As a reminder, when we encounter a non-LPR passenger subject to the Executive Order, immediate telephonic notification to the APD must be made, followed by an email to the APDs, PD, ADFO (b)(6), (b)(7)(C) and the DFO.

These encounters require C1 waiver approval and are high priority.

An arriving passenger subject to the EO that is **NOT** a LPR requires immediate notification via email to the Port Director, APDs, ADFO (b)(6), (b)(7)(C) and the DFO. If the arrival is outside of "normal" hours a phone call should be made as

well. As these cases will require C-1 approval they will be a priority and moved to the front of the EO line. There should be no delay on the part of LAX.

DFOs,

Your airports may encounter Congressional representatives today as they fly back to D.C., and some may try and meet with your airport leadership to discuss the Executive Order and how we are implementing it operationally. Unfortunately, at this time, we still do not have approved talking points from DHS, so until we do, we should not engage in any discussion with the congressional staff. We are making calls to key congressional leaders at the S1, S2, C1, C2, EAC and DEAC level, but without approved talking points for your folks to use, I do not want to place any of them in a tough position of engaging congressional members without understanding what we should and should not comment on.

Please refer any such request to OCA Assistant Commissioner Kim Lowry and the EO CAT in HQ.

Thank you.

Implementing President Trump's Executive Order on Protecting the Homeland

To all Department of Homeland Security personnel:

As you have likely seen in the news, it's been a busy weekend for DHS personnel. On Friday, President Trump signed an Executive Order to provide further guidance to DHS on enforcing our immigration laws and to suspend entry into the United States certain classes of foreign nationals in order to ensure our immigration system is working in a way that best protects the safety and security of the American public.

As we worked to implement this Executive Order, a number of court orders were issued based on lawsuits filed in the wake of the order. Upon issuance of the court orders, U.S. Customs and Border Protection (CBP) immediately began taking steps to comply with the orders and did so with professionalism.

Concurrently, the Department of Homeland Security continues to work with our partners in the Departments of Justice and State to implement President Trump's Executive Order to protect the Nation from foreign terrorist entry into the United States.

We are committed to ensuring that all individuals affected by the Executive Orders, including those affected by the court orders, are being provided all rights afforded under the law. We are also working closely with airline partners to prevent travelers who would not be granted entry under the Executive Orders from boarding international flights to the United States.

As I said over the weekend, in applying the provisions of the President's Executive Order, the entry of lawful permanent residents is in the national interest. Accordingly, absent significant derogatory information indicating a serious threat to public safety and welfare, lawful permanent resident status will be a dispositive factor in our case-by-case determinations.

We are and will continue enforcing President Trump's Executive Order humanely and with professionalism. We are and will remain in compliance with judicial orders. DHS will continue to protect the homeland.

Thank you to all the men and women on the front lines who worked to implement the President's guidance. You are a credit to your agencies and this Department.

Sincerely,

John F. Kelly
Secretary of Homeland Security

With honor and integrity, we will safeguard the American people, our homeland, and our values.

Importance: High

All,

There has been some confusion regarding whom to refer and whom is inadmissible under the newly signed EV Executive Orders under President Trump.

Some guidance was obtained and is as follows:

- 1) Persons with dual citizenship applying as visa waiver applicants shall be treated as citizens of the country for which they present their passport. For example, if a dual citizen of Australia and Iran presents an Australian passport, that person is Australian, and only the Australian citizenship will be recognized.
- 2) Persons with VWP passports that were subject to the Miller Bill requirements, who have a valid B1/B2 USNIV because they are dual citizens or traveled to one of the seven listed countries, are admissible.
- 3) Crewmembers with C1/D visas who are nationals of the seven listed countries may not be denied landing rights, and must be processed for withdrawal or granted a waiver for admission.

Further guidance will be forthcoming. Please remember that this situation is unique and dynamic, and should you have any questions, or are unsure about the current guidelines, don't hesitate to ask.

Respectfully,

All,

Here's a statement just released –feel free to respond to your local outlets attributable to a DHS spokesperson. If they want a name provide Gillian Christensen – DHS spokesperson.

"In accordance with the judge's ruling, DHS has suspended any and all actions implementing the affected sections of the Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States."

This includes actions to suspend passenger system rules that flag travelers for operational action subject to the Executive Order.

DHS personnel will resume inspection of travelers in accordance with standard policy and procedure.

At the earliest possible time, the Department of Justice intends to file an emergency stay of this order and defend the President's Executive Order, which is lawful and appropriate. The Order is intended to protect the homeland and the American people, and the President has no higher duty and responsibility than to do so."

Directors,

Operations received reports of requests and/or attempts by private attorneys or attorneys with the Council on American-Islamic Relations (CAIR) to gain access to observe secondary inspections or represent aliens in secondary. Can you advise if this is occurring in your AOR? Negative responses requested.

Thank you,

He didn't have to read it, I told him after the 1600 muster. I just told him again and he said he used an older email and did not check the recipients list.

I've already talked to (b)(6), (b)(7)(C) too.
