	12/13/2018	Improper FOIA Request for Other Reasons

CBP-2019-017477	(b)(6)	In November 2015 I applied for SENTRI benefits in San Luis, Az along with my family but I was denied. I was never given an explanation as to why other than a list of options which indicated I had a problem with the law. I would like to know exactly what these inhibitors are because I have never been convicted of any offenses. I even went to the courthouse and asked for a copy of my records and there was nothing. I was only arrested once before for a DUI which resulted in no charges because the cop never showed up in court all of which I informed CBP of in my application. I only want the opportunity to show that I am a law abiding citizen with a full time job and a family who only wants the opportunity to travel more leisurely. CBP-2019-017571	Javier Espinoza	This request is being made in view of the fact that we represent (b)(6) (DOB: (b)(6)) (Detention date: 06/11/2018) regarding his wrongful deportation claim. (b)(6) is a U.S. Citizen, born in Los Angeles, California, has a valid social security number, and a valid U.S. passport. (b)(6) claims he was detained by a Border Patrol agent somewhere between the CVS Pharmacy at 12835 Potranco Rd., San Antonio, Texas 78251 and the H-E-B Grocery Store at 10718 Potranco Rd., San Antonio, Texas 78251 on June 11, 2018. According to (b)(6), the incident occurred when he was walking along Potranco Rd. and detained by a Border Patrol agent. The agent transported (b)(6) to the Cotulla, Texas station where he was held overnight, then transported to Laredo, Texas the following morning. On June 12, 2018 (the day after the initial encounter), although (b)(6) claims he informed the agents repeatedly that he was a U.S. Citizen, his claims were ignored, and (b)(6) was deported by U.S. Immigration and Customs Enforcement to Nuevo Laredo, Tamaulipas, Mexico. After (b)(6) was deported to Mexico, he was abducted by a Mexican cartel. It was not until several days later, and with the assistance of the FBI, that (b)(6) was finally returned to the U.S. and to his family. As a result of the incident, (b)(6) has suffered tremendous mental anguish that manifests in nightmares, anxiety, and other problems. We have attached a document reviewing the facts above and specifying the documents that we request. Additionally, we have attached signed form G-28.	12/14/2018	No Records

CBP-2019-017585	(b)(6)	In response to instructions from CBP Field Office in Houston, we are requesting copies of the photos that were take during the CBP/USDA inspection of the shipments arrived under Entry (b)(6), issued EAN Serial (b)(6), Dated 12/13/2018. We are requesting these copies, on behalf of importer Danieli Corporation, as we understand from the discussions with the Houston Field Office that there are claims of presence of live insects on the wood packaging that arrived on the shipment. This is contrary to the survey reports and treatment certifications that are currently in hand for the shipment, which indicate no insect activity was ever found or notated on the packaging prior to its export to the US. Cargo was urgently needed in the support of the administration's push to rebuild the steel and aluminum industry, so we need to confirm the presence to justify the delay in delivery to the metal manufacturer needing these machines for their production lines. We confirm that we have valid power of attorney to act as Danieli Corporation's customs house broker and issue this request in their interest.	12/14/2018	Full Grant

CBP-2019-017766	(b)(6)	Dear Madam/Sir: You had a letter from Congressman Nadler's office emphasizing the urgency of my travel plans, and someone at the DOS recklessly failed to scan it or send it to D.C. As far as I was told, D.C. did not approve the same day printing of my passport and I need to know exactly why? Does this premonish further discriminatory treatment at the border when traveling abroad or coming back home? All because of having a "common name"? I need an exact explanation as to why anything associated with immigration or passports us ALWAYS delayed after establishing almost a full decade of records in my country. I suspect that my former "birth name" (b)(6) has something to do with it because I was told so without further explanation many years ago at JFK. Above all, I need assurances that these unduly dilatory measures will come to an END once and for all and ALL FLAGS that are obstructing my rights as a citizen with equal rights under the law be removed after a candid explanation.	12/17/2018	Improper FOIA Request for Other Reasons

CBP-2019-017800	(b)(6)	<p>I am in the process of obtaining my Concealed Carry Handgun License. Upon submitting my application, I received a letter requesting: "Final Disposition with documentation as to whether the final charge was a felony or misdemeanor" OR, "A letter of reference from the County Sheriff, Prosecuting Attorney, or Circuit Judge of the county in which I currently reside."</p> <p>Unfortunately, after contacting the County Sheriff's office in which I reside for a letter of reference, they made me aware that I needed to have in hand my Final Disposition in order for a letter of reference to be written.</p> <p>The Final Disposition is for: October 29, 1996 - McAllen, TX. Customs Border Protection Station.</p> <p>Although I never went to jail, I did attend court in McAllen, Texas, in which I plead "Guilty to smuggling aliens" which happened in Falfurrias, Texas. I received five (5) years of "Unsupervised Probation" and once concluding court, I was told that the situation could increase if I broke the law once again. I had no court fees or fines to pay regarding this court session.</p> <p>I have currently lived in Northwest Arkansas for 23 years and have become a United States Citizen in September, 2005. I am a law abiding citizen who desires a safer avenue for my family and I during times when our environment can become unsafe. Furthermore, I own a cattle farm and my only means of working my farm is at night when it is dark. Having a Concealed Carry Handgun License will help significantly in this matter since my location is acres of farm land.</p> <p>The Arkansas State Police, located in Little Rock, is only giving me a 30 day extension as of 12/13/2018. My original concealed carry class took place in February, 2018 and I was contacted by the Arkansas State Police October, 2018. I find their current extension very generous considering the circumstances and time-frame.</p> <p>Any documentation regarding the 1996 Final Disposition will be greatly appreciated.</p>	12/17/2018	No Records

CBP-2019-018125	(b)(6)	On or around August 31, 2006 the IHS and the Forest County Potawatomi Health & Wellness Center, located in Crandon, Wisconsin entered into an Alternate Care Agreement to provide managed care services to 111 individuals enrolled in the Sokaogon Chippewa Tribe, also from Crandon, Wisconsin. I am a new employee for the Sokaogon Chippewa Purchased Referred Care Program, and I am unable to locate any information that provides guidance for the core set of preventative care and chronic disease management services that the Sokaogon Members were entitled to receive through this agreement. I am seeking to obtain a copy of the Alternate Care Agreement to verify the services and length of time the healthcare services are available for our Sokaogon Chippewa Tribal members. It is my belief this agreement has not been made available to our Tribal members as promised. I have reached out to the IHS Area Bemidji Office, and they are looking into the agreement. However, because the agreement was between Forest County Potawatomi and the IHS, they are unable to provide me with any details. I have been advised to formally request a copy of the Alternate Care Agreement through the FOIA. CBP-2019-018223	(b)(6)	I recently applied for Trusted Traveler Program acceptance (Nexus). My PASSID # is: (b)(6). I received Conditional Approval Notification on November 30, 2018. I then scheduled and attended an in-person interview at the Fort Erie border crossing on Saturday December 8, 2018 at 9:30am. My meetings with the Canadian authorities went smoothly, however, the US customs agent that I met with seemed to have concern with the fact that I manage staff that reside in the US, and am responsible for the hiring and firing of these staff. At the same time, the agent seemed very unsure of herself, and admitted that she was not very knowledgeable in the specific rules that may apply. She conveyed to me that she felt that my application would be accepted but for her own comfort she wanted to have a supervisor review my file. She assured me that a supervisor would be in the following Monday and I would receive a call from them very early in the week. The entire week passed and I did not hear anything. Just this morning I checked the online status of my application and noticed that it had been denied. I have received no other notice or explanation of the denial. I am requesting access to all of the documents available to me through my rights under FOI so that I can better understand this decision.	12/18/2018	No Records

CBP-2019-018312	(b)(6)	I was previously part of the global entry program for five years, when I renewed it, I was approved and then suddenly it was revoked with no previous notice. I realized it was revoked as I was returning to the US in September 2018. I had not received a letter or any information as to specifically why it was revoked. I emailed CBP VC and they answered I did not meet the requirements and named six reasons that do not apply to me, unless it is the first one where there is information missing and I believe it could be a confusion in the name. CBP-2019-018367	(b)(6)	To: Cargo Security, Carriers and Restricted Merchandise Branch. This constitutes a formal request under the Freedom of Information Act ("FOIA"), 5 U.S.C. Â§Â§ 552, et seq., and the Department of Homeland Security's ("DHS") implementing regulations, 6 C.F.R. Â§Â§ 5.1, et seq. This FOIA request seeks copies of all documents relating to all requests for letter rulings received between July 24, 2018 and December 18, 2018 by U.S. Customs and Border Protection ("CBP") that request a 19 C.F.R. Â§4.80b(b) determination of whether certain proposed blending operations would result in the creation of new and different products within the meaning of 19 C.F.R. Â§ 4.80b(a), such that the proposed transportation by non-coastwise-qualified vessels in each of the letter ruling requests would not be a violation of 46 U.S.C. Â§ 55102. This FOIA request includes, but is not limited to, letter ruling requests that cite CBP's March 6, 2014 letter ruling (HQ H249067), which held that certain proposed blending operations result in the creation of a new and different product within the meaning of 19 C.F.R. Â§ 4.80b(a), such that the proposed transportation by non-coastwise-qualified vessels is not a violation of 46 U.S.C. Â§ 55102 (collectively, the "Requested Documents"). I believe CBP has custody of the Requested Documents. If CBP does not have custody, I request prompt notice of their current location. I believe these documents are available to me and to other members of the public. However, should CBP deny any portion of this FOIA request and determine the Requested Documents or any discrete part of the Requested Documents are protected from disclosure under the enumerated exemptions to FOIA, 5 U.S.C. Â§ 552(b), or under DHS implementing regulations, see, e.g., 6 C.F.R. Â§ 5.8, I request a detailed statement of the reasons for the denial. Pursuant to DHS implementing regulations, I will pay reasonable charges above U.S. \$25, upon notice of any estimated overages.	12/18/2018	No Records

CBP-2019-018448	(b)(6)	Dear Sir or Madam At the request of a border entry officer in Atlanta, I submitted an application an application for the Global Entry program (Global Entry Program Membership #(b)(6)). However, I have received the notification attached that I do not meet eligibility requirements. Could you please confirm which of the requirements I do not meet? I ask because I work for the Belgian subsidiary of a US organisation and make regular visits to the United States in order to facilitate the sales of US-made products in other parts of the world - and am keen to ensure that I am able to continue to collaborate with my management and colleagues in Cleveland (OH) and Milwaukee (WI). To my knowledge, I completed my application correctly - including the provision of the UK Home office access code required for UK citizens. Is there anything about which I should be aware prior to submitting a fresh application? Clearly if there is anything in my profile which could have an adverse impact on the commercial goals of my employer then it would be helpful to know so that we can take appropriate corrective action. CBP-2019-018476	(b)(6)	Hi there. I need a detailed travel history dating back to 2011. I entered the US on 29 August 2011, left on 5 May 2012, entered on 8 May 2012, left 10 August 2012 via rainbow bridge to Canada, entered 15 August 2012 via rainbow bridge, left 6 September 2013, arrived 24 October 2016, left 8 August 2017, arrived 31 August 2017, and left 17 December 2017. This is quite an urgent matter as I require a full travel history for a visa application. It is the last piece of information requested by the Canadian Embassy for my work permit application. I worry that if the if the information takes too long, I will not be granted my visa for Canada. The embassy have personally requested the information, but have had no response since September 2018. I've now taken it upon myself to try and obtain my travel records. Your help would very much be appreciated. Many thanks!	12/19/2018	Full Grant

CBP-2019-018498	(b)(6)	I am unsure if I can enter the US, for how long, and would like to avoid detention when entering US territory. I am a Canadian citizen who has held a green card and lived in the US from 2000 to 2008. This green card expired a few weeks before I left to Canada for university. My move to Canada was certain before the green card expiry, I was a minor, my parent and American guardian saw to my legal paperwork, I had no knowledge of this transgression, I had no plans to live or work in the US in the future, I voluntarily left to Canada, I voluntarily handed over my green card to CBP. The US CBP Office at Derby Line, VT, should have all of this information on file. I have entered the US twice since 2008 but with significant problems. I was allowed in because the CBP agents deemed that the information I provided was adequate. The first time, I believe in 2014, I entered after answering a few questions. The second time, in 2015, I received a stamp into my passport indicating that I was let in on humanitarian grounds for 3 months. I contacted CBP and other departments numerous times after the last incident occurred. I was last being processed by General Inquiries Manager (b)(6) on 08/14/2015, Reference #(b)(6), with no resolution. I need to finally solve this long-standing issue because it is now significantly interfering with my career. I have a contract on a private yacht that requires me to be able to enter US territorial waters. The vessel would be held up for hours on my account, costing my client thousands of dollars in expenses and I would lose all my contracts. Please, tell me what is on my file and if anything can be amended so that I do not experience these problems and destroy my career. I have attached the passport I entered twice on and my current passport. I no longer have any US documents because I lawfully returned everything when requested to do so. If possible, please tell me who I can contact to solve this problem. Thank you, (b)(6)	12/19/2018	Partial Grant/Partial Denial

CBP-2019-018636	(b)(6)	Good afternoon, my name is (b)(6) and I am requesting a criminal report on myself regarding a situation I am facing. Recently I applied and was hired at a detention center in Dilley, TX. Along the requirements needed for the job, was passing a criminal background check which included finger printing and a search of local, state, and national records and finger printing files. I was cleared for everything, however I received a call back from the job position stating that the finger prints did not complete the pre-employment requirements due to an incident that happened two years ago regarding border patrol. My mom and I were on our way to San Antonio, I was in the backseat and her friend was in the passenger seat. We were stopped at the checkpoint, and it turned out that the man with us did not have papers. They brought us in for questioning, we signed some paperwork, and they took our finger prints. After being there for about a few hours they released my mom and I with a fair warning and no charges, but the man stayed behind and got sent back to his country. Now, because of this, it is affecting my situation with my new job since it was only a warning but it's still showing up as a criminal charge on my background check. I have been seeking answers everywhere, and everything led me up to this site. If it is possible, as it is concerning. Please get back to me when you get the chance, as it is truly concerning, thank you for your time! DOB: (b)(6)	12/19/2018	Partial Grant/Partial Denial

Traveled on Continental or American Airlines from Houston, TX to Tegulcigalpa, Honduras. CBP-2019-019274	(b)(6)	Request the reason(s) for revocation of my Global Entry and repeated flagging for secondary upon reentry into the United States from travel abroad. I travel abroad frequently for business and this is/was a regular occurrence for some years now. In each case, the CDP officer interviews me, asking normal questions about our healthcare business and my recent travel, then tells me I'm free to go. This has caused me to miss connecting flights, or inconvenience those waiting for my arrival, and is puzzling, as I am a 22-year military veteran that once had a TS clearance, the CEO of an international company, was clear for Global Entry at one time, and I am unaware of any activity that would cause me to be repeatedly flagged. CBP-2019-019341	(b)(6)	<p>Good Day,</p> <p>I am wondering if you could provide me with information on my current eligibility to enter the USA and the steps I would need to take to do this. My family underwent Voluntary Departure in 2010 (I was a dependent of my father at the time). I reentered the USA in Jan 2011 after being granted a waiver to finish my studies and left again before my visa was expired.</p> <p>I went to the border last year and they informed me that I would need to get a waiver to reenter the USA, and seemed to indicate I may have a bar against my name.</p> <p>As per my lawyer's email copied below, this should not be the case:</p> <p>Section 212(a)(9)(B)(i)(I) of the INA provides special consideration for individuals like your daughters who were unlawfully present in the United States for less than one year and left after having been granted voluntary departure by the Immigration Court. These individuals are not subject to the three-year bar.</p> <p>You should know however that persons applying for entry must prove to the United States Customs and Border Protection Officer (USCBP) that they are otherwise eligible for admission. Frequently USCBP will refuse entry based only on a suspicion that the traveler may not abide by the terms of their admission if they have been a previous violator. It is my sense that this is the problem they are encountering, it is not because of a three-year bar.</p> <p>I have attached to this message a United States Department of State Cable (14 pages) that was issued to all Visa Posts concerning this matter. Please refer to Part 31. Voluntary Departure and the special rules concerning it. I highly recommend that your daughters have this information and the previous letters we provided with them when they travel.</p>	12/21/2018	Records Not Reasonably Described

Now I need to find out whether I am actually being flagged, or if it was just a scare tactic. I need to know of any records exist out there on me, in case it is screwing me over when applying for jobs. The only thing concrete I can think of, is that I had 2, handmade Chicago Cubs carvings that were confiscated from me in 2015. Even though it was not what MLB cared about, since it wasn't mass produced. One of the undercover cops who perpetrated the act was from Homeland Security. Thank you, and have a nice day! CBP-2019-019688	(b)(6)	Would like to please request any and all documentation relevant to DHS' decision on 11/30/2018 to deny my waiver of ineligibility, in light of the US Embassy/CBP's (in London, UK and USA) decision to recommend granting waiver of ineligibility. Please send all relevant documents, communications, correspondences, records, and transmissions. The reason for asking is because I'd like to understand the reasoning and justification, and potentially appeal the decision if I have sufficient grounds to do so. I also believe gaining access to these documents is important for the public interest because the public has an interest in knowing how such decisions are made. Traveling to USA is essential and currently do not have any foresight into when and how I will be able to ever travel from UK to USA, since I disclosed I am not eligible for visa waiver program. See attached letter from DHS/CBP/US Embassy explaining that I am denied, but not explaining why.	12/27/2018	Records Not Reasonably Described

CBP-2019-020014	(b)(6)	On December 20, 2018, I was refused final processing at pre-clearance in Dublin. I was not spoken to until after my flight left while other passengers arriving to secondary inspection before and after me were being processed, and then told by an officer that I had two US refusals of entry. I only ever had one, in March 2018, and I lived in the US from 1999 to 2000. An officer claimed I had a refusal before 2017 whereas I had not set foot anywhere on the North American soil from 2000 until 2017. I had an I94 with me to prove it and I have my old passports to prove it but the officer did not care to look. The US embassy in Zagreb issued me a new travel visa in December 2018, also confirming there were no two refusals. I want a clear access to my CBP records as I have proof that this fictional refusal never happened but I want to see if there is incorrect information about me in the agency's records that is giving CBP officers the wrong idea. I have been accused of something that never happened, the proof of which I have in my files and the proof of which the US embassy in Zagreb can confirm. However, the CBP officers have the wrong idea and are treating me incorrectly because of it.	12/31/2018	Improper FOIA Request for Other Reasons

We are a 501(c)(3) organization and our EIN number is 47-1670063. FSD's mission is to protect the fragile Sonoran Desert ecosystem through scientific research, advocacy, and education of the public. Most of our efforts have been devoted to working with federal agencies, including Borders and Customs Protection, on how to implement border security measures that present the lowest risk to the land and wildlife of the Sonoran Desert. We therefore request: 1. All documents and records within possession or control of the Department of Defense, whether hard copy or electronic, including memos, letters, calendars, notes of phone conversations, pictures, videos and other recordings, related to the development of the request for placement of concertina wire at the U.S./Mexico border; 2. All documents and records, whether hard copy or electronic, as described above, related to the placement of concertina wire at the U.S./Mexico border, including location data; 3. All documents and records, as described above, whether hard copy or electronic, related to measures implemented to mitigate harm to wildlife that encounter the concertina wire; 4. All documents and records, as described above, whether hard copy or electronic, related to plans for expansion of concertina wire at the U.S./Mexico border; and 5.
