CBP-2018-084397	(b)(6)	Request for copy of my wife's finger prints. Passport number at time of travel:- (b)(6) Dear Sir or Madam, My name is (b)(6) and I live in the UK. I am writing to you in the hope that you will be able to help me out. On the 25th 2018 my wife sadly passed away after a 5 year battle against cancer, I am totally heartbroken and devastated by this. At the time of death I request via the funeral director that a set of fingerprints be made of both of my wife' hands as it was my intention to have some pictures and jewelry made in her memory. Although my request was carried out as asked, they completely screwed them up to the point where they are just black blobs on a piece of paper. I was utterly disappointed and upset by this. I am therefore hoping you may be able to help me. We have visited the United States on a number of occasions as listed:- August 2005 Orlando April 2007 New York June 2008 LA - Las Vegas - San Francisco December 2008 New York June 2012 Orlando All the above were for holidays and each time we entered the country I recall having a photo of my eye and fingerprints taken. Therefore I was wondering, if the finger prints are still on file, would you be able to send me a copy via email? I know this may be an odd request, but I don't have any other options. I am able to send you all my wife's details including passport number and death certificate. Please please please will you consider my request as you really are my only hope now.	9/4/2018	Not an Agency Record

I know I have out of state plates for my car but that should not matter because I am the legal registered owner of the vehicle. I feel like my rights are being violated to have to go through such inspections just to get back into my own country. I am a law abiding citizen and now I am being selected for secondary inspection every-time I go into Los Algodones and cross at Andrade border crossing. CBP-2018-084812	(b)(6)	<p>On or about last August 2017, I was hired (contracted) in the capacity of a 2nd tier Construction Manager; under the direct supervision of GSA Public Building Service / Pacific Rim Region, to oversee and manage the renovation and development of a new Border Patrol Processing Center in San Luis, Arizona. I was hired due to my expertise and proven experience with a very impressive track record running high level projects for Corp of Engineers, DOD, DOE and more. My first two weeks there were basically to oversee and manage kick off meetings, Notice to Proceed, scope of work, means and methods of compliance with out interference of existing CBP operations for 1st and 2nd tier contractors, department heads and staff.</p> <p>About the end of my second week I was notified by GSA (b)(6), Architect and Project Manager for GSA Public Building Service that CBP had denied my back ground check with no apparent reason. My understanding is that my position would be a low level security position that would not have access to any CBP systems.</p> <p>I'm respectfully asking for a full detailed response as to why this happen with hopes that I can some how resolve any challenges now that could jeopardize any future employment opportunities.</p> <p>Thank you for your time and consideration in this matter,</p> <p>Regards, (b)(6)</p>	9/4/2018	No Records

CBP-2018-084814	(b)(6)	<p>Each time that I visit Mexico through the San Ysidro Port of entry, upon returning to the United States of America I am constantly sent to secondary inspection. I ask the CBP officer at the border why am I being sent, he states, "that he cannot give me any details". He instructs me to go to secondary inspection and I wait until another officer tells me that the reason why I am here is because of my name. I am really confused because I have a valid passport that I have had for many years. I am a citizen of the United States of America.</p> <p>Please help me to resolve this issue, I would like to continue to travel or visit Mexico and not be detained or questioned each time. I'd like to know which agency has my name down for secondary inspection and the reason why I am put into secondary.</p> <p>Respectfully, (b)(6)</p>	9/4/2018	No Records

CBP-2018-084876	(b)(6)	<p>Hello I am working on my N-400 Application for Naturalization, the application form is requesting my record for my past 5 years of travel into and out of the United States. The only places that I have traveled in the past 5 years were into Canada, and to Italy in 2014. The problem that I am running into is that I used my Canadian citizenship card and my Permanent Resident card, and I did not use a passport to travel between the US and Canada and therefore I cannot obtain my travel history. What I am requesting is my travel history from the past 5 years that provides my travels into and out of the US. I spent a long time trying to obtain this information and need to finish my application form before it expires, if there is anything you can do to help expedite my request it would be greatly appreciated, thank you for your help.</p> <p>Below is my information that I used for travel: (b)(6) Requesting Travel History for the past 5 years with dates that I departed the US and with dates of my return.</p> <p>Should you have any questions please feel free to contact me at anytime either via e-mail or cell (b)(6) Thank you!</p>	9/5/2018	Full Grant

CBP-2018-086090	(b)(6)	This is an appeal from U.S. Customs and Border Protection's (CBP's) contention in CBP-2018-074788 that the request for information was too broad and a resubmission of the request for prompt response as more than 30 days has passed. The request was sent to CBP on July 30, 2018. CBP waited 30 days to send an undated, unsigned response indicating that the request was too broad in scope or did not specially identify the records you are seeking. The CBP response failed to comply with 6 CFR 5.3(b) and other provisions of the Freedom of Information Act. Please consider this a resubmission of the request and an appeal of the failure to conduct a reasonable search and provide responsive records. The request is as follows: All citations issued for operating a vehicle in a wilderness area, entering a National Wilderness Refuge without a permit, and abandonment of property for 2015, 2016, 2017 and 2018. The request identifies the years to be sought with specificity and is limited to three years. The request identifies the specific citations sought and is limited to three specific violations. And the request identifies the locations sought and limits the location to National Wilderness Refuges. Again, the dates, location and subject matter are clearly specified and detailed in the request. 6 CFR 5.3 (b) provides that a reasonable description contains sufficient information to permit an organized, non-random search for the record based on the component's filing arrangements and existing retrieval systems. CBP was provided with a reasonable description as detailed above including dates, subject matter and location and CBP failed to comply with the requirement to conduct a search and provided responsive records. CBP's contention that the request is too broad or lacking in specificity is further undermined because other federal agencies (specifically United States Fish and Wildlife) have received identical requests and have promptly provided the responsive	9/11/2018	Records Not Reasonably Described

In fact, we already have a FOIAonline account, but not all of our requests have been submitted through that account, and there is no obvious way to link requests submitted through other channels (including requests referred by other components or agencies that don't use FOIAonline) to a FOIAonline account. CBP-2018-086879	(b)(6)	This is (b)(6). I'm a Turkish citizen and I was born on (b)(6) (see the copy of my passport in the attachments). I am currently in the US, visiting my son who is an American citizen. I had visited the United States in the past as well, however, I don't have official records of my previous admissions except for the entry stamps on my previous passport, which are quite illegible. I need copies of my previous entry/exit records (namely, I-94 travel documents) to the United States since I'm in the process of applying for a change of status with USCIS and need to prove evidence of continuously maintaining a lawful status since arrival in the United States. I could get a copy of my most recent I-94 through the official I-94 website and a history of the past five years' travel, however, I can't go any further than that. The following are the exact details of my travel records: I was admitted to the United States for the first time on August 4, 2007, from NYC with my now expired Turkish passport numbered (b)(6), and stayed until January 27, 2008. The next admittance was from the same port of entry again with the same passport on June 2nd, 2008, and I stayed until November 23, 2008. I was admitted to the country with a B1/B2 type visa numbered (b)(6) on both occasions (you can see a copy of that visa along with entry stamps in the attachments). My third entry was in 2016 with a new passport from Turkey numbered (b)(6). I entered the country through NYC again and stayed until May 9th, 2017. Lastly, the final entry took place in the April of this year from Newark, New Jersey, but I can obtain my most recent I-94 from the official website anyway. I'd greatly appreciate if you could provide me with copies of my previous three admission (I-94) records in a timely manner.	9/13/2018	Full Grant
