CBP-2018-035409	Mr. John J Rooney	Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. Â§ 552, FAIR hereby requests that CBP produce the number of TN and TD visas they issued or processed for entry into the United States. Specifically, 1) How many TN and TD-1 visa/classification entries into the United States did CBP issue to Canadian citizens for each fiscal year from 2008 through the first quarter of 2018? 2) How many TN and TD-2 visas did CBP process for Mexicans citizens to enter the United States for each fiscal year from 2008 through the first quarter of 2018? I write on behalf of my client the Federation for American Immigration Reform (FAIR), a national, nonprofit public interest, membership organization of concerned Americans who share a common belief that our nationâ€™s immigration policies must be reformed to serve the national interest. The North American Free Trade Agreement (NAFTA) created special economic and trade relationships for the United States, Canada and Mexico. The TN nonimmigrant classification permits qualified Canadian and Mexican citizens to seek temporary entry into the United States to engage in business activities at a professional level. A TN visa workerâ€™s spouse and children (unmarried children under the age of 21) may also accompany the visa worker under a TD visa status, TD-1 for Canadian spouses and children and TD-2 for Mexican spouses and children.	3/1/2018	Full Grant

They are sometimes unsure of my records and have said to me a number of times its because I have a pending ESTA. I want to know if this is the case and any other records pertaining to my entry into the US so I can try clear it up so I can speed up my time at immigration? I had a Green Card and then canceled as I couldn't be in the country for 6 months each year. I then applied for an ESTA but had it denied as I had a rejected visa around 2003 in the UK when my employer sent to immigration applying for the wrong Visa type. CBP-2018-036272	(b)(6)	I would like a record of an encounter at the CBP border crossing inspection at San Luis, Arizona. I believe the date to be either 2007 or 2008. I never went before a judge, and was dismissed at his discretion through statements both mine and from the violator. After that unfortunate event, I wrote to Washington D.C. expressing harassment due to being sent to secondary inspection every time I crossed the border. I was being treated as if I had been the criminal. Washington D.C. responded via mail with a letter to my address in Mexico, as that was my address at time of encounter. It stated that I should no longer have that problem, which I didn't. I would cross with that letter for a couple of months until I believed I no longer needed it. I never got sent to secondary inspection for that reason again. I was currently denied SENTRI and I believe this is the only reason it could be so. 10 years have passed and I have misplaced that letter. Would it be possible to have any record of that letter or information thereof? Thank you in advance for your time.	3/6/2018	Improper FOIA Request for Other Reasons

For example, my I-94 says that my most recent date of entry is January 07, 2016. This is correct. But my travel history includes some entry/exit records in December, 2016, which certainly are not mine. There are more records in 2014 and 2015 that are not mine, either. I called CBP and was kindly advised by CBP officers to request a FOIA for my travel history, which will exclude all those records that are not mine. So please check my travel history and send me a copy of it (email preferred but mail is also fine). Thank you in advance! Sincerely, (b)(6)	3/7/2018	Full Grant

CBP-2018-037024	Ms. Kathryn Honecker	I request documents containing information relating to any guidance or information the agency has issued to importers, manufacturers, retailers, trade associations, industry members, or the public concerning the agency's interpretation of 19 CFR 141.89 as it relates to advertising claims to consumers about cotton fabric thread count. The face of the regulation requires import invoices concerning cotton to report the number of threads per inch and to calculate that number by including each ply within a thread. Most bedding companies calculate thread count for bedding using the standard method established by ASTM 3775, which specifies counting a thread as one thread regardless of whether the thread is comprised of multiple plies (e.g., one-ply vs. two-ply thread). However, at least one company claims that 19 CFR 141.89 requires it to also include each ply (i.e., to double the ASTM thread count other manufacturers use for 2-ply bedding, thereby creating an advantage in perceived thread count for bedding with the same thread count). We would like to see any documents that CBP has that will explain why it asks importers to report each ply in each thread during the Customs process. We suspect that the reason for doing so is simply to have a detailed basis for the tariff and not to dictate how cotton products are to be advertised to consumers in the marketplace. I have the HTSUS document. Thank you in advance for your assistance, and please let me know if you have any questions about this request.	3/7/2018	Full Grant

CBP-2018-037111	(b)(6)	My daughter entered the US border in Detroit, MI, through a flight from China on 3/1/2018. However, her passport was not stamped by the U.S. custom and there was no record can show her entry into the U.S. Right now we are adding her to our health insurance policy outside a regular annual enrollment window (since she was out of the state last year and we did not add her at that time), and the insurance company required us to show her entry record to the U.S. so she can be enrolled in our health insurance right now. I am a freelance journalist and researcher working for multiple outlets, with a proven track record of publishing (for example: https://warisboring.com/the-pentagon-doesn-t-know-how-many-civilians-it-has-killed-in-iraq-and-syria-535f6f3032ce#.d66r5d55t) or supporting publication (see: https://medium.com/defiant/wondering-what-u-s-spy-agencies-think-of-donald-trump-105cfb8bbf7d#.t2dtnixy3). In January 2018, reports emerged in the media that U.S. military special operations forces and Customs and Border Protection units had conducted a three-week series of tests to see whether or not they could breach or scale prototypes sections for a proposed new wall along the US-Mexico border (See: https://www.federaltimes.com/acquisition/2018/01/19/border-wall-models-thwart-us-commandos-in-tests/#.WmJv-XBBSV8.twitter). I am looking to obtain a copy of any final report or similar records regarding objectives, parameters, and outcomes of that test program. If an exemption applies, however, please consider exercising the agency's discretionary release powers to disclose the records. Additionally, please release all reasonably segregable portions of the records that do not meet an exemption. I am also willing and would prefer to receive any release in an electronic format. Thanks in advance, Joseph Trevithick	3/9/2018	Partial Grant/Partial Denial

CBP-2018-038012	(b)(6)	I am a citizen of the United States of American and every time I enter the country, CBP stops me for additional screening/questions. I recently applied for Global Entry and was denied and the only explanation given was: Other YOU DO NOT MEET THE STRICT STANDARD FOR THE TTP AT THIS TIME. I do not understand. The only encountered that I have ever had with them was that I traveled February 2017 with a 1 way to the Dominican Republic with my aunt because my grandmother died. When I got back, 4-5 days later, CBP stopped me for screening. After literally questioning me for an hour, they told me that I they pulled me over because I travelled with a 1 way and passport expiring within 6 months. Again, my grandmother died and I needed to get to the Dominican Republic as soon as possible and I did not know when I bought the flight how long I was staying there for and my aunt was definitely going to stay there longer than I did since it was her mother. Therefore, regardless, I was going to buy the airline tickets in seperate reservations. They mentioned that I raised red flags for travelling on a 1 way with passport expiring within 6 months. Since then, I have been stopped by CBP every single time and is NOT fair. As a result, I applied for both TSA PreCheck (which I was approved) and Global Entry (denied). I want to know why I keep getting stopped by CBP and why I was denied. Other than that, I was detained for driving with a suspended license, which I had no idea it was suspended. I got a speeding ticket in the state of CT or MA some time ago. I paid it, but the state NEVER advised NYS that it was paid so my license was suspended. Upon a routine checkpoint, I was detained, taken to the precinct. They called Washington, verified everything was good and I was released within an hour. I then went to court and it was expunged. Other than that, I have never been arrested or had any encounter with the law.	3/12/2018	Not an Agency Record

CBP-2018-038139	Ms. Erin Siegal McIntyre	I would like to request all records that were released following litigation in case No. CV-15-00247-PHX-JJT, "AMERICAN CIVIL LIBERTIES UNION OF ARIZONA v. UNITED STATES DEPARTMENT OF HOMELAND SECURITY OFFICE FOR CIVIL RIGHTS AND CIVIL LIBERTIES." The plaintiffs describe of the case and records on their website (https://www.acluaz.org/en/cases/aclu-arizona-aclu-san-diego-imperial-counties-v-dhs) as follows: "For years, advocates have documented persistent allegations of child abuse by Department of Homeland Security officials, in particular, Border Patrol agents holding children in their custody. In June 2014, at the height of the unprecedented migration of unaccompanied children entering the United States, the ACLU filed an administrative complaint with DHS documenting 116 allegations of child abuse. Although high-ranking officials initially conceded that there were problems that needed investigation, DHS subsequently shut down all investigations. In December 2014, the ACLU filed a Freedom of Information Act request with DHS, seeking any and all records pertaining to allegations of child abuse or other mistreatment. The agency failed to timely respond to the FOIA request. With Cooley LLP and the ACLU of San Diego, we filed a federal lawsuit to compel DHS to search for and turn over those documents. Since the filing of the lawsuit, the government has identified roughly 60,000 pages of potentially responsive records and production of those records is ongoing. The government has been ordered to complete its production of responsive records by July 8, 2016."	3/12/2018	Not an Agency Record

After 30 minutes or so and finding no contraband, they decided to revoke the drivers Sentri pass and mine too! I visited the USA consulate in the same day they said me I have to be in touch with them by email after i sent an email I got the answer that I cant use this visa anymore and I have to apply for the new visa, and the reason is "New information became available after the visa was issued so that we must re-evaluate your eligibility for the visa. Therefore, you will need to re-apply for a visa and the officer we will determine your eligibility at that time." I applied again and they put me under administration processing after I filled up DS5535 Form, for more than 2 months now. CBP-2018-039571	(b)(6)	I entered the U.S.A for the first time on J1 visa for a summer work and travel program on June 20, 2003 and left on August 20, 2003. I lost my passport that had my J1 visa and I cannot find my DS-2019 form. I need a document that confirms that my visa was "cancelled without prejudice". The issue date of my J1 visa was June 18, 2003 and the expiration date was October 20, 2003. I got the visa from the U.S. Consulate in Istanbul, Turkey.	3/15/2018	Not an Agency Record

CBP-2018-039574	(b)(6)	I have been traveling abroad since 2005 mostly do Europe and on cruise ships to Caribbean Islands. Since 2010 I have been traveling only to Dominican Republic where I visited my girlfriends. For last 5 years I was with one girlfriend that I visited her on my last trip on March 2018. On 2016 I went to Havana in Cuba where I met girl and I was with her for almost 18 months. I was in Havana for every few weeks. For all those years I was stopped only 1 time by Customs Officers. But when I was returning from Cuba to Fort Lauderdale on December 04, 2018 I was detained for secondary screening and interrogated by Customs Special Agents. I was detained for almost 4 hours. Nothing illegal was found and I was let to go. However since that day, every time I cross the border (it happened 4 times more) I am detained for secondary screening. Same procedure has been followed. When I ask question why I am stopped, Agents refused to tell what they have on me in the record. I do not have criminal record except DUI in 2012 and never any illegal item have been found in my possession. I suspect that somebody who does not like me, made false denounce on me to CBP. Please send me information what is in CBP data record regarding me. Thank you.	3/15/2018	Not an Agency Record

CBP-2018-040081	(b)(6)	I am planning on applying for U.S. Citizenship in two months and USCIS requires me to put in information for entry/exit information to/from the United States for the past five years. I have tried obtaining this information by reviewing entry/exit stamps in my passport and I have also tried going on CBP website to view my travel history but I've realized some of the detailed informations are missing on the website and I want to make sure when I file in my N-400, everything is fool proof so there won't be any problems or delays. During 2014, I went on Europe packaging trip with my mom and I went to so many different countries in two weeks so this is when things get very confusing and I started loosing track of my travels. It would be great if I can get some detailed information about when I left and returned to US, countries which Ive traveled, and total days outside of the US. And starting from 2015 to now, I went to Germany for business trip three times. It would be great if I can get more detailed information as well for this just like how I requested one for 2014. Thank you so much for your time and let me know if you need any additional information from me. My password number is (b)(6) in case you need.	3/20/2018	Full Grant

CBP-2018-040120	(b)(6)	On March 3, 2018 I was not cleared to go through customers after scanning my passport at the kiosk. I was delayed due to the long lines and limited agents available. Upon meeting with the officer I was questioned about who I was traveling with and given some names I was unfamiliar with. I answered the questions and then inquired as to why I was not originally given clearance. I was told to request the information from this dept. This is the second time this has occurred while returning from abroad. This is very disconcerting and the fact that as the person being interrogated I cannot be provided with this information forthwith is even more upsetting. The stress and duress of this experience and my past experience not only ruined both trips but discourages me from wanting to travel in the future. As you can see from my most recent i94 (Supporting file-2), my most recent date of entry is June 04, 2013. I have not left US since then, which is also demonstrated by the record shown on my passport (Supporting file-3). My travel history before June 04, 2013 was shown in Supporting file-4 and they are not included in this incorrect travel history. In addition, my visa has expired on Jun. 27, 2013 (Supporting file-4) and I did not get a new visa since then, making it impossible for me to travel after that. I also attached my first page of my passport for your reference (Supporting file-5). I am filing I-485 and I-131 to USCIS and both of them require the applicant's presence in US during the application. The incorrect travel history on the i94 cbp websit will cause me unexpected troubles and I want to submit a correct travel history. The permanent residence application is very important to me and my family. I sincerely wish you could understand my concern and your help are always appreciated. Please let me know if you have any question and need other information from me. Thank you very much. Best Regards, (b)(6) 03/19/2018	3/19/2018	Improper FOIA Request for Other Reasons

CBP-2018-040917	(b)(6)	My name is (b)(6). I used to have a F1 visa. After I graduated from UCSD in Dec.2017, I stayed in US for about 50 days because as a F1 student we have 60 days grace period after graduation. After that, I applied for a B1/B2 visa and I came to US on March.10. But when I arrived at Los Angeles, the CBP officer said we only have 1 month grace period after graduation. I checked online after this and I am sure we do have 60 days grace period. It is definitely the officer's fault on this thing. And I really want the CBP officers to know these basic information. I don't want to be misunderstood just because some officers don't have these basic indormation on certain policy. CBP-2018-041096	(b)(6)	I was travelling to the US to go to an event in new york, and travel to california to see my family (cousins in orange count, California) under the visa waiver program. I was educated in Maryland USA on a soccer scholarship, worked in NYC and Baltimore on a H2/H3. respectively. I have never overstayed a single day, under both visa and visa waiver programs. I was badly treated by CBP staff. I always return to the UK, as I run a small art business out of Manchester. I contacted a lawyer and he contacted a CBP officer in Orlando, he knows. The staff are mainly G4S outside sourced security recruits, and not versed in immigration law, just quite simple and abrupt. I requested my forms and she would not give them to me, nor a phone call to tell friend waiting for me, or call my dad in the UK, or a lawyer, or collect my bag which was lost for good. The CBP officer in Orlando, at 10.15pm on Friday October 20th, 2017 I heard back from the CBP officer who indicates that standard procedure is that I should have received copies of the I-877 (sworn statement) and I-275 (Withdrawal of application for admission). I would request my ESTA to be instated, to visit my family and friends in the US, and to also apply for a P/O-1 working later this year, as unjustly treated and need the forms i duely requested in Orlando. On my last trip this past January, I was required to go to the "back room" again upon my re-entry to the US. The agent referenced something on my record that would probably result in my having to go to the "back room" every time I left and re-entered the US. I would like to know what is on my file that is causing this problem. My initial request went to the Department of Homeland Security. They referred the issue to your department. Please let me know what I must do to obtain this information about myself. Thank you. (b)(6)	3/22/2018	Partial Grant/Partial Denial

THEN I WAS TO CONTACT CALIFORNIA RECORD DEPARTMENT AND I DID. THEY TOLD ME THAT I WAS CLEAR IN THEIR SYSTEM AND THAT THEIR WERE NO ISSUES WITH MY INFORMATION. I WAS TOLD TO CONTACT U.S. CUSTOMS AND BORDER PROTECTION FOR THE INFORMATION THAT THEY'RE SEEING IN THEIR SYSTEM, BUT I WAS TOLD BY ONE OF THE OFFICERS THAT THEY WERE NOT ABLE TO SHARE THAT INFORMATION WITH ME BECAUSE IT IS NOT MY INFORMATION. WHY DO THEY KEEP HOLDING ME IN SECONDARY EVERY TIME FOR THE SAME REASON? IM SENDING THIS WRITTEN LETTER IN HOPES OF ANY ADDITIONAL HELP FROM YOU. CBP-2018-041912	(b)(6)	Upon return from a short vacation in the Dominican Republic, my partner and I were stopped by a CBP Officer because our global entry cards had an "x" on them. The officer stated that we most likely flagged due to the short duration of our trip (3 nights). He then escorted us to a secluded seating area where two other officers were to question us further. The two officers asked my us what our professions were; I am a social worker and my partner is airline staff in the Singapore HQ office. Once finding out what my significant other did for a living they released her with passport in hand and let her retrieve the checked luggage. I on the other hand was further detained and questioned about arrests and the contents of my suitcase. The office also asked me for the last four digits of my social security number. I reported to the officer that while I have no conviction history, I had a juvenile arrest 17 years ago, in which charges were dropped. He the stated that insinuated that I had not been truthful about my "run-ins with the law". I disputed that allegation and told the officer that I have recently held a position in state and local social services department, and I am also registered with the California Board of Behavioral Sciences, which both require DOJ and FBI clearance. After that exchange the officer agreed to release me once my luggage was inspected. The experience was traumatizing and I can't help but wonder what the officer was "seeing"; that I am not aware of. I take my career very seriously and need to know if there are any unknown blemishes on my record that need rectifying.	3/26/2018	Records Not Reasonably Described

CBP-2018-041917	(b)(6)	In October 2017 I was the subject of an alleged sexual harassment complaint lodged by an Agriculture Specialist in Blaine, WA. The event allegedly occurred in late April 2017. The Office of Professional Responsibility (OPR) did conduct an investigation, which supposedly cleared me of any wrong doing. I request a copy of their investigation, as it could potentially damage my prospects for advancement in my career. I wish to pursue the facts, as the letter I received just states I was cleared, but did not state cleared of what. I request the identity of the complainant, the retained audio / video of the event (shown to me during the OPR interview), and the written results of the investigation. I have reported a complaint to the CBP Joint Intake Center JIC, and request to have those results of any investigation provided to me as well. My name is (b)(6), and I am a GS-1895-13 Port Director stationed in Lynden, WA. CBP-2018-042243	(b)(6)	Every time I come into the US I'm being hold back and told to go in a separate room. After a oversea flight it is really not comfortable at all to have another 1hr wait time. I have been told by custom officers having name similarities with other people and therefore my status has always to be checked more detailed. What can I do to avoid this procedure over and over again? Business wise I will be travelling more and more to Canada and therefore I would like to know what I can do to get off that name list. What further documents would you need from me to avoid all this hindrance? Does the Global Entry Program perhaps help? What are your recommendations? CBP-2018-042682	(b)(6)	We would like to know if my mother really can't come back to visit until 2019. Her English is not that good - not sure if she understood officer correctly. She visited twice last year for 2.5 months as I had a high risk pregnancy. (1st time she visited she just came to visit, we did not know I would be pregnant and we would have her come back the 2nd time) She arrived on September 7, 2017 at San Francisco International Airport the second time and she was taken to secondary questioning. She tried to explain why she visited again. She thinks the agent told her she can't come back until 2019 because she visited too much in 2017. CBP-2018-042790	(b)(6)	Dear Sir/Madam, Thank you so much for the attached documents for me via FOIA appeal request. Unfortunately there is one missing info for me to resume my daughter's passport application. The officer rejected my daughter's passport application because the document is insufficient to show my physical presence in the States for 5 years. In accordance with attached info, it shows my inbound info on 11/6/2004, 8/22/2006, 9/10/2008, 11/2/2010 & 3/23/2016. However, the document only indicates my outbound info in year of 2006,2008,2011 and 2016 and the Year of 2010 is missing. Can you please give me a flavor to provide the outbound info in 2010 as well, otherwise I do not have sufficient evidence to show my physical presence in the States for 5 years to proceed my daughter's passport application. Thank you so much for your help again.	3/28/2018	Full Grant

CBP-OFO-2018-043367	(b)(6)	I traveled to Lima, Peru, December 4, 2017, with equipment for our scientific research project regarding sleep and breathing studies at high altitude in Peru, and returned to the United States with this equipment December 16, 2017. While I completed paperwork regarding the importation of this equipment for Peru customs, I did not have this signed off before I returned to the US. Unfortunately I did not complete any forms on the US side, which I have learned must be done. The customs department in Lima, Peru, has requested documentation from US customs showing that this equipment returned to the US; otherwise, they will issue a very large fine (~\$32,000 USD) to my research colleagues at the Universidad Peruana Cayetano Heredia in Lima. Upon my return to the United States through Houston, I was stopped and asked to report to the US customs counter. The equipment was surveyed at this counter, and this was documented by the person (a veteran) working, who took my information (passport, university contact, etc). Could I please have a copy of the documentation regarding the survey of the equipment that re-entered the US to provide to the customs department at Lima International Airport? This is an urgent matter as their customs department stated the fine will be charged to the research team I work with in Lima if I do not provide documentation by Monday, April 2nd. Please let me know if there is any information I could provide to expedite this process. Thank you in advance for your assistance. (b)(6)	3/29/2018	No Records
