

**APPLICATION INSTRUCTIONS  
FOR APPROVAL AS A COMMERCIAL GAUGER  
AND/OR ACCREDITATION AS A COMMERCIAL LABORATORY  
BY U.S. CUSTOMS AND BORDER PROTECTION**

The following information is pertinent to the application process as defined in Part 151.12 and Part 151.13 of the U.S. Customs and Border Protection (CBP) Regulations (19 CFR 151.12 and 19 CFR 151.13). **Your attention is directed to the following sections of the CBP Regulations:**

Section 151.12(d), which describes the commodity brochures for which laboratory accreditation can be sought; and 151.13(c) which describes the approved measurement methods for gauging.

Sections 151.12(f)(3)(iv) and 151.13(d)(3)(ii) which describes the evaluation of technical and operational requirements.

An application package for CBP accreditation and/or approval **must** contain the following information as described in Section 151.12(f) and 151.13(d) using CBP Form 6478 and other relevant templates:

- The applicant's legal name and the address of its principal place of business and any other facility out of which it will work;
- Detailed statements of ownership and any partnerships, parent-subsidary relationships, or affiliations with any other domestic or foreign organizations, including, but not limited to, importers, other commercial laboratories, producers, refiners, CBP brokers, or carriers;
- A statement of financial condition (i.e., statement from a Certified Public Accountant or notarized statement)
- If a corporation, a copy of the articles of incorporation and the names of all officers and directors, including the names of all officers and directors;
- The names, titles, and qualifications of each person who will be authorized to sign or approve analysis reports and/or gauging reports on behalf of the commercial laboratory and/or gauger;
- A complete description of the applicant's facilities, instruments, and equipment;
- An express agreement that if notified by CBP of pending accreditation (approval) to execute a bond in accordance with part 113, CBP Regulations (19 CFR part 113), and submit it to the CBP port nearest to the applicant's main office. The limits of liability on the bond will be established by the CBP port in consultation with the Executive Director, Laboratories and Scientific Services Directorate. In order to retain CBP accreditation and/or approval, the laboratory and/or gauger must maintain an adequate bond, as determined by the Port Director;
- A listing of each commodity group for which laboratory accreditation is being sought (if applicable) and, if methods are being submitted for approval which are not

specifically provided for in the CBP Laboratory Methods Manual, a listing of such methods:

<http://www.cbp.gov/about/labs-scientific/commercial-gaugers-and-laboratories>

- ❑ A listing by commodity group of each method according to its CBP Laboratory Method Number for which the laboratory is seeking accreditation;
- ❑ An express agreement to be bound by required obligations, (using the commercial gauger and laboratory Agreement form); and,
- ❑ A nonrefundable pre-payment equal to 50 percent of the fixed accreditation and/or approval fee, as published in the Federal Register and CBP Bulletin, to cover preliminary processing costs. Further, the applicant agrees to pay CBP within 30 days of notification of preliminary accreditation and/or approval the associated charges assessed for accreditation (approval), i.e., those charges for actual travel and background investigation costs, and the balance of the fixed accreditation (approval) fee.

Sections 151.12(h)(1)(i), 151.13(d)(1)(ix) and the summary information, regarding the statement of fee schedule and clarification which describes the requirements fees for approval and accreditation:

For Laboratories
