Subject: ACTION: DUE 0930 Hours (EST) 01292017: Specifics needed on anyone held at the ports

Good morning Directors,

We have been tasked with obtaining the names, status, disposition, and departure flight time information for those being held for the 212(f) Executive Order.

Example:

FO/Location:	Name:	Status	Disposition	Departure flight/time
JFK	(b)(6), (b)(7)(C)		WD	TBD
JFK			WD	TBD

This is due to the EAC by 1000 hours (EST) this morning.

Can you have your staff provide this information to OFO Field Liaison by 0930 hours for consolidation.

I've attached a spreadsheet to ease the process.

If you have any questions, please don't hesitate to contact me.

Thank you,

2. Are they going to be released like the man in New York?
3. How long will they be detained?
4. What does the family need to do?
5. Does CBP have a general statement about this type of situation?

Sir,

This is the person that I spoke to you about earlier. I reached out to her to confirm if she was talking about

inbound or outbound passengers. She confirmed that she is working with a Syrian family that arrived this morning (0900) and have been detained. She described them as being an elderly couple. I am having my staff verify if we have them in secondary.

I didn't discuss the exec order or the case but I advised her that I will likely be putting her in touch with someone else.

She stated that she is in the way to the airport, along with an attorney, to try to help.

Is this something that (b)(6), (b)(7)(C) will handle?

Subject: Families trapped in DFW

(b)(6), (b)(7)(C) with TSA gave me her contact information. I'm on my way to the airport right now as I've received several reports of families who are trapped at the airport and are needing assistance so I wanted to reach out and see if there's anything we can do to help and alleviate any suffering that's happening. I know you guys are just implementing rules and doing your job so if there's anything I can help with I would really appreciate it especially if there's anything I can do to assist the families and alleviate some of their concerns I'm sure this is very traumatic for them.

I'd be grateful if I could connect with you when I get to Dfw. I should be there in about 35 minutes or so God willing.

Regarding the reporting, do we carry over the total from the previous same day report or only include those not yet reported?

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (OFO.FIELD.LIAISON@cbp.dhs.gov). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(6), (b)(7)(C)

(b)(6), (b)(7)(C) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C)

I'm not sure if you have seen but there is a planned protest tomorrow at IAH. My apologies if you're aware. This might lose some steam now that a federal judge has placed an injunction on parts of it. But I doubt it.

January 27, 2017

**Message to DHS Employees on
President Trump's Executive Orders on Border Security and Public Safety**

To all Department of Homeland Security personnel:

We were honored this week to host the President and Vice President of the United States at the Department's headquarters in Washington, D.C. We welcomed them on behalf of every employee of our homeland security team and treated them to a first class visit. President Trump honored us by signing two Executive Orders directly related to our homeland security and law enforcement missions, announcing them in the presence of your colleagues.

These Executive Orders focus on [border security](#), [public safety](#), and enforcing the laws of our Nation. These orders will provide our Department with additional tools and resources to secure our southwest border and to enhance interior enforcement. In the coming days, we will work closely with your component leadership and our interagency partners to implement these orders, and we will keep you informed of how they affect the work you do.

As the President stated, "Homeland Security is in the business of saving lives, and that mandate will guide our actions." Our Department has many missions, and our law enforcement mission is one of the most critical. These Presidential orders will bolster our law enforcement, security, and immigration enforcement officers in the execution of their important duties. They further demonstrate that protecting the American people is the highest priority of our government and this Department.

In doing so, we will perform our mission with professionalism, we will respect our authority and those we serve, and we will treat every person with whom we come into contact humanely and with the utmost dignity.

I am honored and humbled to undertake our homeland security missions with you. Together, our work makes our Nation stronger and our citizens safer. Thank you for your service and for your fidelity to our oath of office.

Sincerely,

John F. Kelly
Secretary of Homeland Security

With honor and integrity, we will safeguard the American people, our homeland, and our values.

We're all straight on this correct? I suspect there will be a rush to get in over fear, perhaps, that an appellate court might intervene.

I did talk to my guys this a.m. Needless to say, in my 32 years, I've never witnessed politics like this. Anyway, we are watching for any influx. Obvious fear over an appellate court intervening.
