Carriers may board foreign nationals with appropriate documents irrespective of their nationality (i.e. individuals from the seven countries or refugees previously impacted by the executive order may be permitted to board if they otherwise have valid travel documents).

# U.S. CBP says Executive Order suspended nationally

Information for IATA member airlines serving the United States

Dear Jeffrey,

Please see below an important message from Jeffrey Shane, Legal Committee Secretary and IATA General Counsel:

*The U.S. District Court for the Western District of Washington, in Seattle, today issued a temporary restraining order prohibiting U.S. Customs and Border Protection from implementing or enforcing the January 27 Executive Order establishing new U.S. travel restrictions until the case can be heard and decided on the merits. The case is different from others to date because it was brought by a state government -- the State of Washington -- and because the order applies nationwide.*

*Doug Lavin and I just participated in a conference call with CBP in which the agency confirmed that it will shortly issue a statement saying unequivocally that enforcement of the Executive Order will be suspended immediately and that all travelers who were eligible to travel to the United States prior to its issuance will*

*now be permitted to travel to the United States in keeping with the law as it existed pre-Executive Order. The CBP official on the call said that, as a result of the Seattle TRO, "it is business as usual in terms of entry into the United States" and "it is as if the Executive Order never existed." I asked specifically whether online visa validation systems would reflect the reversal, noting that a great many "do not board" messages seem to be appearing even for passengers protected by earlier court orders. The CBP official said that, in keeping with the Seattle TRO, the State Department has rescinded its revocations of visas. Where a "do not board" message appears, however, airline personnel should act in keeping with the message as it may be attributable to unrelated issues with the traveler.*

*We have not yet seen a copy of the TRO. It is not clear yet when the court will hear the case. Accordingly, it is difficult to predict with any confidence how long the current suspension will last. For the time being, however, normal (i.e., pre-Executive Order) screening procedures are being restored.*

*IATA is notifying member airlines of this important development through all of its usual contact lists.*

Yours sincerely,

Directors,

The Office of Field Operations, Operations Division has been requested to update the reporting template to capture and clarify additional information needed by CBP leadership. As such, a new reporting template has been created.

Please ensure that your locations are using *the attached* template for reporting **beginning with the 0500 report on January 29, 2017.**

As a reminder:

- Reporting is now due to Field Liaison at 0500 hours, 1500 hours and 2100 hours.

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E). (b)(7)(E) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C)

All,

Attached please find the guidance which we have just received from the White House counsel, Donald F. McGahn.

It states in pertinent part (key portion highlighted):

Section 3(c) of the Executive Order entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017) suspends for 90 days the entry into the United States of certain aliens from countries referred to in section 217(a)(12) of the Immigration and Nationality Act (INA), 8 U.S.C. 1187(a)(12). Section 3(e) of the order directs the Secretary of Homeland Security, in consultation with the Secretary of State, to submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of certain foreign nationals from countries that do not provide information needed to adjudicate visas, admissions, or other benefits under the INA.

I understand that there has been reasonable uncertainty about whether those provisions apply to lawful permanent residents of the United States. Accordingly, to remove any confusion, I now clarify that Sections 3(c) and 3(e) do not apply to such individuals. Please immediately convey this interpretive guidance to all individuals responsible for the administration and implementation of the Executive Order.

Accordingly, (b)(5)

All,  
Attached please find the guidance which we have just received from the White House counsel, Donald F. McGahn.

It states in pertinent part (key portion highlighted):

Section 3(c) of the Executive Order entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017) suspends for 90 days the entry into the United States of certain aliens from countries referred to in section 217(a)(12) of the Immigration and Nationality Act (INA), 8 U.S.C. 1187(a)(12). Section 3(e) of the order directs the Secretary of Homeland Security, in consultation with the Secretary of State, to submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of certain foreign nationals from countries that do not provide information needed to adjudicate visas, admissions, or other benefits under the INA.

I understand that there has been reasonable uncertainty about whether those provisions apply to lawful permanent residents of the United States. Accordingly, to remove any confusion, I now clarify that Sections 3(c) and 3(e) do not apply to such individuals. Please immediately convey this interpretive guidance to all individuals responsible for the administration and implementation of the Executive Order.

CHICAGO - This evening, advocacy groups, civil rights organizations, and concerned Chicagoans will rally at Chicago O'Hare International Airport to protest President Donald Trump's executive order effectively banning Muslim citizens from seven countries, including legal residents of the United States with green cards, and refugees from entering the country. The orders were enacted while many refugee families were in transit to the United States and are now stuck at O'Hare, unable to enter the U.S.

By protesting President Trump's blatantly discriminatory order hundreds of Chicagoans will show our city rejects his bigotry.

Just FYI, LAX is holding stakeholder meetings about the EO. SEA has made "an allowance" for crew members but asked that they don't use crew from the seven countries. IAH is also encouraging no crew from the seven countries. This is all coming from Emirates.

(b)(6), (b)(7)(C) has talked to Qatar and they already have a plan in place to take back any INADs.

We continue to try to reach out to the carriers, but there is a lot going on at the moment. What are your thoughts (b)(5)?

CBP would like to extend an invitation to OAMA member air carriers should they have a desire to meet with Area Port Director (b)(6), (b)(7)(C) in order to ask questions they may have involving the recent Executive Order issued on Friday by President Trump. CBP supervisors at ORD have fielded a number of questions from carriers today and we would like to provide a forum for air carriers to pose their questions to the Port Director as a form of stakeholder outreach.

I would like to ask your assistance in providing the information to OAMA air carriers.

### Executive Order (EO) *Protecting the Nation from Foreign Terrorist Entry into the United States*

- On 27 January 2017, the President of the United States signed Executive Order (EO) *Protecting the Nation from Foreign Terrorist Entry into the United States*.
  - Effective immediately in accordance with the new EO, all immigrant and nonimmigrant persons of Iraq, Iran, Libya, Somalia, Sudan, Syria and Yemen *are suspended entry* into the U.S. for the next 90 days.
- The suspension does not affect foreign nationals traveling on diplomatic visas, NATO visas, C-2 visas for travel to the United Nations and G-1, G-2, G-3 and G-4.
- U.S. Lawful Permanent Residents (green card holders)
  - In accordance with White House Guidance issued on February 1, 2017, Sections 3(c) and 3(e) of Executive Order Entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” do not apply to Lawful Permanent Residents.
- Dual citizens: EO applies to Dual Citizens, but travelers are being treated according to the travel document they present. For example, if they present a Canadian passport, that is how they are processed for entry.
- Someone who is in the Federal Inspection Area right now: Each person who may be admissible from one of the seven countries, has to have an individual waiver. Processing the waivers may delay the release of the individual.
- What about refugees who are considered to be “in transit?”
  - There are currently 872 refugees who are considered to be in transit who are scheduled to arrive in the United States this week. The Secretaries of State and DHS have coordinated and will process the 872 individuals consistent with the terms of the Executive Order, which we’ve operationalized by assessing each traveler on a case-by-case basis.
- Documents that can be used by citizens identified by the EO to enter the United States are:
  - Any diplomatic visa (A, G, C-2, or NATO)
  - An I-551 (Green Card)
  - An advance parole document
  - Any SQ immigrant visa

If they are not in possession of one of the above travel documents, they will not be allowed to enter the U.S.

Dear all,

Further to the bulletin issued on 29<sup>th</sup> January.

We have just been advised by U.S. Customs and Border Protection (CBP) that a U.S. Federal judge has issued a new nationwide Temporary Restraining Order (TRO) suspending all aspects of the Presidential Executive Order (EO) with immediate effect.

Effective immediately, U.S. Customs and Border Protection will suspend any and all actions implementing the Executive Order 13769 entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017):

Per CBP, nationals of the 7 affected countries and all refugees seeking admission presenting a valid, unexpired U.S. visa or Lawful Permanent Resident (LPR) card (Green Card) will be permitted to travel to the United States and will be processed accordingly upon arrival.

# U.S. CBP says Executive Order suspended nationally

Information for IATA member airlines serving the  
United States

Dear Jeffrey,

Please see below an important message from Jeffrey Shane, Legal Committee Secretary and IATA General Counsel:

*The U.S. District Court for the Western District of Washington, in Seattle, today issued a temporary restraining order prohibiting U.S. Customs and Border Protection from implementing or enforcing the January 27 Executive Order establishing new U.S. travel restrictions until the case can be heard and decided on the merits. The case is different from others to date because it was brought by a state government -- the State of Washington -- and because the order applies nationwide.*

*Doug Lavin and I just participated in a conference call with CBP in which the agency confirmed that it will shortly issue a statement saying unequivocally that enforcement of the Executive Order will be suspended immediately and that all travelers who were eligible to travel to the United States prior to its issuance will now be permitted to travel to the United States in keeping with the law as it existed pre-Executive Order. The CBP official on the call said that, as a result of the Seattle TRO, "it is business as usual in terms of entry into the United States" and "it is as if the Executive Order never existed." I asked specifically whether online visa validation systems would reflect the reversal, noting that a great many "do not board" messages seem to be appearing even for passengers protected by earlier court orders. The CBP official said that, in keeping with the Seattle TRO, the State Department has rescinded its revocations of visas. Where a "do not board" message appears, however, airline personnel should act in keeping with the message as it may be attributable to unrelated issues with the traveler.*

*We have not yet seen a copy of the TRO. It is not clear yet when the court will hear the case. Accordingly, it is difficult to predict with any confidence how long the current suspension will last. For the time being, however, normal (i.e., pre-Executive Order) screening procedures are being restored.*

*IATA is notifying member airlines of this important development through all of its usual contact lists.*

Yours sincerely,

All- in light of recent happenings, please contact us with information regarding the changes at the port resulting from Friday's executive order.

- a. What are the updated orders with regard to changed procedures for arriving refugees and arriving refugees from particular countries
- b. Is there any access to attorneys to be provided at secondary inspection
- c. Can AILA get information to secondary inspection to make available to arriving refugees about CFIs/eligibility for asylum
- d. Are CFIs being performed at the airport?
- e. Are LPRs returning from short travel being admitted if they are also citizens from the restricted countries?

We appreciate your response on these issues as soon as possible due to the heightened circumstances.

(b)(6), (b)(7)(C) I'm Congressman Quigley's Chief of Staff in Washington, DC. We're hearing conflicting reports about whether anybody is being detained or turned back at O'Hare Airport as a result of President Trump's executive order banning travel for citizens of several Middle East countries. Can you confirm whether anybody is currently being detained at O'Hare? If so, are they being granted access to legal services? If you don't have these answers, can you direct us to somebody who can respond to us with that information? Additionally, is there somebody that Congressman Quigley can speak to directly?

Thank You,

- c. Can AILA get information to secondary inspection to make available to arriving refugees about CFIs/eligibility for asylum
- d. Are CFIs being performed at the airport?

We appreciate your response on these issues as soon as possible due to the heightened circumstances.

We have seen a change in immigration regulations with this new executive order in force from yesterday. Is there anything you can share so we can communicate with community about this cause we are seeing offloads

and to avoid multiple inads in a given flight. Also how does this effect crew members if they are from one of the seven countries listed?

We await to here something soon seeing the order is already in progress.

Thanks.

All,

Attached please find the guidance which we have just received from the White House counsel, Donald F. McGahn.

It states in pertinent part (key portion highlighted):

Section 3(c) of the Executive Order entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017) suspends for 90 days the entry into the United States of certain aliens from countries referred to in section 217(a)(12) of the Immigration and Nationality Act (INA), 8 U.S.C. 1187(a)(12). Section 3(e) of the order directs the Secretary of Homeland Security, in consultation with the Secretary of State, to submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of certain foreign nationals from countries that do not provide information needed to adjudicate visas, admissions, or other benefits under the INA.

I understand that there has been reasonable uncertainty about whether those provisions apply to lawful permanent residents of the United States. Accordingly, to remove any confusion, I now clarify that Sections 3(c) and 3(e) do not apply to such individuals. Please immediately convey this interpretive guidance to all individuals responsible for the administration and implementation of the Executive Order.

Accordingly, (b)(5)

Section 3(c) of the Executive Order entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017) suspends for 90 days the entry into the United States of certain aliens from countries referred to in section 217(a)(12) of the Immigration and Nationality Act (INA), 8 U.S.C. 1187(a)(12). Section 3(e) of the order directs the Secretary of Homeland Security, in consultation with the Secretary of State, to submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of certain foreign nationals from countries that do not provide information needed to adjudicate visas, admissions, or other benefits under the INA.

I understand that there has been reasonable uncertainty about whether those provisions apply to lawful permanent residents of the United States. Accordingly, to remove any confusion, I now clarify that Sections 3(c) and 3(e) do not apply to such individuals. Please immediately convey this interpretive guidance to all individuals responsible for the administration and implementation of the Executive Order.
