DFOs,

Based on this evening's federal court stay, we are to **suspend all departures** of those found inadmissible under the Executive Order, including those who wished to voluntarily depart. We should freeze all departures but continue to detain the individuals in the airports while we await further legal guidance. All pre-departure actions will remain underway.

Need confirmation from each DFO.

Just as an FYI – We will be forwarding 76 refugee exemption requests today. I wanted to send a note as this will effectively triple the number of daily exemption requests.

Directors,

Here is a quick summary regarding the Executive Order:

- You have waiver authority for:
 - LPRs- still require an individualized waiver for each entry.
 - First time refugees.
 - Remaining in-scope categories – C1 approval required. (b)(5), (b)(7)(E)
with the S1. We hope to have today.
- The (b)(7)(E) and our pre-departure apparatus to include RCLG, IAP, and Preclearance are doing a great job to identify in-scope travelers and deny boarding. (b)(5)
(b)(5)
- Issued WD guidance based on court order.
- Crewman that are now lacking a valid visa and are determined to pose no additional concerns to the security of the United States may be detained on board the vessel, with an approved security plan, for the duration of the vessel’s U.S. voyage. Crewman that pose a concern to the security of the United

States should be ordered removed under safeguard pursuant to standard operating procedures. Removal requires OCC review and concurrence to ensure Court order compliance.

- C1, C2, EAC Owen, etc., continue to work through a prioritized list of Congressional calls.
- We're working with Department of State to align our EO policies and protocols with additional changes expected soon.
- We'll have FAQs posted via CBP website and a public inquiry call center established later today.

For convenience, I have also attached the previously issued guidance to Field Offices since the Executive Order:

1/30 email: court compliance on WD

1/30 email: Delegation of Authority Documentation for 842 Refugee Arrivals

1/30 email: Arrival of Central American Minors (CAM) Parolees – Jan 31 arrival

1/28 email: Waiver Routing [REDACTED] added to routing on 1/29.

1/28: Executive Order Guidance to the Field – Signed Memo

I appreciate your efforts during this implementation. Please let me know if you have any questions. Also, the Crisis Action Team is staffed 24/7 and can be reached at [REDACTED] or [REDACTED] [REDACTED]

Also, please let me know if you have any reportable issues for the 0900 senior leadership meeting.

As per our conversation this afternoon, I am writing to request that any and all electronic media from the Philadelphia International Airport international terminals be preserved, from January 27, 2017 forward. This request is being made due to an official Department of Homeland Security, Office of Inspector General investigation related to the processing of immigrants and refugees after President Donald Trump's executive order on immigration and refugees was signed.
