Leadership Team,

Just had a conference call updating us on the status of implementation of the EO and providing clarifying procedures. Here is a rundown:

- Field Office-wide, we have seen over 50 travelers who are subject to the EO.
- CBP HQ has done a tremendous amount of outreach to the industry (airlines included).
 - We have also reached out locally to all of our major international airlines, WCAA & TSA to let them know what we're doing and to entertain any questions.
- There is a remarkable amount of misinformation out there.

(b)(5), (b)(7)(E)

- The local ERO stands ready to support our efforts in enforcing the EO.

(b)(5), (b)(7)(E)

- If we get any Congressional inquiries, refrain from responding, (b)(5), (b)(7)(E)

PD'S,

I wanted to send an email in regards to the information i provided on the call.

The first question was in regards to those individuals who we encounter who are not making entry, including Canada refusals and lost travelers.

(b)(5), (b)(7)(E)

The second question was in regards to LPRs presenting I-551 cards. I-551 cards indicate place of birth, not citizenship.

(b)(5), (b)(7)(E)

The third question is in regards to the charter flights from Mexico.

Directors,

In light of the changes that were made with the new executive order and our current operational stance, please have your Port Directors at your larger locations engage directly, today, with local stakeholders to explain the changes and answer any questions as necessary. The focus for this should be at our larger airport operations.

As a side note headquarters Admissibility and Passenger Programs held a call last night with airline stakeholders at the national level and will also be doing so today.

Thank you,

Los Angeles Field Office:

Los Angeles International Airport (LAX)

- On January 28, 2017, attorneys, private citizens and members of the media began to arrive at the Public Information Office (PIO) at the Tom Bradley International Terminal (TBIT). The CBP Officer assigned to PIO advised the inquiring parties to contact the Office Public Affairs. Due to the size of the crowd, a Supervisory CBPO and additional CBPOs were deployed to PIO to assist. The SCBPO and additional CBPOs handed OPA contact information to the inquiring parties. The PIO, which normally is staffed from 0700-2300 hours, was closed at 1700 due to security concerns related to the protest.
- Between 1600 and 1700 hours, approximately 150 protestors arrived and began holding an organized vigil outside the TBIT departure level. There are six media vans and reporters are interviewing both passengers and protestors. There is no CBP presence in the area.
- The Los Angeles World Airport (LAWA) Police Department has deployed an enhanced visible presence in the area.

(b)(7)(E)

- Attorneys advertising their services and holding signs are lingering in the PIO area.
- The LAX Port Director, LAWA PD Chief and the LAWA Executive Director are in close communication.
- Currently, two (2) additional protests are scheduled for January 29, 2017. Attendance estimates per social media indicate that at 1100 hours, 185 protestors will be at TBIT (no specific location) and at 1300 hours, 1,500 protestors will be at TBIT in the arrivals level.

Las Vegas International Airport (LAS)

- CBP management at the LAS contacted the LAX Port Director and relayed information suggesting that there will be potential protests in Las Vegas in the days ahead. No further details at this time.

Effective immediately, Canadian Landed Immigrants that are citizens of Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen with a valid U.S. Visa may be considered for an exemption of the 212(f) bar under Section 3(g) of the President's Executive Order if and only if the person satisfies the following conditions:

1. Proof to the satisfaction of the inspection Officer of person's Landed Immigrant Status in Canada;
2. Possession of a valid U.S. visa;
3. Travel that originates in Canada;

- 4. From only a pre-clearance airport; or
- 5. Applying for admission at a land border port of entry;
- 6. And the applicant is otherwise admissible.

Unless we hear differently from HQ, a valid U.S. visa would include both Immigrant and Non-Immigrant Visas.

The admission of such individuals must be in the national interest of the United States. Prior to any such admission, each individual must be subjected to a thorough examination by an immigration officer, to include CBP conduct of:

(b)(7)(E)

(b)(7)(E)

(b)(7)(E)

Each exemption must be considered on a case by case basis with waiver submitted to Commissioner of CBP as previously outlined in the attached email.

If any individual is encountered who meets the requirements above, the Port Director should notify the DFO. In addition, the port must complete a waiver request in the attached Guidance email format. The completed waiver must be sent to DFO Chris Perry, ADFO (b)(6), (b)(7)(C), ADFO (b)(6), (b)(7)(C), ADFO (b)(6), (b)(7)(C) and the Detroit Field Office WC mailbox. The waiver request will be forwarded as appropriate by the Detroit Field Office Watch Commander. The CBP Commissioner will be reviewing these requests, so it is very important that we provide as much information as possible and follow the required format. If you have any questions please let me know. Thanks

Importance: High

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
Executive Director

Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

PD's

Effective immediately, Canadian Landed Immigrants that are citizens of Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen with a valid U.S. Visa may be considered for an exemption of the 212(f) bar under Section 3(g) of the President's Executive Order if and only if the person satisfies the following conditions:

1. Proof to the satisfaction of the inspection Officer of person's Landed Immigrant Status in Canada;
2. Possession of a valid U.S. visa;
3. Travel that originates in Canada;
4. From only a pre-clearance airport; or
5. Applying for admission at a land border port of entry;
6. And the applicant is otherwise admissible.

Unless we hear differently from HQ, a valid U.S. visa would include both Immigrant and Non-Immigrant Visas.

The admission of such individuals must be in the national interest of the United States. Prior to any such admission, each individual must be subjected to a thorough examination by an immigration officer, to include CBP conduct

of: (b)(7)(E)

(b)(7)(E)

(b)(7)(E) Each exemption must be considered on a case by case basis with waiver submitted to Commissioner of CBP as previously outlined in the attached email.

If any individual is encountered who meets the requirements above, the Port Director should notify the DFO. In addition, the port must complete a waiver request in the attached Guidance email format. The completed waiver must be sent to DFO Chris Perry, ADFO (b)(6), (b)(7)(C) ADFO (b)(6), (b)(7)(C) ADFO (b)(6), (b)(7)(C) and the Detroit Field Office WC mailbox. The waiver request will be forwarded as appropriate by the Detroit Field Office Watch Commander. The CBP Commissioner will be reviewing these requests, so it is very important that we provide as much information as possible and follow the required format. If you have any questions please let me know. Thanks

Canada to offer temp permits to those stranded by Trump ban

Published January 29, 2017

FILE - In this Dec. 11, 2015 file photo, Prime Minister Justin Trudeau, left, greets Georgina Zires, center, Madeleine Jamkossian, second right, and her father Kevork Jamkossian, refugees fleeing from Syria, as they arrive at Pearson International airport, in Toronto. Trudeau has a message for refugees rejected by U.S. President Donald Trump: Canada will take you. He also intends to talk to Trump about the success of Canada's refugee policy. Trudeau reacted to Trump's ban of Muslims from certain countries by tweeting Saturday: "To those fleeing persecution, terror & war, Canadians will welcome you, regardless of your faith. Diversity is our strength #WelcomeToCanada." (Nathan Denette/The Canadian Press via AP, File) (The Associated Press)

TORONTO – Canada will offer temporary residency permits to travelers who become stranded here by President Donald Trump's order banning travelers from seven Muslim-majority nations, the immigration minister said Sunday.

Ahmed Hussen, a Somali refugee, was recently named Canada's immigration minister. He said no one is currently stranded at the country's airports by the ban.

Hussen said White House officials have offered assurances that permanent Canadian residents can enter the U.S. if they have a valid Canadian permanent resident card and a passport from one of the countries affected. Permanent residents are the equivalent of green card holders in the United States.

Dual citizens with a Canadian passport can still enter the U.S.

Daniel Jean, Canada's national security adviser, said he doesn't believe the ban makes the world safer.

I wanted to send an email in regards to the information i provided on the call.

The first question was in regards to those individuals who we encounter who are not making entry, including Canada refusals and lost travelers.

The second question was in regards to LPRs presenting I-551 cards. I-551 cards indicate place of birth, not citizenship.

Press Office
U.S. Department of Homeland Security

Press Release

January 29, 2017
 Contact: DHS Press Office, 202-282-8010

DEPARTMENT OF HOMELAND SECURITY RESPONSE TO RECENT LITIGATION

The Department of Homeland Security will continue to enforce all of the president's Executive Orders in a manner that ensures the safety and security of the American people. The president's Executive Orders remain in place—prohibited travel will remain prohibited, and the U.S. government retains its right to revoke visas at any time if required for national security or public safety. The president's Executive Order affects a minor portion of international travelers, and is a first step towards reestablishing control over America's borders and national security.

Approximately 80 million international travelers enter the United States every year. Yesterday, less than one percent of the more than 325,000 international air travelers who arrive every day were inconvenienced while enhanced security measures were implemented. These individuals went through enhanced security screenings and are being processed for entry to the United States, consistent with our immigration laws and judicial orders.

The Department of Homeland Security will faithfully execute the immigration laws, and we will treat all of those we encounter humanely and with professionalism. No foreign national in a foreign land, without ties to the United States, has any unfettered right to demand entry into the United States or to demand immigration benefits in the United States.

The Department of Homeland Security will comply with judicial orders; faithfully enforce our immigration laws, and implement the president's Executive Orders to ensure that those entering the United States do not pose a threat to our country or the American people.

Our professionalism is very important. We should be deliberate in our choice of words and communication on this subject.

Media reports are coming out suggesting CBPOs are advising people to contact Mr. Trump if they have questions.

We should be professional in our communication, explain as best as we can, direct to a supervisor or public affairs if necessary.

We have a job to do but we need to ensure our professionalism so we are not part of the story

Mrs. (b)(6), (b)(7)(C)

We will likely see students (F, M or J visa holders) along with individuals with work visas (E, L, etc.) returning from Canada especially tomorrow from weekend trips. Do we have any guidance on how they will be processed. Everything I am seeing looks like they would be allowed to withdraw.

But, recognizing that this has been an issue in the past with Canada, we wanted to bring it up ahead of time. If we allow them to withdraw, we anticipate pushback from CBSA because they were admitted in good faith that they would not be returned because they have a valid status in the United States.

Sincerely,

Today 0830-0850, the Seattle Area Port participated on a brief local conference call with the Port of Seattle managers and international carrier station managers (e.g. Emirates, Delta and British Air). The call was a scheduled follow up call to the call that occurred last night.

The Area Port:

- provided an overview and status for the passengers (5 passengers) that arrived on Emirates flight 227 and the potential scope of the impact for the remainder of the day (13 passengers).
- provided a high level review of the CBP EO guidance (covered the 7 countries, the classes of admission and how the processing will occur) the expectation was to provide them an understanding of how EO and CBP processing could affect their customers and passengers.
- coordinated with the Port of Seattle and airlines on how to provide customer service information to family members (and friends) about their family member that may be affected by the executive order. The Port of Seattle has provided a private room in the main terminal if there is a need to speak to a family member face to face. The room was used once this morning to reassure a concern family member of a passenger that arrived on Emirates.
- (b)(7)(E)
- reemphasized media inquiries are to be referred to CBP Public Affairs.

Questions asked:

1. How will LPRs be impacted- should they board a flight to travel and what about their families? Response: Referred to the CBP guidance in general terms on how LPRs will be processed.
2. Airlines wanted to know if CBP was going to issue a national statement to the airline industry? Response: Not sure if CBP or DHS will issue a statement but CBP will host a call with the airline stakeholders. During the call the stakeholder received the call information.
3. Airlines wanted to know if they should not board people from the 7 countries? Response: Did not give the airlines any guidance on what to tell their passengers, but did state CBP IAP is actively screening passengers at several airports overseas in an effort to deny boarding at the point of departure.

The Seattle Area Port will continue to engage with our stakeholder to maintain a level of awareness.

Situational Awareness – Court Injunction of Presidential EO
January 28, 2017**

Affected Port: Seattle-Tacoma International Airport

Date of Report: January 28, 2017

Executive Summary:

On January 28, 2017 two male passengers arriving aboard EK 227 were found inadmissible under the January 27th Presidential Executive Order. At approximately 1610 hours, CBP escorted the two passengers to their departure flight and they boarded the aircraft. Both passengers were transported to the NWDC to await the outcome of the court hearing.
