(b)(6), (b)(7)(C)

Can you forward any of the messages from the Chamber so we can see what they are saying/asking? Only because if its attached to the EO we are very limited in what we can do at this point. There was an inquiry from NBC about it and we could only refer the reporter to the CBP.gov web site for the Q&A.

Thanks,

I am receiving messages from the SD Chamber and other stakeholders regarding I 407's issued at our ports. In an effort to squash, can you call (b)(6), (b)(7)(C) to update her, if authorized by your COC. Our existing climate makes this sensitive in nature but what is the approved messaging?

Thanks,
