Situational Awareness: 1/27/17 Presidential Executive Order Protest Actions, Inquiries & Demonstrations

Summary:

On Saturday, January 28, 2017, protestors of the January 27, 2017 Presidential Executive Order arrived at the Los Angeles International Airport and began conducting an organized vigil.

Update 1:

On January 28, 2017, at 1853 hours PST, LAS was notified by the McCarran International Airport Control Center that they received information of protesters at the Terminal 3 parking garage. The McCarran Airport Director also contacted the LAS Port Director to advise that she received information that protesters were at Terminal 3 and that media may be present as well. The LAS PD arrived at the FIS to address protesters. There were approximately twelve protesters outside of the FIS exit point. They did not have signs and were not verbally aggressive. One protester, who identified herself as Amy Rose, Legal Director of the ACLU of Nevada, stated that her main concern was whether CBP had any passengers that were currently being detained in our custody. The LAS PD provided CBP PIO information to Ms. Rose, but no other information. No media was present in the area. Six Las Vegas Metropolitan Police were present at the scene and stated that media presence was at the domestic baggage claim area. There was no impact to CBP operations.

Details:

On Friday, January 27, 2017, the President signed an Executive Order entitled "*Protecting the Nation from Foreign Terrorist Entry into the United States*". The Executive Order suspends the entry of citizens from Iran, Libya, Syria, Iraq, Yemen, Somalia, and Sudan into the U.S.

On January 28, 2017, attorneys, private citizens and members of the media began to arrive at the Public Information Office (PIO) at the Tom Bradley International Terminal (TBIT). The CBP Officer assigned to PIO advised the inquiring parties to contact the Office Public Affairs. Due to the size of the crowd, a Supervisory CBPO and additional CBPOs were deployed to PIO to assist. The SCBPO and additional CBPOs handed OPA contact information to the inquiring parties. The PIO, which normally is staffed from 0700-2300 hours, was closed at 1700 due to security concerns related to the protest.

Between 1600 and 1700 hours, approximately 150 protestors arrived and began holding an organized vigil outside the TBIT departure level. There are six media vans and reporters are interviewing both passengers and protestors. There is no CBP presence in the area.

The Los Angeles World Airport (LAWA) Police Department has deployed an enhanced visible presence in the area.

CBP has deployed a limited [REDACTED] (b)(7)(E) contingent in the internal FIS egress area, out of the public view. A similar contingent will be deployed tomorrow.

Attorneys advertising their services and holding signs are lingering in the PIO area.

The LAX Port Director, LAWA PD Chief and the LAWA Executive Director are in close communication.

Currently, two (2) additional protests are scheduled for January 29, 2017. Attendance estimates per social media indicate that at 1100 hours, 185 protestors will be at TBIT (no specific location) and at 1300 hours, 1,500 protestors will be at TBIT in the arrivals level.

CBP management at the Las Vegas International Airport (LAS) contacted the LAX Port Director and relayed information suggesting that there will be potential protests in Las Vegas in the days ahead. No further details at this time.

Updates to follow.

Situational Awareness: 1/27/17 Presidential Executive Order Protest Actions, Inquiries & Demonstrations

Summary:

On Saturday, January 28, 2017, protestors of the January 27, 2017 Presidential Executive Order arrived at the Los Angeles International Airport and began conducting an organized vigil.

Update 5:

On January 28, 2017, at 2305 hours, the LAX Port Director met with Los Angeles City Attorney Mike Feuer and escorted him into the outer egress area of the FIS. Prior to the meeting, the City Attorney was engaging with and encouraging a large group of protesters outside the FIS, and the LAWA PD Chief was growing increasingly concerned about the security situation as a result of the City Attorney's presence and inflammatory rhetoric. Mr. Feuer was demanding information regarding the number of passengers being detained, and under what authority they were being detained, how many had been deported, and was LAX implementing the ruling out of New York. The LAX Port Director advised him that at this time he could not provide any specific data, was aware of the ruling earlier in the evening, was awaiting further guidance and would pass his contact info and request for information along to OCA.

Update 4:

On January 28, 2017, at 2225 hours, Lawrence Middleton, the Chief of the Criminal Division of the U.S. Attorney's Office, arrived at the airport and was requesting information regarding passengers being detained. He was advised by the Watch Commander to contact PAO (b)(6), (b)(7)(C); LAWA PD Chief (b)(6), (b)(7)(C) also advised the Watch Commander that his officers were continuing to keep protesters from breaching the FIS.

Update 3:

On January 28, 2017, at 2210 hours, LAWA PD reported that the protesters are becoming aggressive. (b)(7)(E) remain in place and in radio contact with LAWA PD in the event of a breach or if they require assistance. The transit exit will be closed at 2210 hours to limit access to the FIS.

Update 2:

On January 28, 2017, at 2115 hours, LAX management was advised that Congresswomen Nanette Barragan and Judy Chu were on site at the TBIT departures level and seen talking to the media. Approximately 100 protesters remained in the area. CBP also received a call from the Channel 2 media inquiring why PIO was closed and were advised that PIO was still operating, however at an alternate location due to the noise and distraction resulting from the protest activity.

At approximately 2130 hours, it was reported that the protesters, including the Congresswomen and media, have moved downstairs to the arrivals level outside the FIS egress. The protest has become less organized, with people milling about. LAWA PD has staged officers near the egress to prevent them from entering the FIS. (b)(7)(E) remain deployed in the internal egress area of the FIS. The LAX Port Director continues to coordinate with LAWA PD.

Situational Awareness: 1/27/17 Presidential Executive Order Protest Actions, Inquiries & Demonstrations

Summary:

On Saturday, January 29, 2017, planned protests at LAX are scheduled for 1100, 1200, and 1300 hours respectively, as per LAWA PD.

Update 7:

On Saturday, January 29, 2017, planned protests at LAX are scheduled for 1100, 1200, and 1300 hours respectively, as per LAWA PD. LAWA PD has coordinated with protest leaders and have designated the Lower Level near Parking Lot #4 on Center Way South to organize. Approximately 5,000 individuals are expected. LAWA PD has significantly increased their staffing and have established a command post at LAFD Station 5 on Westchester pkwy. (b)(7)(E)

(b)(7)(E) Updates will be provided when applicable.

Update 6:

As of 0015 hours on January 29, 2017, there are 986 individuals confirmed to attend a protest at TBIT at 1200 hours and 5,500 confirmed to attend at 1300 hours on January 29, 2017 (b)(7)(E) While the protest groups

state that the protest will be peaceful and organized. (b)(7)(E)

(b)(7)(E)

The LAX Port Director continues to work in close coordination with LAWA PD. LAWA PD is currently reducing its footprint in preparation for the protests scheduled for later today. CBP (b)(7)(E) will be deployed tomorrow. There continue to be approximately 100 protesters outside the FIS.

Update 5:

On January 28, 2017, at 2305 hours, the LAX Port Director met with Los Angeles City Attorney (b)(6), (b)(7)(C) and escorted him into the outer egress area of the FIS. Prior to the meeting, the City Attorney was engaging with and encouraging a large group of protesters outside the FIS, and the LAWA PD Chief was growing increasingly concerned about the security situation as a result of the City Attorney's presence and inflammatory rhetoric. (b)(6), (b)(7)(C) was demanding information regarding the number of passengers being detained, and under what authority they were being detained, how many had been deported, and was LAX implementing the ruling out of New York. The LAX Port Director advised him that at this time he could not provide any specific data, was aware of the ruling earlier in the evening, was awaiting further guidance and would pass his contact info and request for information along to OCA. It was reported that Congresswomen Barragan and Chu had recently departed the area.

Update 4:

On January 28, 2017, at 2225 hours, (b)(6), (b)(7)(C), the Chief of the Criminal Division of the U.S. Attorney's Office, arrived at the airport and was requesting information regarding passengers being detained. He was advised by the Watch Commander to contact PAO (b)(6), (b)(7)(C). LAWA PD Chief (b)(6) also advised the Watch Commander that his officers were continuing to keep protesters from breaching the FIS.

Update 3:

On January 28, 2017, at 2210 hours, LAWA PD reported that the protesters are becoming aggressive. (b)(7)(E) remain in place and in radio contact with LAWA PD in the event of a breach or if they require assistance. The transit exit will be closed at 2210 hours to limit access to the FIS.

Update 2:

On January 28, 2017, at 2115 hours, LAX management was advised that Congresswomen Nanette Barragan and Judy Chu were on site at the TBIT departures level and seen talking to the media. Approximately 100 protesters remained in the area. CBP also received a call from the Channel 2 media inquiring why PIO was closed and were advised that PIO was still operating, however at an alternate location due to the noise and distraction resulting from the protest activity.

At approximately 2130 hours, it was reported that the protesters, including the Congresswomen and media, have moved downstairs to the arrivals level outside the FIS egress. The protest has become less organized, with people milling about. LAWA PD has staged officers near the egress to prevent them from entering the FIS. (b)(7)(E) The LAX Port Director continues to coordinate with LAWA PD.

Update 1:

On January 28, 2017, at 1853 hours PST, LAS was notified by the McCarran International Airport Control Center that they received information of protesters at the Terminal 3 parking garage. The McCarran Airport Director also contacted the LAS Port Director to advise that she received information that protesters were at Terminal 3 and that media may be present as well. The LAS Port Director arrived at the FIS to address protesters. There were approximately twelve protesters outside of the FIS exit point. They did not have signs and were not verbally aggressive. One protester, who identified herself as (b)(6) Legal Director of the ACLU of Nevada, stated that her main concern was whether CBP had any passengers that were currently being detained in our custody. The LAS Port Director provided CBP PIO information to Ms. (b)(6) but no other information. No media was present in the area. Six Las Vegas Metropolitan Police were present at the scene and stated that media presence was at the domestic baggage claim area. There was no impact to CBP operations.

Details:

On Friday, January 27, 2017, the President signed an Executive Order entitled “*Protecting the Nation from Foreign Terrorist Entry into the United States*”. The Executive Order suspends the entry of citizens from Iran, Libya, Syria, Iraq, Yemen, Somalia, and Sudan into the U.S.

On January 28, 2017, attorneys, private citizens and members of the media began to arrive at the Public Information Office (PIO) at the Tom Bradley International Terminal (TBIT). The CBP Officer assigned to PIO advised the inquiring parties to contact the Office Public Affairs. Due to the size of the crowd, a Supervisory CBPO and additional CBPOs were deployed to PIO to assist. The SCBPO and additional CBPOs handed OPA contact information to the inquiring parties. The PIO, which normally is staffed from 0700-2300 hours, was closed at 1700 due to security concerns related to the protest.

Between 1600 and 1700 hours, approximately 150 protestors arrived and began holding an organized vigil outside the TBIT departure level. There are six media vans and reporters are interviewing both passengers and protestors. There is no CBP presence in the area.

The Los Angeles World Airport (LAWA) Police Department has deployed an enhanced visible presence in the area.

CBP has deployed a limited (b)(7)(E)

(b)(7)(E)

Attorneys advertising their services and holding signs are lingering in the PIO area.

The LAX Port Director, LAWA PD Chief and the LAWA Executive Director are in close communication.

Currently, two (2) additional protests are scheduled for January 29, 2017. Attendance estimates per social media indicate that at 1100 hours, 185 protesters will be at TBIT (no specific location) and at 1300 hours, 1,500 protesters will be at TBIT in the arrivals level.

CBP management at the Las Vegas International Airport (LAS) contacted the LAX Port Director and relayed information suggesting that there will be potential protests in Las Vegas in the days ahead. No further details at this time.

Updates to follow.

Directors,

In light of the changes that were made with the new executive order and our current operational stance, please have your Port Directors at your larger locations engage directly, today, with local stakeholders to explain the changes and answer any questions as necessary. The focus for this should be at our larger airport operations.

As a side note headquarters Admissibility and Passenger Programs held a call last night with airline stakeholders at the national level and will also be doing so today.

Just FYSA --
 From JFK Watch Commander

SYNOPSIS:

CBP at JFK is encountering media and congressional interest resulting for the Executive Order (EO) issued by President Trump on 1/27/2017. Operations have not been adversely impacted. Passengers are being processed in accordance with the (EO), and coordination is on going with law enforcement partners to handle protests and media requests. CBP has also been in contact with Airline stakeholders to coordinate on passenger processing efforts.

DETAILS:

On January 27, 2017, President Trump issued an Executive Order “Protecting the Nation from Foreign Terrorist Entry into the United States”. This EO suspended all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen as per Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those people traveling on diplomatic visas, NATO visas, C2 visas going to the United Nations, G1, G2, G3 and G4 visas. The order also includes all immigrant classes of admission, returning resident aliens, refugees and asylees. As a result of this order, Terminal 4 staff office has received numerous phone calls from media, lawyers, concerned citizens and congressional staffers inquiring about the individuals being detained by CBP at JFK. Congressman Nadler and Congresswoman Nydia Velasquez came to Terminal 4 at JFK and attempted to enter the FIS. WC Nassauer and DC Goico were dispatched to speak to them. They were provided with information regarding 2 individuals we were detaining and were concerned that they were going to be sent out of the country before having an opportunity to speak to an attorney. Media personnel with cameras were confined to the parking lot across the street from T4. Additional Port Authority Police and National Guard personnel have been allocated to the Terminal to maintain order in and around the area. CBP will join a 3 pm conference call to discuss assets and crowd control measures.

According to the Port Authority Police Department, a group of demonstrators (about 80) are currently protesting in a parking lot outside Terminal 4 under the presence of media channels. With assistance of PAPD and Port Authority (PA) operations we have directed the protesters to remain in a specific lot where they are currently staged and monitored. The Port Authority Police closed inner arrivals roadways to all traffic with exception to police vehicles, and yellow cabs. Some arrivals doorways also have been restricted from PAPD at this time, and all arrivals foot traffic has been directed to specific exit doors. The remaining 4 CBP terminals at JFK have not been impacted. Port Authority police are making sure media personnel are not congregating in the terminals. Updates will follow.

UPDATE: A conference call with Port Authority police was held at 3 PM. CBP Port Director briefed the other law enforcement agencies on how CBP is processing the passengers who are subject to this EO. Due to the demonstration scheduled to take place in the Terminal 4 parking lot at 1830 hours, additional police personnel will be deployed to the area to ensure that the demonstration remains peaceful. Approximately 350-400 demonstrators are currently in the east side of the parking lot.

TIMELINE:

01/28/2017

0000-1000 Hours: Phone calls from media, lawyers and concerned citizens asking questions about the people be detained.

1115 Hours: Congressman Nadler and Congresswoman Velasquez arrive at the FIS at T4 asking to speak with a supervisor. DC (b)(6), (b)(7)(C) and WC (b)(6), (b)(7)(C) speak with them and they leave the area.

1145 Hours: Congressman Nadler holds a press conference in the T4 public parking lot.

1230 Hours: One detainee, Mr (b)(6), (b)(7)(C) is admitted and escorted out of the FIS.

A DFO (b)(6), (b)(7)(C)

APP's response (in red) to the question below was unclear.

- How should officers address dual citizens who had to obtain B1/B2 USNIVs due to the Miller Bill? For example:

(b)(5), (b)(7)(E)

Thus, we are rephrasing for resubmission:

- Are the USNIVs of dual citizens who we granted the USNIV due to Miller Bill actions cancelled? Or are Miller Bill USNIVs still good regardless?

Subject: RE: Executive Order - Questions from LAX

Good evening,

Current guidance as follows:

LAX:

- How should officers handle C1/D air crew that may be in route to the U.S., especially if they are destined to work on the respective flight back (which may cause flights to be grounded due to lack of air crew)?

(b)(5), (b)(7)(E)

- How should officers address dual citizens who had to obtain B1/B2 USNIVs due to the Miller Bill? For example:

(b)(5), (b)(7)(E)

- How should we handle the issue of subjects – either LPRs who left on vacation, or non-immigrants who traveled to a third-party country (i.e. Mexico, Canada) – who are denied entry, or denied boarding, and are “stuck” in the third-party country, and are subsequently deported from that third-party country because they don’t meet the requirements of being a visitor in that country?

(b)(5), (b)(7)(E)

LA/LB Seaport:

- How about those who changed their citizenships, but we could not tell if they are dual citizens? For example, a Canadian citizen presents himself for inspection with a Canadian passport. On the bio page, it shows the **Place of Birth: Syria**. Obviously he was a Syrian citizen at one point and could well be a dual citizen. Are we going to process him per EO?

(b)(5), (b)(7)(E)

- The other issue is the crew members from one of the 7 T-countries. Please advise if we should detain them onboard with safeguard or remove them. I received a few phone calls from CBP San Diego Seaport seeking guidance on the same topic.
