Area Port Management,

In an effort to track/provide HQ with detailed information on all individuals processed under the executive order, please fill out the new "EO Processing Details" spreadsheet attached.

The spreadsheet must contain the information for all individuals processed under the executive order since Friday, January 27th and include any new individuals you encounter. You will submit the spreadsheet 3 times daily along with the “Executive Order Reporting” spreadsheet that you have already been completing.

Note: The “Executive Order Reporting” spreadsheet has two separate sections – 1 for cumulative totals and 1 for the current time frame reporting.

I have included the most current copy of the “Executive Order Reporting” spreadsheet. Please disregard prior copies and use this format when submitting your reporting numbers as some columns have been added over the last couple of days.

The top portion of the spreadsheet is your cumulative numbers to date. This will reflect the number for all individuals processed to date. This will be updated to include the current reporting period information. The numbers will match the total numbers of individuals reported on the “EO Processing Details”

The bottom portion of the spreadsheet is for the **current** reporting period only. You will only include the number of encounters since last reporting period in this section.

The Field Office will combine all area port information into one document and forward to HQ.

If you need to update/correct information from a previous report, make the updates/corrections to the next report and advise the Field Office what information has changed. Example: an individual’s disposition might be “pending waiver approval” and changes during the next reporting period to “waiver approved”.

It is imperative that the area ports review and submit accurate information as HQ has asked for updated information on multiple occasions.

I know it will take some time to compile the information and update the new form. We are asking you to complete the new form and submit it during the 1330 EST reporting period tomorrow and include it on all subsequent reporting.

Also, per ADFO (b)(6), (b)(7)(C) email this morning - *DHS and CBP are tracking every non-immigrant withdrawal and refusal. Please consult with the DFO or ADFO (b)(6), (b)(7)(C) if you need clarification prior to considering a waiver or withdrawal/refusal. In the circumstances where the port does take an adverse action, include the print out of the CSIS record when submitting your matrix report for the reporting period. I attached an example of a withdrawal from yesterday.*

Please let me if you have any questions regarding the reporting guidance.

Directors, Field Operations, and Executive Directors,

The Office of Finance has created Project code (b)(7)(E) to track CBP costs associated with Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States" (January 27, 2017).

This project code is intended to capture all costs as a direct result of the E.O. that are not for work already being captured by a previously issued national project code. For example, if your office is already using a project code to track a certain activity ongoing prior to the issuance of this E.O. then you should continue to do so. However, if your office does see an increase in expenses and workload as a direct result of the E.O. then utilize this project code. This code can be used to track both operational expenses and overtime costs associated with activity driven by the E.O.

Please let me know if you have any questions for what should be included with this project code or have a member of your staff contact (b)(6), (b)(7)(C) of my staff. Thank you.
