All,

Attached please find the guidance which we have just received from the White House counsel, Donald F. McGahn.

It states in pertinent part (key portion highlighted):

Section 3(c) of the Executive Order entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” (Jan. 27, 2017) suspends for 90 days the entry into the United States of certain aliens from countries referred to in section 217(a)(12) of the Immigration and Nationality Act (INA), 8 U.S.C. 1187(a)(12). Section 3(e) of the order directs the Secretary of Homeland Security, in consultation with the Secretary of State, to submit to the President a list of countries recommended for inclusion on a Presidential proclamation that would prohibit the entry of certain foreign nationals from countries that do not provide information needed to adjudicate visas, admissions, or other benefits under the INA.

I understand that there has been reasonable uncertainty about whether those provisions apply to lawful permanent residents of the United States. Accordingly, to remove any confusion, I now clarify that Sections 3(c) and 3(e) do not apply to such individuals. Please immediately convey this interpretive guidance to all individuals responsible for the administration and implementation of the Executive Order.

Accordingly, (b)(5)

All- in light of recent happenings, please contact us with information regarding the changes at the port resulting from Friday's executive order.

- a. What are the updated orders with regard to changed procedures for arriving refugees and arriving refugees from particular countries
- b. Is there any access to attorneys to be provided at secondary inspection
- c. Can AILA get information to secondary inspection to make available to arriving refugees about CFIs/eligibility for asylum
- d. Are CFIs being performed at the airport?
- e. Are LPRs returning from short travel being admitted if they are also citizens from the restricted countries?

We appreciate your response on these issues as soon as possible due to the heightened circumstances.

Thank you-

Rob,

I have discussed with the watch commanders and we would like to propose that the (b)(5), (b)(7)(E) send the 0400 report: (b)(7)(E) between 2200 and 2300 hours.

I do not believe MSP has arrivals after that time, and in the event there is an unanticipated arrival on one of our overnight flights at ORD, our morning watch commander will come in early to submit a revised report.

If this is acceptable we will assume reporting responsibility effective 1300 hours tomorrow (1/31).

 -deferred inspection

 -other unique circumstances

Whether exemption authority will be delegated below the DFO for any cases, and if so, to what level?

Office of Field Operations

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison: (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E). (b)(7)(E) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

Subject: Aila questions post executive order

All- in light of recent happenings, please contact us with information regarding the changes at the port resulting from Friday's executive order.

- a. What are the updated orders with regard to changed procedures for arriving refugees and arriving refugees from particular countries
- b. Is there any access to attorneys to be provided at secondary inspection
- c. Can AILA get information to secondary inspection to make available to arriving refugees about CFIs/eligibility for asylum
- d. Are CFIs being performed at the airport?
- e. Are LPRs returning from short travel being admitted if they are also citizens from the restricted countries?

We appreciate your response on these issues as soon as possible due to the heightened circumstances.

Thank you-

I will not require rsvp but it will be limited to carriers only. I will as that (b)(6), (b)(7)(C) send the invite because (b)(6), (b)(7)(C) may not be back yet.

Just FYI, LAX is holding stakeholder meetings about the EO. SEA has made "an allowance" for crew members but asked that they don't use crew from the seven countries. IAH is also encouraging no crew from the seven countries. This is all coming from Emirates.

(b)(6), (b)(7)(C) has talked to Qatar and they already have a plan in place to take back any INADs.

We continue to try to reach out to the carriers, but there is a lot going on at the moment. What are your thoughts (b)(5)

That LPR batch was the last waiver request for the night. MSP was the only port to submit a report for this evening's HQ report. I'm guessing I won't receive anything more than that for the midnight report.

Hi both,

Its been a while and I hope you are both well. I am sorry for contacting you but really honestly I am trying my luck to see whether you might be able to help. It looks like there has been movement on NIV's of the 7 banned countries due to a federal court decision that came out yesterday. Obviously clients are not sure whether to rely on this entirely and attempt to travel, I've been asked to see whether CBP would be able to comment on the below:

- A. What is the practice at pre-clearance stations with respect to admission of nonimmigrants from the seven "banned" countries who hold previously issued, facially valid visas following the issuance of the Seattle restraining order (i.e., is CBP honoring the the TRO broadly)?
- B. Whether airlines are boarding people from the seven countries who hold previously issued, facially valid visas? We are concerned that visas have been revoked.
- C. Basic Question is whether affected foreign nationals are being boarded and / or pre-cleared for admission following the issuance of the Seattle Order?

Any information at all would be really useful.

Great - same here!

Unfortunately, I have just heard back from our HQ that I am unable to provide a copy of my notes / answers. They suggested that you just reach out directly to me for any clarification that might be needed.

However, attached is the org chart we discussed. We fall under the Office of Field Operations (second row from the bottom on the far left).

Trump's executive order impacts 134 million people, hundreds of travelers across the country, including in Chicago

CHICAGO - This evening, advocacy groups, civil rights organizations, and concerned Chicagoans will rally at Chicago O'Hare International Airport to protest President Donald Trump's executive order effectively banning Muslim citizens from seven countries, including legal residents of the United States with green cards, and refugees from entering the country. The orders were enacted while many refugee families were in transit to the United States and are now stuck at O'Hare, unable to enter the U.S.

By protesting President Trump's blatantly discriminatory order hundreds of Chicagoans will show our city rejects his bigotry.

Sir,

I would ask that we verify and follow the HQ guidance on the reporting building in a 60 minute window prior to its "hard due time" to include negative responses. Additionally, we should reach out to the CAT or Field Liaison and make it clear that the 0500 EST report will be arriving earlier. This way there is no confusion.

All,

As discussed briefly yesterday afternoon, we will be taking over CFO reporting for the Executive Order effective today (starting with the next report).

To accommodate, I propose adjusting the late Watch Commander shift to (b)(7)(E) to capture final reporting for each day – primarily expected from ORD and MSP.

In anticipation of a conversation with Border Security to publish final guidance for all other CFO locations, please identify how far in advance (e.g. 30 minutes, 1 hour) of the report deadlines you would like to see the input from other locations.

Rob,

I have discussed with the watch commanders and we would like to propose that the evening watch commander send the 0400 report (b)(7)(E) between 2200 and 2300 hours.

I do not believe MSP has arrivals after that time, and in the event there is an unanticipated arrival on one of our overnight flights at ORD, our morning watch commander will come in early to submit a revised report.

If this is acceptable we will assume reporting responsibility effective 1300 hours tomorrow (1/31).

Subject: MSP: Congressional Contact

- On 01/30/2017 at 0915 hours Congressman Tim Waltz and his Chief of Staff Josh Syrjamaki appeared at the MSP Terminal 1, secure side CBP public window and requested to speak to a manager.
- SCBPO (b)(6), (b)(7)(C) and Chief (b)(6), (b)(7)(C) responded.
- Congressman Waltz asked what he was supposed to tell the Mayo Clinic regarding scheduled appointments and what should he tell his constituents?
- He was advised that CBP could not make a local comment regarding the Executive Order.
- He asked who was going to have the courage to answer the questions posed to CBP?
- He asked who was the main person in charge of local CBP in Minneapolis?
- We responded that the Area Port Director for Customs and Border Protection was Port Director (b)(6), (b)(7)(C) (b)(6), (b)(7)(C)
- Congressman Waltz stated that he is a staunch supporter of CBP and he was sorry that we as managers are caught in the middle.
- Congressman Waltz and his Chief of Staff provided their business cards with cell phone numbers. He stated if this does not get handled, CBP could be undermined.
- We advised that we would provide the business cards to our Port Director and thanked him for his support.

DFOs,

Based on this evening's federal court stay, we are to **suspend all departures** of those found inadmissible under the Executive Order, including those who wished to voluntarily depart. We should freeze all departures but continue to detain the individuals in the airports while we await further legal guidance. All pre-departure actions will remain underway.

Need confirmation from each DFO.
